In Memoriam

RALPH A. TORRANCE

No man had greater love for his fellow veteran; no man had greater responsibilities in the exercise of his duties than did Ralph A. Torrance, Director of Veterans' Services in Plymouth over the past decade. His sudden death at his home at 10 Lewis Street during the early morning hour of December 11, 1962 brought sorrow not only to his two children but to his many friends throughout the town particularly to those War Veterans to whom he had become dedicated. His care and attention to the War Veteran and his acceptance of each responsibility to which he had been appointed on May 6, 1953 made him a valuable and respected employee of the Town.

Annual Town Meeting, March 24, 1962

Adjourned Town Meetings, March 26, 27, 28 and 29, 1962 Including Recommendations by the Advisory and Finance Committee

The Meeting was called to order by the Moderator, George A. White, at 2:10 o'clock p.m.

The number of Town Meeting Members present March 24, 180; March 26, 181; March 27, 174; March 28, 162; March 29, 162, as reported by records of Arsene Strassel, Alton Leeson and Carleton Kendrick, checkers.

The Moderator declared a quorum present March 24, 26, 27, 28 and 29th, 1962.

The Meeting was opened with a prayer by Rev. John A. O'Donnell of St. Peter's Church.

The Moderator read the opening of the posting and return of the warrant.

The Town Meeting Members were sworn to the faithful performance of their duties by Town Clerk, M. Herbert Craig.

Article 2. To see if the Town will vote to authorize the broadcasting of the 1962 Town Meeting and appropriate \$400 for the expenses thereof, provided that the Town receives from the broadcasting facilities a tape recording of the entire proceedings of the meeting so broadcast.

The Committee recommends favorable action and an appropriation of \$400. for broadcasting and tape recordings of the entire proceedings of the meeting.

Voted: That the Town authorize the broadcasting of the 1962 Town Meeting and appropriate \$400 for the expenses thereof, provided that the Town receives from the broadcasting facilities a tape recording of the entire proceedings of the Meeting so broadcast.

Article 3. To hear reports of the several boards of officers and Committees of the Town and act thereon.

Voted: That the reports of the several boards of officers and committees of the Town be accepted and placed on file.

1. Report of Committee Studying Town Meeting Procedures.
2. Report of the Future School Site Committee.
3. Report of the Renovation Committee of the Junior-Senior High School.
4. Report of the Committee to study the entire program of Plumbing, Gas, Gas Piping and Appliances, and Wire and Building Inspections, concerning by-laws required.
5. Report of the Plymouth Redevelopment Authority.
6. Report of the Committee to study rights-of-ways to ponds and foreshores in the Town of Plymouth.

March 21, 1962

**THE THIRD REPORT TO THE TOWN OF
PLYMOUTH SEWAGE DISPOSAL COMMITTEE**

Ladies and Gentlemen:

During the past year the Sewage Disposal Committee has received a final report from the Rolf Eliassen Associates, Inc., and is presenting, at this time, a follow-up recommendation to the Town Meeting members.

However, it is felt by the committee that a summary of our present knowledge should be presented to the Town Meeting Members first.

Rolf Eliassen Associates, Inc., is a group of experts on the treatment of sewage and its disposal from the biological as well as engineering points of view. The head of the organization is the former Professor and Head of the Department of Sanitary Engineering of the Massachusetts Institute of Technology. His associates are also on the faculty of the Massachusetts Institute of Technology. This organization was engaged by your committee in order to obtain an unbiased appraisal of the situation in Plymouth, Massachusetts in regards to our sewage disposal problem. After surveying the area involved and consulting with the U.S. Army Corp of Engineers as to any possible changes that might be made in the harbor contour, the associates contacted the State Department of Public Health pertaining to biological and float studies in Plymouth Harbor. They recommended further tests to the State of Massachusetts which were carried out at no extra cost to the Town. They also reviewed all biological tests that have been performed by the Town Department of Public Health.

In essence, their conclusions are as follows:

1. Plymouth Harbor is polluted and constitutes a potential public health hazard.
2. The Massachusetts State Department of Public Health has legal authority to enforce sewage treatment in Plymouth.

It is felt by your committee that no doubt should exist in the minds of the citizens of this Town as to these two facts. Our consultants have stated that in the event of a court case, they would have to testify in agreement with the State of Massachusetts Department of Public Health.

The Eliassen Associates, Inc., also reviewed the Metcalf & Eddy Report of 1950 and recommended alternative methods of handling the problem. Their major proposal would remove the present outlets from the main portions of the harbor at the State Pier, Town Parking Lot and the area off the Plymouth Lumber Yard. This sewage would be treated using a modern extended aeration activated sludge method with an outfall in the harbor for the effluent from this plant. This so-called sludge method is a recent development within the past five years which was not a practical development available in 1950 to your previous committee. This method is stated to be much more economical than previous plans and has been proven to such an extent that it is approved by the State of Massachusetts, Department of Public Health Division of Sanitary Engineering. However, in order to obtain a more sound estimate of these costs the associates recommend the hiring of an engineering firm to carry out this second stage of the program.

Your committee has determined that the sum of \$1,500.00 would be adequate for this survey. Your committee has also verified that the State Department of Public Health has full knowledge of the Eliassen Associates report and are in agreement with its proposal. They also are pleased with the progress being made by the Town of Plymouth in this matter.

Your committee appreciates that a question of Sewage Disposal has never been referred to the voters of the Town. Your committee expects that when the full review of the plans and estimated costs are completed by our consultants, we can then report to a Town Meeting, possibly in the fall of 1962.

Therefore we recommend that the committee be continued and that the sum of \$1,500.00 be appropriated so that the engineering estimates of necessary equipment and cost may be obtained.

JOHN E. GILMORE, M.D., Chairman
RAYMOND MISKELLY
HOWARD P. BARNES
ANTHONY CARMELLO
WILLIAM HARRINGTON
EVERETT MALAGUTI
JOHN THOM

Article 4. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1963 and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

The Committee recommends favorable action.

Voted: That the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1963 and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 5. To see if the Town will vote to amend the Wage and Salary Classification By-law in accordance with the recommendations of the Personnel Board presently filed with the records of said Board.

The Personnel Board and the Finance Committee recommend that the Wage and Salary Classification By-Law be amended by deleting the present By-Law and substituting in place thereof the Classification and Compensation Plans and Personnel By-Law as shown on Pages 43-64 inclusive of the Advisory and Finance Report.

Voted: That the Town amend the Wage and Salary Classification By-Law by deleting the present By-Law and substituting in place thereof the Classification and Compensation Plans and Personnel By-Law as shown on Pages 43-64 inclusive of the Advisory and Finance Committee Report.

Article 6. To see what action the Town will take with regard to fixing the salaries of elected Town Officers.

The Committee recommends that the salaries of elected town officers be set the same as last year, as of January 1, 1962, as follows:

Moderator	\$30.00
Chairman of Selectmen	800.00
Other Selectmen (each)	400.00
Chairman of Assessors	5,500.00

Other Assessors (each)	4,499.25
Town Clerk	2,861.00
Town Treasurer	2,861.00
Collector of Taxes	4,986.00
Tree Warden	2,735.00

Voted: That the salaries of elected Town Officers be set as of January 1, 1962 as follows:

Moderator	\$100.00
Chairman of Selectmen.	800.00
Other Selectmen (each)	400.00
Chairman of Assessors	5,500.00
Other Assessors (each)	4,499.25
Town Clerk	2,861.00
Town Treasurer	2,861.00
Collector of Taxes	4,986.00
Tree Warden	2,735.00

On March 29th, Mr. Herbert Parkhurst moved that the figure \$100, Moderator's Salary, be substituted for the figure \$30, and it was so voted.

Mr. William Barrett moved, and it was voted, that his amendment be taken by ballot.

Mr. William Barrett moved to amend the Other Assessors' Salaries by substituting the following: That the Other Assessors' Salaries be set at \$4,940 a year each, for the figure \$4,499.25 each, retroactive to January 1, 1962. Voting by ballot, 66 in the affirmative, 112 in the negative, the motion to amend was lost.

Article 7. To provide for a Reserve Fund and to determine what sums of money the Town will raise and appropriate, including appropriations from available funds, to defray charges and expenses of the Town, including debt and interest, for the ensuing year.

*Revised

Voted: That the Town raise and appropriate the sum of \$3,278,797.50 as amended by the votes passed on various items, to provide for a Reserve Fund and to defray the expenses of the Town and for other purposes as listed in the printed recommendations of the Advisory and Finance Committee, of which amount \$3,251,862.50, as amended by votes passed, shall be from the tax levy of the current year, \$10,000 from Street Parking Meter Receipts, \$3,435 from Main Street Extension Parking Lot Receipts, \$2,500 from the sale of Cemetery Lots and Graves Fund, Item 197, \$1,000 from the Memorial Building Parking Lot Fund and \$10,000 from Reserve Overlay.

Voted: Mr. James A. White amends by substituting the figure \$2,558 for the figure \$2,000, Item 74.

Voted: Mr. James T. Frazier amends by substituting the figure \$1,000 for the figure \$400, Item 96.

Voted: Mr. Alvin Tavares moved that the Town amend by substituting the figure \$26,345.60 for the figure \$25,647.36, Item 111.

Voted: Mr. Peter Costello amends by substituting the figure \$8,750 for the figure \$7,550, Item 112.

Mr. Alvin Tavares moved that the Town hold Items 117-127 inclusive until Monday, March 26th at 8:30 o'clock p.m., and it was so voted.

Voted: Mr. Howard Barnes amends by substituting the figure \$1,000, Item 128.

Voted: Mr. Alvin Tavares moved that the Town amend by substituting the figure \$4,290 for the figure \$2,690, Item 130.

Voted: Mr. John Searles amends by substituting the figure \$19,568 for the figure \$16,915, Item 150.

Voted: Mr. John Searles amends by substituting the figure \$34,698 for the figure \$33,300, Item 151.

Voted: After Article 45, March 27th. Dr. Hyman Duby amends by substituting the figure \$4,000 for the figure \$1,500, Item 48.

Voted: After Article 45, March 27th. Dr. Hyman Duby amends by substituting the figure \$5,900 for the figure \$5,210, Item 49.

On motion of Mr. Thomas Quinn voted to adjourn at 6 o'clock p.m. until Monday, March 26th at 7:30 o'clock p.m.

Adjourned Town Meeting, March 26, 1962

The Meeting was called to order by the Moderator, George A. White, at 7:45 o'clock p.m., and declared a quorum present.

Article 7 — Continued:

Mr. Alvin Tavares moved that the Town substitute the figure \$6,745 for the figure \$7,095, Item 156.

Mr. Walter Haskell moved to amend the motion of Mr. Tavares by substitutiing the figure \$9,665 for the figure \$6,745, and it was so voted.

Mr. James Frazier moved to reconsider Item 33 and it was so voted.

Voted: Mr. James Frazier amends by substituting the figure \$725 for the figure \$350, Item 33.

Voted: That the Town reconsider Items 151 and 152.

Voted: Mr. Haskell moved that Items 151 and 152 be combined and that the total sum of \$35,048 already appropriated on March 24th, be included under the one item of Labor.

Mr. Tavares moved that Mr. Barrett's motion on Items 117 to 127 be taken by ballot but the motion was lost.

Mr. William Barrett moved that the Town delete Items 117 to 127 inclusive as shown in the printed report of the Advisory and Finance Committee and appropriate in place thereof the following, and it was so voted:

Sewer Maintenance	\$6,800.00

Article 8. To take such action as the Town shall see fit in aid of the Plymouth Public Library, including the Loring Branch Library.

The Committee recommends an appropriation of \$54,755.
 (A) — \$56,872. (B) including the Dog Tax of \$2,476.53 of which appropriation \$40,555. (A) \$42,672. (B) shall be for Salaries and \$14,200. (A) \$14,200. (B) for Other Expenses.

Voted: That the Town raise and appropriate the sum of \$56,872, including the dog tax of \$2,476.53, in aid of the Plymouth Public Library, including the Loring Branch Library, of which appropriation \$42,672, shall be for salaries and \$14,200, for Other Expenses.

Article 9. To see if the Town will appropriate a sum not exceeding \$2,250 in aid of the Manomet Public Library.

The Committee recommends an appropriation of \$2,250.

Voted: That the Town raise and appropriate the sum of \$2,250, in aid of the Manomet Public Library.

Article 10. To see if the Town will vote to raise and appropriate \$8,000 for nursing services by the Plymouth Community Nurse Association, Inc.; said appropriation to be expended under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$8,000.

Voted: That the Town raise and appropriate \$8,000 for nursing services by the Plymouth Community Nurse Association, Inc., said appropriation to be expended under the direction of the Board of Selectmen.

Article 11. To see what amount the Town will vote to raise and appropriate for the use of the Plymouth County Trustees for County Aid to Agriculture and to authorize the Selectmen to appoint a director in accordance with Chapter 319 of the Acts of 1957.

The Committee recommends favorable action and an appropriation of \$150.

Voted: That the Town raise and appropriate the sum of \$150, for the use of the Plymouth County Trustees for County Aid to Agriculture and to authorize the Selectmen to appoint a Director for the term of one year.

Article 12. To see if the Town will vote to raise and appropriate \$15,000 for advertising the advantages of the Town and for providing amusements or entertainments of a public character; said appropriation to be expended under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$15,000. for advertising the advantages of the town, but not for providing amusements or entertainments of a public character, said appropriation to be expended under the direction of the Board of Selectmen.

Voted: That the Town raise and appropriate \$15,000, for advertising the advantages of the Town, including necessary expenses incurred outside the Commonwealth, but not to be used for providing amusements or entertainments of a public character; said appropriation to be expended under the direction of the Board of Selectmen.

Article 13. To see what amount the Town will vote to raise and appropriate to meet the payment of certain bills contracted prior to January 1, 1962 or take any action relative thereto.

The Committee recommends an appropriation of \$281.44, \$194.50 for the Police Department, \$63.69 for the Fire Department and \$23.25 for the Board of Public Welfare.

Voted: (Unanimously) That the Town raise and appropriate \$281.44 to meet the payment of certain bills contracted prior to January 1, 1962: \$194.50 by the Police Department, \$63.69 by the Fire Department, and \$23.25 by the Board of Public Welfare.

Article 14. To see if the Town will vote to raise and appropriate \$2,000 for Christmas Lighting; said appropriation to be spent under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$2,000., to be spent under the direction of the Board of Selectmen.

Voted: That the Town raise and appropriate \$2,000 for Christmas Lighting; said appropriation to be spent under the direction of the Board of Selectmen.

Article 15. To see if the Town will vote to accept fifteen cemetery perpetual care funds, amounting to \$3,152, received and deposited in the Plymouth Federal Savings and Loan Association in the year 1961, in accordance with the usual votes of the Cemetery Commissioners and Selectman and listed as "New Funds" in the town report.

The Committee recommends favorable action.

Voted: That the Town accept fifteen cemetery perpetual care funds, amounting to \$3,152 received and deposited in the Plymouth Federal Savings and Loan Association in the year 1961, in accordance with the usual votes of the Cemetery Commissioners and Selectmen and listed as "New Funds" in the town report.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$2,100 for the purpose of installing a Repro Card System in the Board of Registrars' Department for the printing of Street and Voting Lists.

The Committee recommends an appropriation of \$2,100.
(This equipment will pay for itself by savings in clerical help.)

Voted: That the Town raise and appropriate the sum of \$2,100, for the purpose of installing a Repro Card System in the Board of Registrars' Department for the printing of street and Voting Lists.

Article 17. To see if the Town will vote to raise and appropriate or transfer from unappropriated funds in the Treasury, a sum of money for Chapter 90 Construction and Chapter 90 Maintenance, or take any action in relation thereto.

Purpose	State Share	County Share	Town Share	Total
Beaver Dam Road and Nook Road	\$42,000	\$21,000	\$21,000	\$84,000

Article 18. To see if the Town will vote to raise and appropriate \$4,500 for the purchase of a 4-yard dump truck for the Highway Department and dispose of the 1955 Studebaker truck now in use.

The Committee recommends an appropriation of \$4,500.

Voted: That the Town raise and appropriate \$4,500, for the purchase of a 4-yard dump truck for the Highway Department and to dispose of the 1955 Studebaker truck now in use.

Article 19. To see if the Town will vote to raise and appropriate \$4,265 for the purchase of a compressor and pavement breaker for the Highway Department.

The Committee recommends an appropriation of \$4,000., and disposal of the present compressor and pavement breaker now in use.

Voted: That the Town raise and appropriate \$4,000.00 for the purchase of a compressor and pavement breaker for the Highway Department, and to dispose of the present compressor and pavement breaker now in use.

Article 20. To see if the Town will vote to raise and appropriate \$2,450 for the purchase of a jet sandspreader for the Highway Department.

The Committee recommends no action.

To see if the Town will vote to raise and appropriate \$2,450 for the purchase of a jet sandspreader for the Highway Department.

Voted: That the Town take no action under Article 20.

Article 21. To see if the Town will vote to raise and appropriate \$4,000 for the purchase of a reconditioned snow loader for the Highway Department.

The Committee recommends no action.

Voted: That the Town take no action under Article 21.

Article 22. To see if the Town will vote to raise and appropriate \$14,700 for a motor street sweeper for the Highway Department.

The Committee recommends no action.

Voted: That the Town take no action under Article 22.

Article 23. To see if the Town will vote to raise and appropriate the sum of \$4,542.00 for the purpose of installing a two-way radio system for the Highway Department, consisting of a Base Station and mobile units to be installed in Highway vehicles; the Federal Government or Commonwealth, or both, to reimburse the town for one-half of the cost; such reimbursement when received to be returned to available funds in the Treasury.

The Committee recommends no action.

Mr. Alvin Tavares moved that the Town take no action under Article 23.

Mr. George Randall moved to amend the motion of Mr. Tavares by substituting the following: That the Town raise

and appropriate the sum of \$4,542 for the purpose of installing a two-way radio system for the Highway Department, consisting of a Base Station and mobile units to be installed in highway vehicles; the Federal Government or Commonwealth, or both, to reimburse the Town for one-half of the cost; such reimbursement when received to be returned to available funds in the Treasury, but the motion to amend was lost.

The original motion was put before the Meeting and carried.

Article 24. To see if the Town will vote to raise and appropriate \$1,443 to install a drainage system in private property off Court Street and secure necessary easements therefor.

The Committee recommends no action.
(This is not a Town water problem.)

Mr. Alvin Tavares moved that the Town take no action under Article 24.

Mr. James Frazier moved to amend the motion of Mr. Tavares by substituting the following: That the Town raise and appropriate \$1,443 to install a drainage system in private property off Court Street and secure necessary easements therefor, but the motion was lost.

The original motion was put before the Meeting and carried.

Article 25. To see if the Town will vote to raise and appropriate \$10,900 to install a drainage system in Samoset and Allerton Streets and in private properties and secure the necessary easements therefor.

The Committee recommends favorable action and an appropriation of \$10,900. provided the project be put on bid as a single contract.

VOTED: (Unanimously) That the Town raise and appropriate \$10,900, to install a drainage system in Samoset and Allerton Streets and in private properties and secure the necessary easements therefor.

Article 26. To see if the Town will vote to raise and appropriate \$3,550 to install a drainage system in Alden Street, Alden Street Extension to West Street and Rodman Lane; said drainage system to be connected at Standish Avenue.

The Committee recommends favorable action and an appropriation of \$1,870. for materials, labor being provided for elsewhere in the budget.

Voted: (Unanimously) That the Town raise and appropriate \$1,870, (labor being provided for elsewhere in the budget) to install a drainage system in Alden Street, Alden Street Extension to West Street and Rodman Lane; said drainage system to be connected at Standish Avenue.

Article 27. To see if the Town will vote to raise and appropriate \$2,522 for the installation of a sewer in Rodman Lane. (By Petition)

The Committee recommends no action.
(Homes are new and cesspools handle sewage adequately.)

Mr. Alvin Tavares moved that the Town take no action under Article 27.

Mr. William Barrett moved to amend the motion of Mr. Tavares by substituting the following: That the Town raise and appropriate the sum of \$2,522 for the installation of a sewer in Rodman Lane, and it was so voted.

On motion of Mr. Reubin Winokur voted to adjourn at 11:00 o'clock p.m. until Tuesday, March 27th at 7:30 p.m.

Adjourned Town Meeting, March 27, 1962

The Meeting was called to order by the Moderator, George A. White, at 7:45 o'clock p.m.

Article 28. To see if the Town will authorize the Selectmen to purchase for public purposes, including off-street parking, the land and buildings thereon of the First National Stores, so-called, on North and Brewster Streets, shown as Lots 2, 3, 13A, 17, 18 and 19 of Plat 20 of the Assessors' Plans and to determine whether the Town will appropriate money therefor from available funds in the Treasury, including Parking Meter Receipts; or by borrowing under Chapter 44 of the General Laws, as amended, or take any action relative thereto.

Committee recommends favorable action and an appropriation of \$150,000., of which \$42,650., shall be taken from the Real Estate Fund, \$12,350., from the tax levy, and \$95,000., by borrowing.

Planning Board recommends favorable action.

Mr. Alvin Tavares moved that the Town authorize the Selectmen to purchase for public purposes including off-street parking, the land and buildings thereon of the First National Stores, so-called, on North and Brewster Streets, shown as Lots 2, 3, 13A, 17, 18 and 19 of Plat 20 of the Assessors' Plans, subject to easements of record, and subject to the restriction that said premises shall not be used for the sale of food items to be consumed off the premises, for a period of not more than one year from the date of transfer, and that the Town raise and appropriate for the acquisition of said real estate and for the expense of acquiring title and paying a pro rata share of the 1962 taxes, the sum of \$150,000, and to meet such appropriation \$42,650, shall be taken from the Real Estate Fund \$12,350, from the tax levy of the current year and that the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of \$95,000, in accordance with the provisions of Section 7 (3) of Chapter 44 of the General Laws as amended, so that the whole sum shall be paid in not more than ten years after the date of the issuance of the first

bond or note or at such earlier date as the Treasurer or Selectmen may determine, and that such debt incurred may be paid in accordance with Section 22B of Chapter 40 of said General Laws, in part from receipts from Parking Meters.

Mr. Howard Barnes moved to amend the motion of Mr. Tavares by the following: That the Town reject, with many thanks, the option to purchase the property of the First National Stores on North and Brewster Streets.

Mr. Howard Barnes moved that his amendment be taken by ballot, and it was so voted.

Voting by ballot on Mr. Barnes' amendment, 120 in the affirmative, 46 in the negative, the motion was carried.

Mr. Willard Dittmar moved that the Town delete Items 191 to 198 inc. of Article 7, as shown in the printed report of the Advisory and Finance Committee, and appropriate in place thereof the following, and it was so voted:

Salaries	\$8,740.00
Oak Grove & Vine Hills Cemeteries	23,679.00
Burial Hill	7,875.00
Outlying Cemeteries	3,550.00
Vine Hills Cemetery Addition	2,000.00
Roads — O.G. & V.H. Cemeteries	1,500.00
Roads — Manomet Cemetery	1,700.00
Improvement of O.G. & V.H. Cems.	2,000.00
From Sale of Lots & Graves	
Improvement of Outlying Cems.	500.00
From sale of Lots & Graves	

Mr. James Frazier moved to reconsider Item 186 of Article 7, but the motion was lost.

Voted: That the Town raise and appropriate the sum of \$3,278,797.50 as amended by the votes passed on various items, to provide for a Reserve Fund and to defray the expenses of the Town and for other purposes as listed in the

printed recommendations of the Advisory and Finance Committee, of which amount \$3,251,862.40, as amended by votes passed, shall be from the tax levy of the current year, \$10,000 from Street Parking Meter Receipts, \$3,435 from Main Street Extension Parking Lot Receipts, \$1,000 from the Memorial Building Parking Lot Fund, \$2,500 from the sale of Cemetery Lots and Graves Fund, Item 197, and \$10,000 from Reserve Overlay.

Article 29. To see what amount the Town will vote to raise and appropriate from available funds, including Parking Meter Receipts, for the purchase and installation of parking meters, curbing and striping in that portion of the First National Store Lot, so-called, allocated for off-street parking.

Committee recommends that the Selectmen be authorized to install parking meters and change traffic regulations as required. We understand no appropriation is necessary.
Planning Board recommends favorable action.

Voted: That the Town take no action under Article 29.

Article 30. To see if the Town will authorize the Selectmen to appoint a committee of five members to study the uses to which the building together with the means of ingress and egress on the former First National Stores property shall be put and to report its findings at the next annual town meeting.

Committee recommends favorable action.
Planning Board recommends favorable action.

Voted: That the Town take no action under Article 30.

Article 31. To see if the Town will vote to raise and appropriate or take from available funds, the sum of \$17,500 to be expended by the Manomet Building Committee for the purpose of consulting with architects, obtaining plans, specifications and cost, for a six-room addition to the Manomet Elementary School; said Manomet Building Committee to consist of five members to be appointed by the Moderator, to include one member from the Plymouth School Committee and representation from the present Manomet Study Committee, said Committee being authorized to expend funds appropriated under this vote for the purpose outlined above.

Committee recommends favorable action and an appropriation of \$17,500. See report of Manomet Elementary School Study Committee.

Report of the Manomet Elementary Study Committee
read by Mr. Henry Cappella and filed with the Town Clerk.

MANOMET ELEMENTARY STUDY COMMITTEE REPORT

The Town of Plymouth at the annual town meeting, March 25, 1961, voted to create a committee of five, one of whom will be from the School Committee, to be appointed by the moderator, to study the extent of need for an addition to the Manomet Elementary School, and to appropriate the sum of \$250.00 for necessary expenses; this committee to report its recommendations to the town as soon as practicable, but no later than the next town meeting.

The following committee was appointed by the moderator:

Mrs. Jane Gellar	Mr. Kenneth Peck
Mr. Henry Cappella	Mr. George Stefani
Mr. George Carter, Jr.	

After the organization of the committee, Mr. Cappella was elected chairman, and Mr. Kenneth Peck, Secretary-Treasurer.

We, the Committee, respectfully submit the following report:

As of January 1962, there were 224 students housed in a school designed for a maximum number of 180 pupils. To accomplish pupil placement without impeding the education of the children, it was necessary in September of 1960 to utilize the stage area as a temporary classroom. This restricted the usual activities commonly carried on in an auditorium. In 1961 it became necessary to utilize the health unit as a temporary classroom, thus curtailing the use of this area for its intended purposes.

The projected enrollment for September 1962, is 239 pupils.

"	"	"	"	September 1963	"	254	"
"	"	"	"	September 1964	"	275	"
"	"	"	"	September 1965	"	272	"
"	"	"	"	September 1966	"	262	"

These figures are based on the census of the Manomet area which was conducted by the Plymouth School Depart-

ment. Figures are actual and do not allow for anticipated growth, a problem which has increased each year.

Members of the Study Committee accompanied by the Superintendent and Assistant Superintendent of Schools, held a conference in Boston with Mr. Black of the School Building Assistance Commission. The necessity of an addition to this school has been long anticipated by the School Building Assistance Commission. A grant of 30% for construction costs can be expected from this source.

We base the following recommendation on the existing crowded conditions which can only be increased by the rapid growth of the Manomet area, and we recommend the following **article**:

To see if the Town will vote to raise and appropriate, or take from available funds, the sum of \$17,500, to be expended by the Manomet Building Committee for the purpose of consulting with architects, obtaining plans, specifications and cost, for a six-room addition to the Manomet Elementary School; said Manomet Building Committee to consist of five members to be appointed by the Moderator, to include one member from the Plymouth School Committee and representation from the present Manomet Study Committee, said Committee being authorized to expend funds appropriated under this vote for the purpose outlined above.

Reconciliation of appropriated funds:

Appropriated	\$250.00
Expenses	16.56
	<hr/>
Balance	\$233.44

Having completed our study, we respectfully ask to be discharged.

HENRY CAPPELLA, Chairman
KENNETH PECK, Secretary-Treasurer
JANE GELLAR
GEORGE STEFANI
GEORGE CARTER, JR.

Voted: That the Town raise and appropriate or take from available funds, the sum of \$17,500 to be expended by the Manomet Building Committee for the purpose of consulting with architects, obtaining plans, specifications and cost, for a six-room addition to the Manomet Elementary School; said Manomet Building Committee to consist of five members to be appointed by the Moderator, to include one member from the Plymouth School Committee and representation from the present Manomet Study Committee, said Committee being authorized to expend funds appropriated under this vote for the purpose outlined above.

Mr. Alvin Tavares moved, and it was voted, to reconsider Article 31.

Mr. Alvin Tavares moved that the Town raise and appropriate the sum of \$17,500, to be expended by the Manomet Building Committee for the purpose of consulting with architects, obtaining plans, specifications and cost, for a six-room addition to the Manomet Elementary School; said Manomet Building Committee to consist of five members to be appointed by the Moderator, to include one member from the Plymouth School Committee and representation from the present Manomet Study Committee, said Committee being authorized to expend funds appropriated under this vote for the purpose outlined above, and it was so voted.

Article 32. To see if the Town will vote to raise and appropriate the sum of \$146,867.67 as the Town's share of the annual maintenance and operating budget for the Plymouth-Carver Regional School District consisting of the capital costs assessment of \$142,889.50 and the operating costs assessment of \$3,978.17 which is in accordance with the provisions of Section 16B of Chapter 71 of the General Laws. Said appropriation is to be used in conjunction with an appropriation made available for the same purpose by the Town of Carver.

Committee recommends favorable action and an appropriation of \$146,867.67.

Plymouth's share 89%	\$142,889.50 for school construction.
Plymouth's share 89%	3,978.17 for cost of operation.

\$146,867.67

Voted: That the Town raise and appropriate the sum of \$146,867.67 as the Town's share of the annual maintenance and operating budget for the Plymouth-Carver Regional School District consisting of the capital costs assessment of \$142,889.50 and the operating costs assessment of \$3,978.17 which is in accordance with the provisions of Section 16B of Chapter 71 of the General Laws. Said appropriation is to be used in conjunction with an appropriation made available for the same purpose by the Town of Carver.

Article 33. To see if the Town will vote to appropriate its proportionate share of \$100,000 from the Stabilization Fund for the purpose of partial payment for the construction of the Plymouth-Carver Regional High School; said amount, namely, \$100,000 to be matched by the Commonwealth of Massachusetts, total amount to be used solely for the construction of said high school, or take any action relative thereto.

(By Petition)

Committee recommends an appropriation of \$89,000., from the Stabilization Fund.

Voted: (Unanimously) That the Town appropriate its proportionate share of \$100,000, namely \$89,000, from the Stabilization Fund for the purpose of reducing the number of Bonds to be issued by the Plymouth-Carver Regional School District.

Article 34. To see if the Town will vote to raise and appropriate \$3,500 for the purchase of a new 1½ ton dump truck for the Park Department and dispose of the 1954 Ford dump truck now in possession of the Park Department; said appropriation to be expended under the direction of the Park Department.

Committee recommends no action.

Voted: That the Town take no action under Article 34.

Article 35. To see if the Town will vote to raise and appropriate the sum of \$3,000 for the purchase of a new ¾ ton 4-wheel-drive pick-up truck for use by the Park Department and dispose of the 1958 International pick-up truck now in possession of the Park Department; said appropriation to be expended under the direction of the Park Department.

Committee recommends an appropriation of \$3,000.

Voted: That the Town raise and appropriate the sum of \$3,000, for the purchase of a new 3/4 ton 4-wheel-drive pick-up truck for use by the Park Department and dispose of the 1958 International pick-up truck now in possession of the Park Department; said appropriation to be expended under the direction of the Park Department.

Article 36. To see if the Town will vote to instruct the Moderator to appoint a committee to look into the feasibility of establishing a playground in the Cedarville area and report back to the annual town meeting at its next annual session.
(By Petition)

Committee recommends favorable action.

Voted: That the Town instruct the Moderator to appoint a committee of five to look into the feasibility of establishing a playground in the Cedarville area and report back to the annual town meeting at its next annual session.

Article 37. To see if the Town will vote to raise and appropriate the sum of \$2,350 for one Fire Chief's car and trade in one 1959 Plymouth station wagon.

Committee recommends no action.

(Car could be incorporated into lease program next year.)

Voted: That the Town take no action under Article 37.

Article 38. To see if the Town will vote to raise and appropriate the sum of \$2,300 for the Fire Department for replacement of the central heating plant at the Central Fire Station.

Committee recommends an appropriation of \$2,300.

Voted: That the Town raise and appropriate the sum of \$2,300, for the Fire Department for replacement of the central heating plant at the Central Fire Station.

Article 39. To see if the Town will vote to raise and appropriate the sum of \$2,700 to hard-top the drive and parking area at the Manomet Fire Station.

Committee recommends an appropriation of \$850.

(Recommended appropriation will hard-top driveway on southerly side, will correct drainage problem; parking lot in rear has good gravel base and can be delayed.)

Voted: That the Town raise and appropriate \$850, to hard-top the drive at the Manomet Fire Station.

Article 40. To see if the Town will vote to raise and appropriate the sum of \$1,400 to purchase hose for the Fire Department.

Committee recommends no action, (Amount appropriated in budget will keep hose up to proper level.)

Voted: That the Town take no action under Article 40.

Article 41. To see if the Town will vote to raise and appropriate the sum of \$7,700 for extension of the Fire Alarm in the Manomet section of Plymouth.

Committee recommends no action, (Future necessity)

Voted: That the Town take no action under Article 41.

Article 42. To see if the Town will vote to reimburse Leslie Gray for medical payments in the amount of \$476.85 and the Equitable Life Assurance Society of the United States for payments made to Leslie Gray in the amount of \$759.95.

Committee recommends an appropriation of \$1,236.80.

Voted: That the Town take no action under Article 42.

Article 43. To see if the Town will vote to amend the Building Code of the Town of Plymouth and add the words "or Inspectors" to read as follows: "Section 17A. The Commission of Public Safety shall appoint annually in April, An Inspector or Inspectors of Buildings who shall hold office one year from the first day of May in the year of appointment and until another is appointed and qualified unless sooner removed. Said Inspectors shall be removable at the pleasure of the Commission and a vacancy may be filled at any time for the unexpired term. They shall receive such compensation as the Town may from time to time determine. The said Inspectors shall not inspect their own work or any building in which they are interested."

Committee recommends no action.

Voted: That the Town take no action under Article 43.

Article 44. To see if the Town will vote to instruct the Commission of Public Safety to appoint a Wire Inspector and alternate Wire Inspector in accordance with the provisions of Section 32, Chapter 166 of the General Laws, as amended, and appropriate the sum of \$2,500 for salary and expenses.

Committee recommends no action.

Voted: That the Town take no action under Article 44.

Article 45. To see if the Town will vote to raise and appropriate the sum of \$12,000 for the leasing of 4 cruiser ambulances for the Police Department.

Committee recommends favorable action, and an appropriation of \$12,000. (Maintenance cost of police cruisers now makes it economically sound to lease instead of purchase.)

Mr. Alvin Tavares moved that the Town raise and appropriate the sum of \$12,000 for the leasing of 3 cruiser ambulances and 1 sedan for the Police Department; the contract to be for a two year period, but the motion was lost.

Dr. Hyman Duby moved that Article 7, Items 48 and 49 be reconsidered, and it was so voted.

Voted: Dr. Hyman Duby amends by substituting the figure \$4,000 for the figure \$1,500, Article 7, Item 48.

Voted: Dr. Hyman Duby amends by substituting the figure \$5,900 for the figure \$5,210, Article 7, Item 49.

Article 46. To see if the Town will vote to authorize the Commission of Public Safety to trade in or otherwise dispose of 4 Police Vehicles or take any action relative thereto.

Committee recommends favorable action if Article 45 is accepted provided the motion is amended to delete the words "trade in or otherwise."

Mr. Alvin Tavares moved that the Town authorize the Commission of Public Safety to dispose of 4 Police Vehicles or take any action relative thereto, but the motion was lost.

Article 47. To see if the Town will vote to raise and appropriate the sum of \$8,500 to purchase and equip 4 cruiser ambulances for the Police Department and trade in the 4 present vehicles.

Committee recommends an appropriation of \$8,500, provided Article 45 is defeated.

Mr. Alvin Tavares moved that the Town take no action under Article 47.

Mr. Paul Withington moved to amend Mr. Tavares motion by the following: That the Town raise and appropriate

the sum of \$8,500 to purchase and equip 4 cruiser ambulances for the Police Department and trade in the four present vehicles, and it was so voted.

Article 48. To see what action the Town will take towards the housing of two garbage trucks, 1 Health car and other equipment, and make an appropriation therefor.

Committee recommends no action. (No concrete proposal has been submitted.) See Article 95.

Voted: That the Town take no action under Article 48.

Article 49. To see if the Town will vote to raise and appropriate the sums necessary for the construction of a suitable fence along the southwest side of Hedges Pond Road, Cedarville, adjacent to the Town Dump, about 300 feet.

(By Petition)

Committee recommends no action. (Highway Department could install snow fences during summer season.)

Mr. Alvin Tavares moved that the Town take no action under Article 49.

Mr. Peter Costello moved to amend Mr. Tavares motion by the following: That the Town raise and appropriate the sum of \$150 for the construction of a suitable fence along the northeast side of Hedge's' Pond Road, Cedarville, adjacent to the Town Dump, about 300 feet, said sum to be expended under the direction of the Health Department, and it was so voted.

Article 50. To see if the Town will authorize the Water Commissioners to make such changes in water mains, hydrants, gates, services and service boxes as may be necessary and advisable in Sandwich Street, White Horse and Taylor Avenue, Beaver Dam Road and Nook Road because of Chapter 90 road Construction and make an appropriation therefor.

Committee recommends favorable action and an appropriation of \$10,700.

Voted: That the Town authorize the Water Commissioners to make such changes in water mains, hydrants, gates, services and service boxes as may be necessary and advisable

in Sandwich Street, White Horse and Taylor Avenue, Beaver Dam Road and Nook Road because of Chapter 90 Road Construction and make an appropriation of \$10,700.

Article 51. To see if the Town will authorize the Water Commissioners to employ consulting engineers to make a survey and report to determine the feasibility and cost of extending the Town water system in a southwesterly direction in the general area of Seven Hills Road, South Meadow Road and Carver Road and make an appropriation therefor.

Committee recommends favorable action provided Metcalf and Eddy report on the water system for Carver Road, (Route 44) be considered a part of this study.

Voted: That the Town authorize the Water Commissioners to employ consulting engineers to make a survey and report to determine the feasibility and cost of extending the Town water system in a southwesterly direction in the general area of Seven Hills Road, South Meadow Road and Carver Road and make an appropriation of \$1,500. The Water Commissioners to consider the Metcalf and Eddy report on the water system for Carver Road, (Route 44) a part of this study.

Article 52. To see if the Town will authorize the Water Commissioners to purchase and install a second stand-by chlorinating unit, with accessories, as directed by the State Department of Public Health and make an appropriation therefor.

Committee recommends favorable action and an appropriation of \$2,200.

Voted: That the Town authorize the Water Commissioners to purchase and install a second stand-by chlorinating unit, with accessories, as directed by the State Department of Public Health and make an appropriation therefor of \$2,200.

Article 53. To see if the Town will authorize the Water Commissioners to salvage the granite stone riprap at the abandoned open-ground reservoir adjacent to the Lout Pond Pumping Station and fill in the hole by bulldozing and make an appropriation of \$2,800 therefor.

Committee recommends favorable action and an appropriation of \$2,800.

Voted: That the Town authorize the Water Commissioners to salvage the granite stone riprap at the abandoned open-ground reservoir adjacent to the Lout Pond Pumping Station and fill in the hole by bulldozing and make an appropriation of \$2,800 therefor.

Mr. Alvin Tavares moved that the Town take up Article 54 with Article 55 as one Article, but the motion was lost.

Article 54. To see if the Town will authorize the Water Commissioners to lay water mains of not less than 6" in diameter in Bartlett Road from Wanno's Pond Pumping Station, in a southerly and southeasterly direction for a distance of 6,000 feet approximately to the State Highway and make an appropriation of \$45,000 therefor; said appropriation to be met, in part, from the proceeds from the Sale of Real Estate Fund.

Combined with Article 55.

Mr. Arthur Addyman moved to amend by substituting that the Town authorize the Water Commissioners to lay mains of not less than 6" in diameter in Bartlett Road, from Wanno's Pond pumping station, in a southerly and southeasterly direction, for a distance of 6,000 feet, approximately to the State highway, and vote to raise and appropriate the sum of \$45,000 therefor, of which \$42,650 shall come from the Sale of Real Estate Fund, and it was so voted.

Article 55. To see if the Town will vote to raise and appropriate or by use of available funds or borrowing under Chapter 44 of the General Laws, the necessary money to extend the existing 10" water main from its present terminus at Cape Cod Avenue on Route 3A, Manomet, connecting thereto with 12" main southerly for a distance of 7,300 feet and to construct on Indian Hill, a storage tank of one million gallons capacity together with necessary additional storage facilities at the present Harlow tank location in Manomet.

(By Petition)

Committee recommends combining Articles 54 and 55, and recommends favorable action and costs to be paid for by bond issue of \$222,650.

Mr. Alvin Tavares moved that the Town raise and appropriate \$180,000 to extend the existing 10" water main from

its present terminus at Cape Cod Avenue on Route 3A, Manomet, connecting thereto with 12" main southerly for a distance of 7,300 feet and to construct on Indian Hill, a storage tank of one million gallons capacity together with necessary additional storage facilities at the present Harlow tank location in Manomet, full job to be put out on bid as a single contract, using cast iron or asbestos cement pipe; and that to meet said appropriation the Town Treasurer with the approval of the Selectmen, be and hereby is, authorized to borrow the sum of \$180,000, in accordance with the provisions of Chapter 44 of the General Laws, so that the whole loan shall be paid in not more than fifteen years after the date of issuance of the first bond or at such earlier date as the Treasurer or Selectmen may determine. Voting by ballot, 46 in the affirmative, 99 in the negative, the motion was lost.

Article 56. To see what action the Town will take with regard to disposing of the engineer's dwelling at the Lout Pond Pumping Station, located on land owned by the Town and under the jurisdiction of the Water Department.

Committee recommends favorable action.

Voted: That the Town authorize the Water Department to turn over to the Board of Selectmen the engineer's dwelling at the Lout Pond pumping station, located on land owned by the Town and under the jurisdiction of the Water Department, and authorize the Board of Selectmen to dispose of such building.

On motion of Mr. Thomas Quinn moved to adjourn at 11:20 o'clock p.m. until Thursday, March 29th at 7:30 p.m.

Mr. James Frazier moved to substitute the motion of Mr. Quinn, that we adjourn until Wednesday, March 28th, at 7:30 p.m., and it was so voted.

Adjourned Town Meeting, March 28, 1962

The Meeting was called to order by the Moderator, George A. White, at 7:50 o'clock p.m.

Article 57. To see what action the Town will take in its Civil Defence Program and make an appropriation therefor; said appropriation to be expended under the direction of the Selectmen.

Committee recommends no action.

Mr. Alvin Tavares moved that the Town take no action under Article 57.

Mr. George Randall moved to amend Mr. Tavares motion by substituting the following: That the Town raise and appropriate the sum of \$1,500 for the purpose of renovating and equipping for use by Plymouth Civil Defense a portion of the basement of the Plymouth Police Station and that of the County Commissioners office. This appropriation to be expended under the direction of the Plymouth Board of Selectmen, and it was so voted.

Mr. Antone Morgardo moved to reconsider Article 55, but the motion was lost.

The report of the Sewage Disposal Committee was delivered by Dr. John E. Gilmore, Chairman.

Article 58. To see what action the Town will take with reference to the third report of the Sewage Disposal Committee appointed in 1959 and to continue said Committee and to make an appropriation of \$1,500 therefor.

Committee recommends favorable action and an appropriation of \$1,500.

Voted: On motion of Mr. Raymond Miskelly, that the Town accept the Third Report of the Sewage Disposal Committee, authorized in March, 1959, that the report be included in the proceedings of this Meeting, that the Committee be continued, and that the Town raise and appropriate the sum of \$1,500 (additional to the \$1,500 voted in March, 1959) for expenses relative to the study.

Article 59. To see what action the Town will take on the report and recommendations of the Plymouth Redevelopment Authority and make an appropriation therefor, or take any action relative thereto.

Committee makes no recommendation.

Voted: That the Town take no action under Article 59.

Article 60. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the use of the Development and Industrial Commission and authorize said Commission to use a portion of this appropriation or any existing funds for out-of-state travel.

Committee recommends an appropriation of \$2,600. to bring the fund up to \$10,000.

Voted: That the Town appropriate \$2,600, for the use of the Development and Industrial Commission and authorize said Commission to use a portion of this appropriation or any existing funds for out-of-state travel.

Article 61. To see if the Town will authorize the Board of Selectmen to purchase or take by eminent domain for public purposes, Lot 10B, containing 2.47 acres located east of Eel River at Plymouth Beach as shown on Plat 39 of the Assessors' Plans and grant an easement to the Eel River Beach Club, Inc. for water pipes over the beach to its swimming pool, and make an appropriation for purchase and expenses of acquiring titles; said land to be under the jurisdiction of the Park Department.

Committee recommends favorable action and an appropriation of \$7,700. \$7,500 (Purchase price) \$200. (Legal Expense)
Planning Board recommends favorable action.

Mr. Alvin Tavares moved that the Town authorize the Board of Selectmen to purchase or take by eminent domain for public purposes, Lot 10B containing 2.47 acres located east of Eel River at Plymouth Beach as shown on Plat 39 of the Assessors' Plans and grant an easement to the Eel River Beach Club, Inc., for water pipes under the beach to its swimming pool, and make an appropriation of \$7,500 for purchase and \$200 for expenses of acquiring titles; said land to be under the jurisdiction of the Park Department.

Mr. Spencer Brewster moved to amend by substituting the following: That the Town authorize the Board of Selectmen to purchase or take by eminent domain for public purposes, Lot 10B containing 2.47 acres located east of Eel River at Plymouth Beach as shown on Plat 39 of the Assessors' Plans and grant an easement to the Eel River Beach Club, Inc., for water pipes over the beach to its swimming pool, and make an appropriation of \$7,500 for purchase and \$200 for expenses of acquiring titles; said land to be under the jurisdiction of the Park Department. Voting by a show of hands, 141 in the affirmative, 6 in the negative, it was so voted.

Article 62. To see if the Town will vote to raise and appropriate \$37,500 to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of a sea wall and riprap mat (a continuation of the present wall) northerly to breakwater at Manter's Point; the Town to assume liability as provided by Section 29, Chapter 91, as amended, for damages incurred hereunder.

Committee recommends favorable action provided Article 61 is accepted and an opening be allowed in the wall to permit access to the beach, and an appropriation of \$37,500.

State Share	County Share	Town Share	Total Cost
\$75,000.	\$37,500.	\$37,500.	\$150,000.

Voted: That the Town raise and appropriate the sum of \$37,500 to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of a sea wall and riprap mat (a continuation of the present wall) northerly to breakwater at Manter's Point; and provide an opening in the wall to permit access to the beach; the Town to assume liability as provided by Section 29, Chapter 91, as amended, for damages incurred hereunder.

Article 63. To see if the Town will vote to raise and appropriate \$5,000 to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of two groins at Plymouth Beach, north of groins approved in 1960; the Town to assume liability as provided by Section 29, Chapter 91, as amended, for damages incurred hereunder.

Committee recommends favorable action and an appropriation of \$5,000. Very necessary to keep sand on beach.

State Share	County Share	Town Share	Total Cost
\$10,000.	\$5,000.	\$5,000.	\$20,000.

Voted: That the Town raise and appropriate \$5,000 to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of two groins at Plymouth Beach, north of groins approved in 1960; the Town to assume liability as provided by Section 29, Chapter 91, as amended, for damages incurred hereunder.

Article 64. To see if the Town will vote to raise and appropriate the sum of \$10,000 to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of a stone revetment and mat at Ellisville (Black Pond Area) and that to meet said appropriation, the sum of \$5,000 be appropriated from the tax levy of the current year and \$5,000 from money in the Town Treasury received from the abutters; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for all damages incurred hereunder.

Committee recommends favorable action, and an appropriation of \$10,000.

State Share	County Share	Town Share	Abutters Share	Total Cost
\$20,000	\$10,000.	\$5,000.	\$5,000.	\$40,000.

Mr. Alvin Tavares moved that the Town raise and appropriate the sum of \$10,000 to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of a stone revetment and mat at Ellisville (Black Pond Area) and that to meet said appropriation, the sum of \$5,000 be appropriated from the tax levy of the current year and \$5,000 from money in the Town Treasury received from the abutters; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for all damages incurred hereunder.

Mr. Donald Tracy moved to amend the motion of Mr. Tavares by substituting the following: That no funds or money be appropriated for shore protection in the Ellisville (Black Pond Area) and south to the Bourne line until such

time as suitable legal access to the shore and beach area is acquired by the Town. Point of access to be as near to the area of shore protection construction as possible.

The motion was carried. (Reconsidered after Article 67)

Article 65. To see if the Town will vote to raise and appropriate the sum of \$3,000 to be spent in conjunction with sums to be provided by State or County, or both, for the construction of two groins at White Horse Beach, south of property owned by Raymond Benson, and to meet said appropriation, the sum of \$1,500 be appropriated from the tax levy of the current year and \$1,500 from money in the Town Treasury received from the abutters; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for damages incurred hereunder.

Committee recommends favorable action and an appropriation of \$3,000.

State Share	County Share	Town Share	Abutters Share	Total Cost
\$6,000.00	\$3,000.	\$1,500.	\$1,500.	\$12,000.

To see if the Town will vote to raise and appropriate the sum of \$3,000 to be spent in conjunction with sums to be provided by State or County, or both, for the construction of two groins at White Horse Beach, south of property owned by Raymond Benson, and to meet said appropriation, the sum of \$1,500 be appropriated from the tax levy of the current year and \$1,500 from money in the Town Treasury received from abutters; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for damages incurred hereunder.

No money was received from the abutters.

Voted: That the Town take no action under Article 65.

Article 66. To see if the Town will vote to raise and appropriate the sum of \$4,062.50 to be spent in conjunction with sums to be provided by State or County, or both, for the construction of a stone mound and revetment south of Manomet Point, adjoining Lots 36 to 41, inclusive, as shown on Plat 46 of the Assessors' Plans, and to meet said appropriation, the sum of \$2,031.25 be appropriated from the tax levy of the current year and \$2,031.25 from money in the Treasury re-

ceived from the abutters; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for damages incurred hereunder.

Committee recommends favorable action and an appropriation of \$4,062.50.

State Share	County Share	Town Share	Abutters Share	Total Cost
\$8,125.	\$4,062.50	\$2,031.25	\$2,031.25	\$16,250.

Mr. Alvin Tavares moved that the Town raise and appropriate the sum of \$4,062.50 to be spent in conjunction with sums to be provided by State or County, or both, for the construction of a stone mound and revetment south of Manomet Point, adjoining Lots 36 to 41 inclusive, as shown on Plat 46 of the Assessors' Plans, and to meet said appropriation, the sum of \$2,031.25 be appropriated from the tax levy of the current year and \$2,031.25 from money in the Treasury received from the abutters; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for damages incurred hereunder.

Mr. Donald Tracy moved to amend the motion of Mr. Tavares by substituting the following: That no funds or money be appropriated for shore protection from Manomet Point, south to the Ellisville (Black Pond Area) until such time as suitable legal access to the shore and beach area is acquired by the Town. Point of access to be as near to the area of shore protection construction as possible, but the motion was lost.

The original motion was put before the Meeting and was carried.

Article 67. To see if the Town will vote to raise and appropriate the sum of \$6,000 to be spent in conjunction with sums to be provided by State or County or both, for the construction of a stone mound and revetment on the shore at the end of Hedge Road, a distance of 600 feet in a southerly direction, and to meet said appropriation, the sum of \$3,000 be appropriated from the tax levy of the current year and \$3,000 from money in the Town Treasury received from the abutters; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for damages incurred hereunder.

Committee recommends favorable action and an appropriation of \$6,000.

State Share	County Share	Town Share	Abutters Share	Total Cost
\$12,000.	\$6,000.	\$3,000.	\$3,000.	\$24,000.

Mr. Alvin Tavares moved that the Town raise and appropriate the sum of \$6,000 to be spent in conjunction with sums to be provided by State or County, or both, for the construction of a stone mound and revetment a distance of 600 feet from the south bound of the Baratta property in a southerly direction, and to meet said appropriation, the sum of \$3,000 be appropriated from the tax levy of the current year and \$3,000 from money in the Town Treasury received from the abutters; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for damages incurred hereunder.

Mr. Donald Tracy moved to amend the motion of Mr. Tavares by substituting the following: That no funds or money be appropriated for shore protection south of Hedge Road Extension to the Nelson Street Landing until such time as suitable legal access to the shore and beach area is acquired by the Town. Point of access to be at or as near the Hedge Road Extension as possible, but the motion was lost.

The original motion was put before the Meeting and voting by a show of hands, 88 in the affirmative, 54 in the negative, the motion was carried.

Mr. Benjamin Brewster moved to reconsider Article 64, and it was so voted.

Mr. Donald Tracy moved to amend the motion of Mr. Tavares by substituting the following: That no funds or money be appropriated for shore protection in the Ellisville (Black Pond Area) and south to the Bourne line until such time as suitable legal access to the shore and beach area is acquired by the Town. Point of access to be as near to the area of shore protection construction as possible, but the motion was lost.

The original motion was put before the Meeting and voting by a show of hands, 78 in the affirmative, 64 in the negative, the motion was carried.

Article 68. To see if the Town will vote to raise and appropriate \$109,000 to be spent in conjunction with the sum of \$109,000 to be provided by the Commonwealth for dredging a mooring basin in Plymouth Harbor, south of Plymouth Rock, and to determine whether the Town will appropriate money therefor by taxation or by borrowing under Chapter 44 of the General Laws; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for damages incurred hereunder. (By Petition)

Committee recommends no action.

Mr. Alvin Tavares moved that the Town take no action under Article 68.

Mr. James Frazier moved to amend the motion of Mr. Tavares by substituting the following: That the Town raise and appropriate the sum of \$109,000; \$49,000 from the tax levy, \$60,000 by borrowing in accordance with Chapter 44 of the General Laws, said appropriation to be spent in conjunction with the sum of \$109,000 to be provided by the Commonwealth, for dredging purposes in Plymouth Harbor, south of Plymouth Rock; the Town to assume the liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for damages incurred hereunder. Voting by ballot, 60 in the affirmative, 97 in the negative, the motion to amend was lost.

The original motion was put before the Meeting and was carried.

Article 69. To see if the Town will assume liability in the manner provided by Section 29, Chapter 91 of the General Laws, as amended, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewater, foreshores and shores along a public beach in accordance with Section 11 of Chapter 91 of the General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Committee recommends favorable action.

Voted: That the Town assume liability in the manner provided by Section 29, Chapter 91 of the General Laws, as amended, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewater, foreshores and shores along a public beach in accordance with Section 11 of Chapter 91 of the General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Article 70. To see if the Town will vote to amend the Town of Plymouth Zoning Map No. 1, dated January 16, 1961, changing from a Residential R-15 District to a Commercial District, an area on the northwest side of Summer Street lying between the existing Commercial District and a wood road (sometimes known as Ox Road) to a depth of 1,000 feet from Summer Street.

Committee makes no recommendation. (Committee feels Planning Board can more competently advise the Town.)

Mr. Edward Chase of the Planning Board, moved and it was voted, unanimously, to amend the Town of Plymouth Zoning Map No. 1 dated January 16, 1961 "by changing from a Residential R-15 District to a Commercial District an area on the northwest side of Summer Street lying between the existing Commercial District and a wood road (sometimes known as Ox Road) to a depth of 1,000 feet from Summer Street."

Article 71. To see if the Town will vote to amend the Town of Plymouth Zoning By-law by inserting in Article IV—A after the word "dwelling" the words "or a private garage appurtenant thereto"; and by inserting in Article IV—B after the word "dwelling" the words "or a private garage appurtenant thereto."

Committee makes no recommendation. (Committee feels Planning Board can more competently advise the Town.)

Mr. Edward Chase of the Planning Board, moved and it was voted, unanimously, to amend the Town of Plymouth Zoning By-Law by inserting in Article IV-A after the word

“dwelling” the words “or a private garage appurtenant thereto”; and by inserting in Article IV-B after the word “dwelling” the words “or a private garage appurtenant thereto.”

Article 72. To see if the Town will vote to amend the Town of Plymouth Zoning Map No. 1, dated January 16, 1961, changing from an R-15 Residential District to Commercial District, an area on the southeast side of Samoset Street between Chestnut Street and Vine Hills Cemetery to a depth of 150 feet and an area on the northwest side of Samoset Street between Standish Avenue and the State Highway By-Pass to a depth of 210 feet. (By Petition)

Committee makes no recommendation. (Committee feels
Planning Board can more competently advise the Town.)
Planning Board disapproves this article.

Mr. Wilfred Brown of the Planning Board moved that the Town take no action under Article 72.

Mr. Thomas Quinn moved to amend the motion of Mr. Brown by the following: That the Town of Plymouth Zoning Map No. 1, dated January 16, 1961 be amended so as to change from an R-15 Residential District to Commerical District, an area on the southeast side of Samoset Street between Chestnut Street and Vine Hills Cemetery to a depth of 150 feet and an area on the northwest side of Samoset Street between Standish Avenue and the State Highway By-Pass to a depth of 210 feet. Voting by a show of hands, 106 in the affirmative, 27 in the negative, the motion to amend was carried.

Article 73. To see if the Town will vote to amend the Town of Plymouth Zoning Map No. 2 to extend the existing Commercial District on the southwesterly side of Sandwich Street, near Governor Carver Square, southeasterly to include Lot No. 230 of Plat 19 of the Assessors' Plans. (By Petition)

Committee makes no recommendation. (Committee feels
Planning Board can more competently advise the Town.)
Planning Board disapproves this article.

Mr. Wilfred Brown of the Planning Board, moved that the Town take no action under Article 73.

Mr. William Barrett moved to amend the motion of Mr. Brown by substituting the following: That the Town amend the Zoning By-Law, "to extend the existing Commercial District on the southwesterly side of Sandwich Street, near Governor Carver Square, southeasterly to include Lot No. 230 of Plat No. 19 of the Assessors' Plans." Voting by a show of hands, 103 in the affirmative, 24 in the negative, the motion to amend was carried.

Article 74. To see if the Town will vote to amend the Town of Plymouth Zoning By-law by inserting as an addition to Section IV—A (a) the words "Adjacent parcels of land held in the same ownership may be joined, and if their combined area is 5,000 square feet or more, their combined frontage is 50 feet or more, and they are in a district zoned to permit residential use, the lot so created may be built upon for residential use, although it does not comply with the area and frontage requirements of the district in which it lies. Lots so joined and not, in aggregate, meeting the area and frontage requirements of the district, shall include all contiguous lots held in the same ownership. Lots which may be used under the provisions of this paragraph shall comply with the setback and area coverage provision of the R-15 districts."
(By Petition)

Committee makes no recommendation. (Committee feels
Planning Board can more competently advise the Town.)
Planning Board disapproves this article.

Mr. Edward Chase moved to amend the Plymouth Zoning By-Law by inserting as an addition to Section IV-A. a. three new paragraphs as follows:

"Two adjacent lots held in the same ownership each of which is lawfully laid out by plan or deed duly recorded or registered in the Plymouth County Registry of Deeds or the Plymouth Land Registry District, each of which complied at the time of such recording or registering with the minimum area and frontage requirements of the Zoning By-Law then in effect in Plymouth, may be joined; and if their combined area is 10,000 square feet or more, their combined frontage is 80 feet or more, and they are in a district zoned to permit resi-

dential use, the lot so created may be built upon for residential use although it does not comply with the area and frontage requirements of the district in which it lies. Lots which may be used under the provisions of this paragraph and the preceding paragraph shall comply with the minimum set-back and area coverage requirements of the R-15 District.

“Where more than two adjacent lots exist, as described in the preceding paragraph, any re-subdivision must conform to the minimum requirements of the district in which it lies, and any remaining lots shall conform to the requirements of the two preceding paragraphs.

“The above paragraphs of Section IV-A. a. shall not be construed to permit the subdivision of any existing lot.” It was so voted, unanimously.

On motion of Mr. James Frazier, voted to adjourn at 11:00 o'clock p.m. until Thursday, March 29th at 7:30 p.m.

Adjourned Town Meeting, March 29, 1962

The Meeting was called to order by the Moderator, George A. White, at 7:45 o'clock p.m.

Mr. Herbert Parkhurst moved to reconsider Article 6, with regard to fixing the salary of the elected Moderator. Voting by a show of hands, 68 in the affirmative, 41 in the negative, it was voted to reconsider.

Mr. Herbert Parkhurst moved that the figure \$100 Moderator's Salary, be substituted for the figure \$30 and it was so voted.

Article 75. To see if the Town will accept and allow as a town way, Muster Field, as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses for acquiring titles.

Committee recommends no action.

(Water problems have been created for abutters by construction of road, which can be corrected by Developer.)

Mr. Alvin Tavares moved that the Town accept and allow as a Town Way, Muster Field, as laid out by the Selectmen and reported to the Town, and appropriate the sum of \$100, of acquiring titles. Voting by ballot, 61 in the affirmative, 61 in the negative, requiring a 2/3 vote, the motion was lost.

Article 76. To see if the Town will accept and allow as a Town way, Morse Road, Priscilla Beach, as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses of acquiring titles.

Committee recommends no action but does recommend that the Town accept section 6G — Chapter 40 of the General Laws at the next annual Town meeting.

Section 6G (added by Chapter 195 of 1958) authorizes a town which accepts the same at an annual town meeting and declares such repairs to be required by public necessity and convenience, to make temporary repairs on private ways which have been opened to public use for six years or more; there are provisions as to what constitutes such repairs, materials to be used, releases by all abutters, and an assessment of betterments by the Selectmen upon the estates deriving particular benefit of a sum equal, in the aggregate, to one-half of the cost.

Planning Board — The street layout conforms to Planning Board regulations but the Planning Board recommends no action because of the poor condition of the existing road and the high expense to have it properly improved.

Mr. Alvin Tavares moved that the Town take no action under Article 76.

Mr. James Frazier moved to amend the motion of Mr. Tavares by the following: That the Town will accept and allow as a Town Way, Morse Road, Priscilla Beach, as laid out by the Selectmen and reported to the Town and make an appropriation of \$100 for expenses of acquiring titles. Voting by a show of hands, 116 in the affirmative, 7 in the negative, requiring a 2/3 vote, the motion was carried.

Article 77. To see if the Town will accept and allow as a town way, Abington Avenue, White Horse Beach, as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses for acquiring titles.

Committee recommends no action.

Planning Board — The street layout conforms to Planning Board regulations but the Planning Board recommends no action because of the poor conditions of the existing road and the high expense to have it properly improved.

Mr. Alvin Tavares moved that the Town take no action under Article 77.

Mr. James Frazier moved to amend the motion of Mr. Tavares by the following: That the Town will accept and allow as a Town Way, Abington Avenue, White Horse Beach, as laid out by the Selectmen and reported to the Town and make an appropriation of \$100 for expenses of acquiring titles, and it was so voted, unanimously.

Article 78. To see if the Town will accept and allow as a town way, Little Pond Road, as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses for acquiring titles.

Committee recommends no action.

Planning Board — The street layout conforms to Planning Board regulations but the Planning Board recommends no action because of the high expense to construct a new road.

Mr. Alvin Tavares moved that the Town take no action under Article 78.

Mr. Spencer Brewster moved, and it was voted, that the discussion on Articles 78 and 79 be combined.

Mr. James Frazier moved to amend the motion of Mr. Tavares by the following: That the Town will accept and allow as a Town Way, Little Pond Road, as laid out by the Selectmen and reported to the Town and make an appropriation of \$100 for expenses of acquiring titles, and it was so voted, unanimously.

Article 79. To see if the Town will accept and allow as a town way, Burgess Road, Little Pond, as laid out by the Selectmen and reported to the town and make an appropriation for land and property damages and expenses for acquiring titles.

Committee recommends no action.

Planning Board — The street layout conforms to Planning Board regulations but the Planning Board recommends no action because of the high expense to have the road properly improved.

Mr. Alvin Tavares moved that the Town take no action under Article 79.

Mr. James Frazier moved to amend the motion of Mr. Tavares by the following: That the Town will accept and allow as a Town Way, Burgess Road, Little Pond, as laid out by the Selectmen and reported to the Town and make an appropriation of \$100 for expenses of acquiring titles, and it was so voted, unanimously.

Article 80. To see if the Town will accept and allow as a town way, Thrush Avenue, Manomet, as laid out by the Selectmen and reported to the Town, provided a drainage easement is secured, and make an appropriation for land and property damages and expenses for acquiring titles and said drainage easement.

Committee recommends no action.

Planning Board — The street layout does not conform to Planning Board regulations and the Planning Board recommends no action because Thrush Avenue has no provision for a turn-around.

Mr. Alvin Tavares moved that the Town take no action under Article 80.

Mr. James Frazier moved to amend the motion of Mr. Tavares by the following: That the Town will accept and allow as a Town Way, Thrush Avenue, Manomet, as laid out by the Selectmen and reported to the Town, provided a drainage easement is secured, and make an appropriation of \$100 for expenses of acquiring titles and said drainage easement, and it was so voted, unanimously.

Article 81. To see if the Town will accept and allow as a town way, Cushing Drive, Manomet, as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses of acquiring titles.

Committee recommends no action.

Planning Board — The street layout conforms to Planning Board regulations but the Planning Board recommends no

action because of the poor condition of the existing road and the high expense to have it properly improved.

Mr. Alvin Tavares moved that the Town take no action under Article 81.

Mr. James Frazier moved to amend the motion of Mr. Tavares by the following: That the Town will accept and allow as a Town Way, Cushing Drive, Manomet, as laid out by the Selectmen and reported to the Town and make an appropriation of \$100 for expenses of acquiring titles, and it was so voted, unanimously.

Article 82. To see if the Town will vote to authorize the Board of Selectmen to abandon as a town way, a portion of Westerly Road as laid out and accepted by the Town on March 24, 1928; said portion of Westerly Road being about 300 feet long and lying between Samoset Street and Relocated Westerly Road as laid out in behalf of the Town of Plymouth by the Massachusetts Department of Public Works on April 13, 1948 and make an appropriation for the expenses therefor.

Committee recommends favorable action provided the necessary 20 foot easement is obtained, for water pipes in the road.

Planning Board recommends favorable action.

Voted: (Unanimously) That the Town abandon a portion of Westerly Road which was accepted by the Town on March 24, 1928, between Samoset Street and Relocated Westerly Road as laid out by the Massachusetts Department of Public Works in behalf of the Town of Plymouth, on April 13, 1948, and reported to the Town.

Article 83. To see if the Town will vote to authorize the Selectmen to sell to Gertrude Testoni that portion of Westerly Road abandoned in 1962, containing approximately 18,700 square feet as shown on Plat 30 of the Assessors' Plans subject to an easement for the water main located therein, and make an appropriation therefor or take any action relative thereto.

Committee recommends favorable action at a sale price of \$50.00, provided the purchaser bears all costs, and 20 foot easement obtained.

Planning Board recommends this article.

Voted: 128 in the affirmative, 9 in the negative, requiring a 2/3 vote, that the Town authorize the Selectmen to convey to Gertrude Testoni for the sum of \$50, a parcel of land in the Town of Plymouth situated between Samoset Street and Relocated Westerly Road, containing 18,792 square feet and shown on a plan entitled "Town of Plymouth, Proposed Abandonment of a Portion of Westerly Road, Scale: 1" = 40', January 24, 1962, Edward Chase, Town Engineer." and to secure the necessary easement as approved by the Water Department, 20 feet wide for water mains; purchaser to bear all expenses.

Mr. Howard Barnes moved, and it was voted, that the discussion on Articles 84 and 85 be combined.

Article 84. To see if the Town will authorize the Selectmen, regardless of previous votes of the Town with reference thereto, to regulate the parking time at the meters installed in the Middle Street Parking Lot or take any action relative thereto.

Committee recommends favorable action.

Voted: That the Town authorize the Selectmen, regardless of previous votes of the Town with reference thereto, to regulate the parking time to two hours, at the meters installed in the Middle Street Parking Lot.

Article 85. Will the Town amend that part of the motion of Article 56 adopted at the March, 1960 Town Meeting, referring to the "Installation of one-hour parking meters" for the Middle Street Parking Lot by now providing for the installation of some two-hour meters. All of the two-hour meter mechanisms (about 40) now installed on North, Middle and Leyden Streets shall be interchanged, the work to be done by the Police Department without special appropriation.

(By Petition)

Committee recommends no action.

Mr. Alvin Tavares moved that the Town take no action under Article 85.

Mr. Howard Barnes moved to amend the motion of Mr. Tavares by substituting the following: That the Town amend

that part of the motion of Article 56 adopted at the March, 1960 Town Meeting, referring to the "Installation of one-hour parking meters" for the Middle Street Parking Lot by now providing for the installation of some two-hour meters. All of the two-hour meter mechanisms (about 40) now installed on North, Middle and Leyden Streets shall be interchanged, the work to be done by the Police Department without special appropriation, and it was so voted.

Article 86. To see what action the Town will take with reference to enforcing the parking meter regulations including the tagging of vehicles for over-time parking and other violations of said regulations at all meters on the streets and in off-street parking lots and to make an appropriation for salaries therefor in whole or in part from parking meter receipts or take any action relative thereto.

Committee recommends no action.

(Article does not spell out that man will repair and maintain meters.)

Voted: That the Town take no action under Article 86.

Article 87. To see if the Town will vote to establish a Conservation Commission by accepting the provisions of Section 8C of Chapter 40 of the General Laws and to make an appropriation therefor or take any action relative thereto.

Committee recommends no action.

(Article should be studied further.)

Mr. Alvin Tavares moved that the Town take no action under Article 87.

Mr. Donald Tracy moved to amend the motion of Mr. Tavares by substituting the following: That the Town establish a Conservation Commission by accepting the Provisions of Section 8C of Chapter 40 of the General Laws, as amended, and to make an appropriation of \$600 to be used in setting up such a Commission, and it was so voted.

Article 88. To see if the Town will amend Section 16 of the Town By-laws to read as follows: "Any vacancy in any committee appointed by the Moderator or Selectmen, under a

vote of the Town, shall be filled in the same manner as the original appointment."

Committee makes no recommendation.

Mr. Ronald McIntosh moved that the Town amend Section 16 of the Town By-Laws, by deleting said Section 16 and inserting in place thereof the following:

Section 16. Any vacancy in any committee appointed by the Moderator or Selectmen, under a vote of the Town, shall be filled in the same manner as the original appointment, and it was so voted.

Article 89. To see if the Town will adopt the following rules with reference to Town Meetings and Committees as recommended by the Committee appointed to study the same and as appears in said Committee's report:

Mr. Howard Barnes moved that the Town take no action under Article 89 but the motion was lost.

Mr. Hugh Maraghy moved that the Town adopt the following rules with reference to Town Meetings and Committees; and it was so voted.

1. **COMMITTEES.** When a vote requires the formation of a Committee, the temporary Chairman thereof shall be designated by the appointing authority, and it shall be his duty to call the members for organization within thirty days of his receipt of notification of his appointment; if he fails to call such organizational meeting within the prescribed time, it shall be the duty of the appointing authority to call such meeting. If no report is made by any committee in accordance with the vote of the Town, the committee shall be deemed discharged, and the appointing authority shall appoint a new committee, said committee to be organized as aforesaid. Motions must provide for the filing of reports by committees and the mailing of copies to the Town Meeting Members.

2. **RECESS.** A recess shall be called within every two-hour period of a session.

3. ATTENDANCE RECORD. After the final adjournment of every Town Meeting, the Registrars shall post a complete attendance record on the public notice bulletin board at the Town Office Building.

4. PETITION. Any article appearing on the warrant by petition shall have appended thereto the name of the first person signing said petition and words "et al."

5. A copy of the ACTS and BY-LAWS and RULES and REGULATIONS pertaining to Town Meetings and adopted by the Town of Plymouth shall be mailed by the Town Clerk to every newly elected Town Meeting Member with notice of his election.

6. DIVISIBLE MOTION. Any motion which might be divisible, upon vote of the Town Meeting shall be divided and the question be put separately upon each part thereof.

7. NOTICE OF ADJOURNED MEETING. Notice of the time and place at which any adjourned session of a Town Meeting is to be held shall be posted on the public notice bulletin board at the Town Office Building by 9:30 a.m. of the day of the adjourned meeting.

Article 90. To see if the Town will vote in accordance with Section 110A of Chapter 41 of the General Laws to close the town offices on Saturday, providing the weekly hours are adjusted to conform with those set by the Personnel Board. (By Petition)

Committee recommends no action.

(Town Office Building should remain open as a service to the Town people.)

Mr. Alvin Tavares moved that the Town take no action under Article 90.

Mr. George Randall moved to amend the motion of Mr. Tavares by substituting the following: That the Town, in accordance with Section 110A of Chapter 41 of the General Laws, to close the town offices on Saturday, provided the weekly hours are adjusted to conform with those set by the

Personnel Board, and provided further that, by appointment, the services of any office, now open on Saturday morning, will be available to the public on any Saturday morning, but the motion to amend was lost.

The original motion was put before the Meeting and carried.

Article 91. To see if the Town will vote to raise and appropriate \$83 to reimburse Clarence H. Murphy for medical and hospital expenses incurred as a result of injuries received while acting as Attendance Officer for the School Department in 1961. (By Petition)

Committee recommends an appropriation of \$83.00.

Voted: (Unanimously) That the Town raise and appropriate \$83, to reimburse Clarence H. Murphy for medical and hospital expenses incurred as a result of injuries received while acting as Attendance Officer for the School Department in 1961.

Article 92. Will the Town direct the Moderator to appoint a new Committee of five members to review the Bruce Campbell Parking Survey Report of January, 1958, particularly as to Off-Street Parking in the North-Brewster Street Site with such modifications and revised cost estimates as are desirable and make an appropriation therefor. The Committee shall hold hearings and report to the Town before January, 1963. (By Petition)

Committee recommends favorable action and an appropriation of \$1,000., provided such committee be authorized to study all Off-Street Parking problems, to hold hearings, and report back at the next annual town meeting.

Mr. Alvin Tavares moved that the Town direct the Moderator to appoint a Committee of five members to review the Bruce Campbell Parking Survey Report of January, 1958, and to study all Off-Street Parking problems, to hold hearings, and report back at the next annual Town Meeting, and make an appropriation of \$1,000 therefor.

Mr. Alan Russell moved to amend the motion of Mr. Tavares by substituting the following: That the Town direct the Moderator to appoint a Committee of five members to

review all questions relating to traffic and parking facilities in the Town of Plymouth and that there be raise and appropriated the amount of \$1,000 to cover expenses of the committee. Said Committee to make use of any and all studies, reports, that may now exist and to make studies of their own and to report back to the next annual Town Meeting, and it was so voted.

Mr. Howard Barnes moved to amend the motion of Mr. Russell, but the motion was lost.

Article 93. Will the Town vote to discharge the Committee authorized under Article 121 of the March, 1957 Town Meeting and direct the present Moderator to appoint a new special committee to prepare, for acceptance by the Town, a revision of the General By-laws of the Town and the updating of list of special Legislative Acts accepted by the Town, together with the various dates of acceptance or adoption and a brief description of the special Legislative Acts.

(By Petition)

Committee recommends favorable action.

Voted: That the Town discharge the Committee authorized under Article 121 of the March, 1957 Town Meeting and direct the Moderator to appoint a new special committee to prepare, for acceptance by the Town, a revision of the General By-Laws of the Town and the updating of lists of special Legislative Acts accepted by the Town, together with the various dates of acceptance or adoption and a brief description of special Legislative Acts.

Article 94. To see if the Town shall instruct the Selectmen to investigate the advisability of entering into a contract for the maintenance of all town-owned office machines. The Selectmen to report back to the Advisory and Finance Committee by December 22, 1962.

(By Petition)

Committee recommends favorable action.

(Savings will be obtained.)

Voted: That the Town authorize the Selectmen to investigate the advisability of entering into a contract for the

maintenance of all town-owned office machines, and to report back to the Advisory and Finance Committee by December 22, 1962.

Article 95. To see if the Town will vote to authorize the Town Moderator to appoint a committee of three by May 1, 1962 to investigate the feasibility of constructing a municipal garage to accommodate vehicles of various town departments; this committee to bring in a recommendation at the next town meeting, and make an appropriation therefor.

(By Petition)

Committee recommends favorable action and an appropriation of \$100.

Voted: That the Town authorize the Town Moderator to appoint a Committee of three by May 1, 1962, to investigate the feasibility of constructing a municipal garage to accommodate vehicles of various town departments; this committee to bring in a recommendation at the next annual Town Meeting, and make an appropriation of \$100 therefor.

Article 96. To see if the Town will vote to raise and appropriate a sum of money for the purpose of printing the current Assessors' valuation list; said list to be distributed in 1962. This appropriation to be expended under the direction of the Board of Selectmen.

(By Petition)

Committee recommends favorable action and an appropriation of \$5,700. (Committee feels all taxpayers should be permitted to ascertain that all assessments are fair and equal to bear the burden of the projected capital outlay program which the Town is anticipating.)

Mr. Edward Chase moved, and it was voted by a show of hands, 112 in the affirmative, 4 in the negative, to stop debate on Article 96.

Voted: That the Town take no action under Article 96.

Mr. John Fillebrown moved to adjourn until Saturday, March 31st at 2:00 p.m., but the motion was lost.

Article 97. To see if the Town shall instruct the Selectmen to investigate the feasibility of entering into a contract for fleet insurance coverage on all town-owned vehicles. The Selectmen to report back to the Advisory and Finance Committee by December 22, 1962.

(By Petition)

Committee recommends favorable action.

(Savings will be obtained and proper coverage for all town owned vehicles will be in effect.)

Voted: That the Town authorize the Selectmen to investigate the feasibility of entering into a contract for fleet insurance coverage on all town-owned vehicles. The Selectmen to report back to the Advisory and Finance Committee by December 22, 1962.

Article 98. To see if the Town shall vote to accept a Conflict of Interest By-Law. (By Petition)

Committee recommends the following Conflict of Interest By-Law be accepted for the Town's protection.

CONFLICT OF INTEREST BY-LAW

Section 1. No officer of the Town authorized to borrow money or to make any contract or purchase in behalf of the town shall be personally interested in any loan, contract, or purchase which he or any board of which he is a member makes on behalf of the town.

Section 2. No member of the Board of Selectmen, either personally or through any of his employees, or through any other person, shall receive any compensation, except his official salary, for work done or materials furnished by him or them for the town.

Section 3. No town officer and no salaried employee of the town shall sell material or supplies to the town without the permission of the Board of Selectmen expressed in a vote which shall appear on their records with the reasons therefor.

Section 4. No town officer and no salaried employee of the town shall receive any compensation or commission for work done by him for the town, except his official salary and fees allowed by law, without the permission of the Selectmen expressed in a vote which shall appear on their records with the reasons therefor.

Voted: That the Town study this Conflict of Interest By-Law and act on it at a future Town meeting.

Article 99. To see what action the Town will vote to take with regard to certain unexpended appropriation balances. (By Petition)

Committee recommends to turn back \$19,212.94 as listed.

Joint Shellfish Project #4733	\$519.72
Waterfront Protection — Bartlett Brook	500.00

Waterfront Protection — Ellisville	250.00

---------------------------------------	-------

Article 100. To see what action the Town will take to further the 1962 Thanksgiving Day Program and make an appropriation therefor. (By Petition)

Committee makes no recommendation.

No motion offered under this Article.

Article 101. To see if the Town will vote to change the name of "Center Street," White Horse Beach to "Asiaf Way" in memory of Dr. Bolis Asiaf. (By Petition)

Committee makes no recommendation.

Mrs. Sarah C. Nagle moved that the Town change the name of "Center Street" White Horse Beach to "Asiaf Way" in memory of Dr. Bolis Asiaf, and it was so voted.

Mr. Howard Barnes moved that Articles 102 and 103 be taken up together for discussion purposes only, and it was so voted.

Article 102. To see if the Town will authorize the Board of Selectmen to appoint a permanent Harbor Committee of eleven members consisting of the Harbor Master, 1 from the Chamber of Commerce, 1 Lobster Fisherman, 1 member of the Plymouth Yacht Club, 1 Master Mariner or Harbor Pilot, 1 Party Boat Owner, 1 Dragger Fisherman, 1 Pleasure Boat Owner, 2 Boat Yard Operators and 1 Member-at-Large; said members to be appointed four for one year, four for two years and three for three years and thereafter for 3-year terms. Said Committee to study all phases of the shore frontage of the Town, including the harbor and the use and operation of any and all waterfront facilities, shore protection, landings and beaches. Said Committee to make recommendations to the Board of Selectmen and to draft suggested rules and regulations for the operation and conduct of any waterfront or harbor facilities and to assist said Board in its duties in connection with the entire waterfront. Said Harbor Committee shall issue a report of their yearly activities to the annual town meeting. (By Petition)

Committee makes no recommendation.

Mr. James Frazier moved that the Town authorize the Board of Selectmen to appoint a permanent Harbor Committee of eleven members consisting of the Harbor Master, 1

from the Chamber of Commerce, 1 Lobster Fisherman, 1 member of the Plymouth Yacht Club, 1 Master Mariner or Harbor Pilot, 1 Party Boat Owner, 1 Dragger Fisherman, 1 Pleasure Boat Owner, 2 Boat Yard Operators and 1 Member-at-Large; said members to be appointed four for one year, four for two years and three for three years and thereafter for 3-year terms. Said Committee to study all phases of the shore frontage of the Town, including the harbor and the use and operation of any and all waterfront facilities, shore protection, landings and beaches. Said Committee to make recommendations to the Board of Selectmen and to draft suggested rules and regulations for the operation and conduct of any waterfront or harbor facilities and to assist said Board in its connection with the entire waterfront. Said Harbor Committee shall issue a report of their yearly activities to the annual Town Meeting, and it was so voted.

Article 103. Will the Town authorize a standing Plymouth Harbor Committee consisting of seven members who shall be appointed by the Selectmen for one-year terms starting May first each year. This committee shall consist of the Harbor Master, two members-at-large and one member each who shall be an active member of and shall be nominated by the following four agencies: Selectmen, Planning Board, Industrial Commission and Plymouth Yacht Club. These last four listed members shall be nominated before April 15th each year, or to fill later vacancies, and failure to submit such nominations shall authorize the Selectmen to fill the vacancy by appointment-at-large. Membership on the Committee shall terminate when such member ceases to be a member of his agency. The Committee shall consider all matters relating to the use, development, fees, rentals, regulations, improvement and facilities of Plymouth Harbor, of the waterfront and of the Town Wharf. It shall hold public hearings as desirable and shall report to the Selectmen and to the Town on any policy deserving consideration. An annual report shall be filed. Appropriations for operating said Committee shall be included in the Selectmen's annual budget. (By Petition)

Committee makes no recommendation.

No motion offered under this Article.

Article 104. To see if the Town will vote to sell to Gordon L. Howland, the land now leased to him on the Town Wharf Lot and shown as Lots 11A and 13 and a strip of land, 8.65 feet wide abutting Lots 14 and 14A on plan entitled "Land at Town Wharf, Plymouth, Mass., Scale: 1 inch=40 feet, November 1, 1951, Edward Chase, Town Engineer."

(By Petition)

Committee recommends no action.

Planning Board recommends no action.

Mr. Alvin Tavares moved that the Town take no action under Article 104.

Mr. Thomas Quinn moved to amend the motion of Mr. Tavares by substituting the following: That the Town sell to Gordon L. Howland the land now leased to him on the Town Wharf Lot and shown as Lots 11A and 13 and a strip of land, 8.65 feet wide abutting Lots 14 and 14A on plan titled "Land at Town Wharf, Plymouth, Mass., Scale: 1" = 40', November 1, 1951, Edward Chase, Town Engineer," but the motion to amend was lost.

The original motion was put before the Meeting and voted.

Article 105. To see what amount the Town will vote to transfer from available funds to reduce the tax levy of the current year.

(By Petition)

Committee recommends \$200,000.

Voted: That the Town authorize and direct the Assessors to take \$200,000, from available funds to reduce the tax levy of the current year.

Article 106. To see what amount the Town will vote to transfer from available funds for the Stabilization Fund as authorized by the provisions of Chapter 124 of the Acts of 1945.

(By Petition)

Committee recommends \$129,000.

Voted: That the Town transfer from available funds the sum of \$129,000, for the Stabilization Fund, as authorized by the provisions of Chapter 124 of the Acts of 1945 and recommended by the Advisory and Finance Committee.

Mr. Walter Burke suggested that in all future Town Meetings, the Town Moderator shall call for one minute of silent tribute (standing) to all present within the Meeting. This said Tribute is for the respect and memory for the deceased members of our Town Government, and it was entertained at the end of this session.

At 12:10 o'clock a.m., Mr. Edward Chase moved that the Meeting adjourn, and it was so voted.

Less: Total Appropriations \$4,020,256.11

Art. 7:

(a) From Street Parking Meters	\$1,500.00
Police Treasurer	50.00
(b) From Mem. Bldg. Parking Lot	1,000.00

M. HERBERT CRAIG
Town Clerk

Classification and Compensation Plans and Personnel By-Law

RECOMMENDED BY THE PERSONNEL BOARD

Section 1. Authorization

Pursuant to the authority contained in Section 108A of Chapter 41 of the General Laws there shall be established plans, which may be amended from time to time by vote of the Town at a Town meeting; (a) classifying positions in the service of the Town, other than those filled by popular election, those under the direction and control of the School Committee, those under the jurisdiction of the Board of Public Welfare or under the jurisdiction of the Board of Retirement, the position of Town Counsel, certain positions for which the compensation is on a fee basis or the incumbents of which render intermittent or casual service and which do not appear in Schedule A of Section 8 following, into groups and classes doing substantially similar work or having substantially equal responsibilities; (b) authorizing a compensation plan for positions in the classification plan and (c) providing for the administration of said classification and compensation plans.

Section 2. Definitions

As used in this by-law, the following words and phrases shall have the following meanings unless a different construction is clearly required by the context or by the laws of the Commonwealth:

“Town,” the Town of Plymouth;

“Civil Service Law,” Chapter 31 of the General Laws of the Commonwealth, as amended and all rules and regulations made thereunder; and any special law enacted by the General Court regulating the classification, compensation and conditions of employment of officers and employees of the Town under Chapter 31;

“Classification Plan,” class titles of Schedule A of Section 8 of this by-law plus class specifications which are on file with the Personnel Board and which are hereby incorporated by reference;

“Class,” a group of positions in the Town service sufficiently similar in respect to duties and responsibilities so that

the same descriptive title may be used to designate each position allocated to the class, that the same qualifications shall be required of the incumbents, that the same tests of fitness may be used to choose qualified employees and that the same scale of compensation can be made to apply with equity;

“Position Class,” same as class (a class may include only one position in which event it is defined as a “single position class”);

“Group,” an occupational group of classes appearing in Schedule A of Section 8;

“Department Head,” the officer, board, or other body having immediate supervision and control of a department;

“Employee,” an employee of the Town occupying a position in the classification plan;

“Department,” any department, board, committee, commission or other agency of the Town subject to this by-law;

“Administrative Authority,” the elected official or board, or the appointed official having jurisdiction over a function or activity;

“Full-time employment,” employment for not less than seven and one-half hours per diem for five days a week for fifty-two weeks per annum, minus legal holidays and authorized vacation leave, sick leave, bereavement leave, and other leave of absence;

“Part-time employment,” employment for less than full-time employment, as defined above;

“Continuous employment,” employment uninterrupted except for required military service and for authorized vacation leave, sick leave, bereavement leave, or other leave of absence;

“Full-time employee,” an employee retained in full-time employment;

“Part-time employee,” an employee retained in part-time employment;

“Position,” an office or post of employment in the Town service with duties and responsibilities calling for the full-time or part-time employment of one person in the performance and exercise thereof;

"Permanent position," any position in the Town service which has required or which is likely to require the services of an incumbent without interruption for a period of more than six calendar months, either on a full-time or part-time employment basis;

"Permanent employee," (1) any employee retained on a continuing basis in a permanent position, as defined above; (2) any employee holding a permanent appointment under Civil Service Law to a position deemed permanent within the meaning of said law;

"Temporary position" or "seasonal position," any position in the Town service which requires or is likely to require the services of one incumbent for a period not exceeding six calendar months; a seasonal position requiring less than the work week of its occupation group shall be considered as part-time;

"Temporary employee," (1) an employee retained in a temporary or seasonal position as defined above; (2) any employee holding a temporary appointment under Civil Service Law who does not also have permanent status thereunder;

"Intermittent service," personal service rendered by an employee in a position calling for part-time employment, which service although constituting continuous employment is not rendered during prescribed working hours, daily, weekly or annually, but is rendered as required, according to the demands for such service;

"Casual service," personal service rendered by an employee in a position calling for part-time employment, which service does not constitute continuous employment; this service is rendered occasionally and without regularity according to the demands therefor;

"Compensation Plan," Schedules B through D in Section 8;

"Compensation Grade," a range of salary or wage rates appearing on Schedule B or Schedule C of Section 8;

"Rate," a sum of money designated as compensation for hourly, weekly, semi-monthly, monthly or annual personal services;

"Minimum Rate," the rate in a range which is normally the hiring rate of a new employee;

“Maximum Rate,” the highest rate in a range which an employee normally is entitled to attain;

“Range,” the dollar difference between minimum and maximum rates;

“Personal Rate,” a rate above the maximum rate applicable only to a designated employee;

“Step Rate,” a rate in a range of a compensation grade;

“Increment,” the dollar difference between step rates;

“Promotion,” a change from a position of lower class and compensation grade to a position with greater responsibilities in a higher class and compensation grade;

“Board,” the Personnel Board as defined in Section 3.

Section 3. Personnel Board

(a) There shall be a Personnel Board consisting of three members responsible for the administration of the classification and compensation plans. The membership of the Board shall be as follows:— One member to be appointed by the Finance Committee; one employee, who does not serve the Town in an elective capacity, to be appointed by the Board of Selectmen; one citizen of the Town, who does not serve the Town in either an appointive or elective capacity, to be appointed by the Moderator. The term of office shall be for three years; members of the Board at the time this by-law is adopted will continue in office until the terms to which they were appointed have expired. Vacancies, other than by expiration of terms, shall be filled in the same manner and by the same authority for the balance of the unexpired term.

(b) The Board shall be invested with all the powers and duties specified in Section 108C of Chapter 41 of the General Laws.

(c) The Board shall administer the plans and shall establish such procedures as it deems necessary for the proper administration thereof.

(d) Forthwith after its appointment and annually, the Board shall meet and organize by electing a chairman and appointing a secretary. A majority of the Board shall constitute a quorum for the transaction of business. A majority vote of the Board shall determine the action the Board must take in all matters upon which it is authorized or required to pass under this by-law.

(e) The Board may employ assistance and incur expenses as it deems necessary subject to the appropriation of funds therefor.

(f) The Board shall maintain adequate personnel records of all employees occupying positions subject to the classification and compensation plans, said records to be kept in its custody. Department Heads shall provide such information as the Board may request.

(g) The Board shall maintain written job descriptions or specifications of the classes in the classification plan, each consisting of a statement describing the essential nature of the work and the characteristics that distinguish the class from other classes. The description for any class shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be, or as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

(h) The Board shall make an annual report in writing to the Board of Selectmen on or before January 20 of each year.

Section 4. Classification Plan

(a) All positions in the service of the Town except those excluded in Section 1 are hereby classified by titles appearing in Schedule A of Section 8 which is made a part hereof. These classes of positions shall constitute the Classification Plan for the paid Town service, within the meaning of Section 108A of Chapter 41 of the General Laws, as amended.

(b) Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall allocate such new or changed position to its appropriate class, as hereinafter provided.

(c) The title of each class, as established by the Classification Plan shall be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position.

(d) No position may be reclassified or no class may be assigned to a different compensation grade, until the Personnel Board shall have determined such reclassification or such reassignment to be consistent with the classification and compensation plans.

Section 5. Compensation Plan

(a) The Compensation Plan shall consist of Schedules B through D in Section 8 which provide minimum and maximum salaries or wages for certain of the classes in the Classification Plan. The salary range of a position class shall be the salary range of all positions allocated to the class.

(b) All employees shall continue to be paid on an hourly, weekly, semi-monthly, annual, or other basis, as at present, except as provided in the compensation plan, unless otherwise authorized by the Personnel Board.

(c) No department head shall fix the salary of any employee in a position so classified except in accordance with the compensation plan.

(d) No person shall be appointed, employed or paid as an employee in any position subject to the provisions of the classification plan under any title other than those appearing on Schedule A of Section 8.

(e) An employee in continuous full-time or part-time employment shall receive the increment between his present rate and the next higher step rate as follows:

- (1) On January first provided he has completed thirty weeks service at the minimum or other rate if a rate other than the minimum is authorized as his entrance rate.
- (2) Thereafter one year from the date of his previous increase until he attains the maximum rate of the range of the compensation grade to which his position class is assigned.
- (3) Employees in continuous part-time employment eligible for increments under the provisions of this sub-section shall be those occupying positions in classes for which compensation is provided in Schedule B or Schedule C of Section 8.

(f) An employee occupying a seasonal position in a class for which compensation is provided in Schedule B or Sched-

ule C or Section 8 shall receive increments as provided in the preceding sub-section on the basis of thirty weeks employment constituting one year. This employment need not be continuous but to retain any rate above the entrance rate, the employee must work some part of each subsequent year.

(g) An employee receiving a promotion to a vacant position or to a new position as defined in Section 4 (b) shall, upon assignment resulting from such promotion, receive the rate in the compensation grade of the vacant or new position next above his existing rate. If the resulting adjustment does not equal \$100.00 for a position class assigned to Schedule B or \$.05 for a position class assigned to Schedule C, the adjustment shall be to the second rate above the existing rate but within the compensation grade of the vacant or new position.

(h) The employee receiving a promotion and adjustment in rate pursuant to the provisions of the preceding sub-section shall receive the next increment of his compensation grade effective the next January first following completion of thirty weeks at the rate resulting from the promotion.

(i) Each department head of a department to which is assigned an employee occupying a position in the classification plan shall include in his estimates required by the provisions of Section 59 of Chapter 41 of the General Laws a pay adjustment section setting forth in detail the amounts which will be required for anticipated pay adjustments during the ensuing year and shall furnish a copy thereof to the Board.

(j) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

Section 6. Amendment of the Plans

(a) The classification plan and/or the compensation plan and/or other provisions of this by-law may be amended by vote of the Town at either a regular or a special Town Meeting. Requests for such amendments shall be made to the Board by signed petition. Whenever such a petition is received, the Board shall promptly hold a hearing to consider such proposed amendment, and the petitioners and the heads of the departments affected shall be given at least three days written notice. Prior to the next Town Meeting, the Board shall file with the Selectmen for insertion in the warrant for the next Town Meeting an article sufficiently stated to permit

the Town to act upon the subject matter of any such petition. At the same time the Board shall file with the Finance Committee a final report, with recommendations, pertaining to any such petition, provided, that no recommendation in favor of a proposed amendment shall be made except by an affirmative vote of two of its members.

(b) The Board may, from time to time of its own motion, hold a hearing to consider any proposed amendment. In the event said proposed amendment is supported by an affirmative vote of two of its members, the Board shall proceed according to the preceding sub-section to insert an article in the warrant and to report its recommendation to the Finance Committee.

Section 7. Continuing Review

(a) The Board from time to time, of its own motion, shall investigate the work and standard rates of salaries or wages of any or all positions subject to the provisions of this by-law. Such reviews shall be made at such intervals as the Board deems necessary and, to the extent which the Board considers practicable, shall include all occupational groups in the classification plan.

(b) The Board shall consider changes in departmental organization structure, operating procedures or work load which may result in service rendered by an employee occupying a position changing from intermittent or casual to continuous employment. Such a change may be the basis of a recommendation by the Board to amend the compensation plan so that a position class found to require continuous employment would be moved from Schedule D to Schedule B or Schedule C of Section 8.

Section 8. Position Classes; Salary, Wage and Miscellaneous Compensation Schedules

The following schedules, together with class specifications previously incorporated by reference, constitute the classification and compensation plans of the Town as defined in Section 2:

SCHEDULE A — Classification of Positions by Occupational Groups and Assignment to Compensation Grades or to the Miscellaneous Schedule

SCHEDULE B — Annual Salary Schedule

SCHEDULE C — Hourly Wage Schedule

SCHEDULE D — Miscellaneous Compensation Schedule
for Part-Time and Seasonal Positions

- (a) Hourly rate for forest fires only pursuant to departmental rules and regulations.
- (b) If service less than 12 months rate is \$36.00 per month.
- (c) Less value of concession as determined by Park Commissioners.
- (d) If less than 40 hours, rate is \$1.60 per hour.
- (e) Park Dept., \$1.25; other, \$1.50.
- (f) If less than eight hours, rate is \$1.90 per hour.

Section 9. Part-time Positions Classified in Clerical Group

Employees occupying clerical positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan:

Compensation Grade	Minimum	II	III	IV	Maximum
S-1	\$1.29	\$1.34	\$1.39	\$1.45	\$1.51
S-5	1.50	1.57	1.63	1.70	1.77
S-6	1.57	1.63	1.70	1.77	1.84
S-7	1.63	1.70	1.77	1.84	1.91

Section 10. Part-Time Positions Classified in the Library Group

Employees occupying library positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan.

Compensation Grade	Minimum	II	III	IV	Maximum
S-2	\$1.26	\$1.31	\$1.36	\$1.42	\$1.48
S-4	1.36	1.42	1.48	1.54	1.60

Section 11. Part-Time Positions Classified in the Custodial Group

Employees occupying custodial positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan.

Compensation Grade	Minimum	II	III	IV	Maximum
S-8	\$1.45	\$1.51	\$1.57	\$1.63	\$1.70
S-9	1.51	1.57	1.63	1.70	1.77

Section 12. Fringe Benefits and Working Conditions

(a) Pursuant to the authority contained in Section 108C of Chapter 41 of the General Laws, certain fringe benefits as set forth in subsequent sections of this by-law are hereby granted to employees occupying positions in the classification plan. The fringe benefits are considered to be a part of the compensation plan and the monetary value thereof shall be extended to eligible employees in addition to rates set forth in the appropriate salary or wage schedule.

(b) Additional fringe benefits and/or working conditions may be added to the by-law or fringe benefits and/or working conditions may be amended from time to time by vote of the Town at a Town Meeting.

Section 13. Initial Application of the Compensation Plan

(a) Upon the adoption of this by-law, salary and wage rates for affected employees shall be adjusted as follows:

- (1) Retroactive to the first of the year of adoption if at an annual Town Meeting.
- (2) Effective the beginning of the month following adoption if at a special Town Meeting prior to the establishment of the tax rate for that year.
- (3) Effective the January first following adoption if at a special Town Meeting later than the establishment of said tax rate.

(b) The rate of each employee occupying a position, the compensation of which is provided for in Schedule B or Schedule C of Section 8 shall be adjusted, based on his prior service in said position, according to the formula set forth in Section 5 (e) or 5 (f).

(c) The rate of each employee occupying a position, the compensation of which is provided for in Schedule D of Section 8 shall be adjusted to the rate for his position class as set forth in this schedule.

(d) If an employee's rate at the time of the adoption of this by-law is in excess of the maximum rate set forth in his appropriate compensation grade in Schedule B or Schedule C of Section 8 or is in excess of the rate set forth for his position class in Schedule D of Section 8, this rate shall not be reduced but shall become a personal rate applicable only to said employee as defined in Section 2.

(e) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

Section 14. Work Week

The work week for full-time or seasonal employment in each occupational group shall be as follows:

Group	Work Week	
Clerical Group	37.5 hours	
Library Group	40	"
Recreation Group:		
Instructors	30	"
Supervisor	35	"
Life Guards	40	"
Custodial Group	44-48	" (a)
Labor Group	40-48	" (a)
Public Safety Group:		
Police (full-time)	40	"
Fire (full-time)	56	" (b)
Others	As Required	
Administrative Group	As Required	
Supervisory Group	As Required	

- (a) As set forth by departments in Exhibit B of the Wage and Salary Classification by-law effective as of January 1, 1961.
- (b) Member of uniformed force assigned as departmental master mechanic considered in Administrative Group while performing the duties of this position.

Section 15. Overtime Compensation

(a) Clerical Group

An employee shall be compensated at the hourly rate set forth in Section 9 which corresponds to his step rate designation in the corresponding compensation grade on Schedule B, Section 8, for hours worked in excess of those constituting his work week as set forth in Section 14 except for attendance at evening meetings which shall be considered as part of the basic work week of 37.5 hours.

(b) Library Group

An employee shall be compensated at the hourly rate set forth in Section 10 which corresponds to his step rate designation in the corresponding compensation grade in Schedule B, Section 8, for hours worked in excess of those constituting his work week as set forth in Section 14.

(c) Custodial Group

Positions classified in this group may receive compensation at the hourly rates set forth in Section 11 for hours worked in excess of forty-four weekly.

(d) Labor Group

An employee shall be compensated at one and one-half times his regular hourly rate for hours worked in excess of those set forth for the department to which he is assigned, incorporated in Section 14 by reference.

(e) Public Safety Group

(1) An employee in full-time employment called back for duty on his scheduled day off shall receive one fifth of his weekly rate for such duty provided the duty consists of an assigned shift of not less than eight hours.

(2) An employee of the Fire Department in full-time employment who responds to a box alarm pursuant to the administrative rules of the department may be compensated at an hourly rate determined by the Public Safety Commission which rate shall not exceed one-fortieth of the employee's weekly rate.

(3) An employee of the Police or Fire Departments in full-time employment who is required to work more than one hour beyond his scheduled tour of duty may be compensated at an hourly rate determined by the Public Safety Commission which rate shall not exceed one-fortieth of the employee's weekly rate.

(4) Nothing in the preceding sub-section shall be construed to permit the payment of such overtime rate for court appearances on the part of an employee during other than his assigned shift.

(5) An employee in other than the Police or Fire departments shall not receive overtime compensation. However, nothing in this sub-section shall be construed to deny compensation to an employee on an hourly rate in the group at his hourly rate multiplied by the number of hours worked and approved by his department head for any designated pay period.

(f) Administrative and Supervisory Groups

(1) Employees occupying positions classified in these groups are not entitled to overtime compensation as

set forth in Section 14, except as provided in the paragraph below. However, compensatory time may be granted an employee at the convenience of his department head for hours worked and approved in excess of forty in any one week.

(2) Highway foremen shall during snow plowing, sanding or snow removal operations, be paid for hours worked in excess of forty in one week at the hourly rates appearing in Compensation Grade W-10. If the employee's regular rate is Step III or below in Compensation Grade S-12, he shall be paid the minimum rate of Compensation Grade W-10; if above Step III, he shall be paid the appropriate rate above the minimum.

Section 16. Paid Holidays

(a) The following days or dates shall be recognized as legal holidays within the meaning of this by-law:

New Year's Day	First day of January
Washington's Birthday	22nd of February
Patriots Day	19th of April
Memorial Day	30th of May
Independence Day	4th of July
Labor Day	First Monday of September
Columbus Day	12th of October
Veterans' Day	11th of November
Thanksgiving Day	The Thursday in November so proclaimed
Christmas Day	25th of December

on which days employees shall be excused from all duty not required to maintain essential Town services.

(b) Every employee in full-time or continuous part-time employment shall be entitled to these designated holidays on the following terms:

(1) If paid on an hourly basis he shall receive one day's pay at his regular rate based on the number of hours regularly worked on the day on which the designated holiday occurs;

(2) If paid on a weekly, semi-monthly or annual basis, he shall be granted each designated holiday without loss in pay.

(c) Payment under the provisions of this section shall be made provided the eligible employee shall have worked on his last regularly scheduled working day prior to and his next regularly scheduled working day following such holiday, or was in full pay status on such preceding and following days in accordance with other provisions of this by-law.

(d) An employee in continuous employment, occupying a position in other than the Public Safety or Supervisory Groups who performs work on one of the days designated in sub-section (a) shall be paid at his regular rate for such day or fraction thereof (except as provided under sub-section [g], following) in addition to the amount to which he is entitled under sub-section (b)

(e) At the request of the employee, he may be granted compensatory time off at the convenience of the department in lieu of payment provided under sub-section (d).

(f) An employee in continuous employment, in other than the Police or Fire Departments, who, because of a rotation of shifts, works different days in successive weeks shall be granted, in each year in which the number of holidays falling on his regular days off is in excess of the number of holidays in that year falling on Saturday, additional days off equal to the excess.

(g) An employee in continuous employment, who performs scheduled inspection or maintenance work for part of one or more of the days or dates designated in sub-section (a) shall be entitled to one additional day off each year if he is required to perform duties on three such days or dates in a period of twelve months.

(h) Whenever one of the holidays set forth in sub-section (a) falls on a Sunday, the following day shall be the legal holiday.

Section 17. Vacation Leave

(a) An employee in continuous service shall be granted two weeks vacation with pay provided he has completed thirty weeks of service prior to June first.

(b) The employee eligible for the vacation allowance provided under sub-section (a) must complete this allowance within fourteen consecutive calendar days beginning on a scheduled work day or within two periods of seven consecutive days each beginning on a scheduled work day.

(c) Exceptions to the requirements of sub-section (b) permitting an employee to schedule his vacation allowance in a different manner may be made with the approval of the employee's department head if his scheduled work week is Monday through Friday or part thereof.

(d) In addition to the vacation allowance provided in sub-section (a), each employee who has (or will have) completed ten years of service shall, in the year during which this length of service has been or will have been completed, be granted additional vacation with pay at the rate of one day for each year in excess of nine years of completed service up to a maximum allowance of fifteen days to which the employee shall be entitled in the year during which fourteen years of service has been or will have been completed.

(e) Vacation allowance granted under sub-section (d) shall be taken separately from that granted under sub-section (a) unless approved by the employee's department head and the Personnel Board.

(f) Upon the death of an employee who is eligible for vacation under these rules, payment shall be made to the estate of the deceased in an amount equal to the vacation allowance as accrued in the vacation year prior to the employee's death but which had not been granted. In addition, payment shall be made for that portion of the vacation allowance earned in the vacation year during which the employee died up to the time of his separation from the payroll.

(g) Employees who are eligible for vacation under these rules and whose services are terminated by dismissal through no fault or delinquency of their own, or by retirement, or by entrance into the armed forces, shall be paid an amount equal to the vacation allowance as earned, and not granted, in the vacation year prior to such dismissal, retirement, or entrance into the armed forces. In addition, payment shall be made for that portion of the vacation allowance earned in the vacation year during which such dismissal, retirement, or entrance into the armed forces occurred up to the time of the employee's separation from the payroll.

(h) Absences on account of sickness in excess of that authorized under the rules therefor or for personal reasons as provided for under other leave may, at the discretion of the department head, be charged to vacation leave.

(i) An employee, unless receiving pay for such a day or date under the provisions of Section 17A of Chapter 147 or Section 57A of Chapter 48 of the General Laws, shall be granted an additional day of vacation if, while on vacation leave, a designated holiday occurs which falls on or is legally observed on Monday, Tuesday, Wednesday, Thursday or Friday.

(j) Vacation allowances provided under the terms of this section must be taken before December 31st in the calendar year earned. Such vacation shall be granted by the head of the respective department of the Town at such time as, in his opinion, will cause the least interference with the performance of the regular work of the Town.

Section 18. Sick Leave

(a) An employee in continuous employment who has completed thirty weeks of service following original employment shall be allowed fifteen days leave with pay each calendar year or one and one quarter days for each month thereof if in any year his employment is less than thirty weeks, provided such leave is caused by sickness or injury or by exposure to contagious disease.

(b) An employee in continuous employment shall be credited with the unused portion of leave granted under subsection (a) up to a maximum of sixty days.

(c) An employee in continuous employment shall, subject to the limitation of sub-section (b), be credited with three days unused leave for each year of employment or fraction thereof ending on December 31st prior to the adoption of this by-law. An employee occupying a temporary or seasonal position shall not be credited with unused sick leave beyond his current period of employment.

(d) If the amount of leave credit provided under subsection (b) has been or is about to be exhausted, an employee may make application for additional allowance to that provided under sub-section (a). Such application shall be made to the Board which is authorized to grant such additional allowance as it may determine to be equitable after reviewing all circumstances including the employee's attendance and performance record prior to conditions supporting his request for the additional allowance.

(e) Sick leave must be authorized by the department head and must be reported, on blanks provided for same, to the Board.

(f) A physician's certificate of illness shall be submitted by the employee after three days absence to his department head before leave is granted under the provisions of this Section. This certificate shall be forwarded by the department head to the Board.

(g) The Board may of its own motion, require a medical examination of any employee who reports his inability to report for duty because of illness. This examination shall be at the expense of the Town by a physician appointed by the Board.

(h) Injury, illness or disability self-imposed, or resulting from the use of alcohol or drugs shall not be considered a proper claim for leave under this Section.

(i) Payments made under the provisions of this section shall be limited to an employee who is receiving Workmen's Compensation payments to the difference between the amount paid in Workmen's Compensation and the employee's regular rate.

(j) In the event of payments made to an employee under the preceding sub-section, the Board may debit the employee's sick leave accrual by such amounts as it determines to be equitable in relation to such payments.

(k) Nothing in this section shall be construed to conflict with Section 100 of Chapter 41 of the General Laws.

Section 19. Bereavement Leave

Emergency leave up to three days may be allowed for death in an employee's immediate family (wife, husband, mother, father, child, brother or sister).

Section 20. Other Leave

Absences for personal reasons may be charged to vacation leave upon application by the employee and approved by his department head. Such absences, however, may not be charged to vacation leave beyond that which the employee has earned by the time of such application.

Section 21. Physical Examination

Before appointment to a position in the classification plan requiring continuous service or to a seasonal position designated by the Board, a candidate shall have passed a physical

examination satisfactory to the Board. The examining physician shall be appointed by the Board and the examination shall be at the expense of the Town. The examining physician shall advise the Board as to whether or not, in his opinion, the applicant is physically qualified to perform the duties of the position for which application has been made and the applicant shall complete a questionnaire which the Board will design. The examining physician's report shall be confidential and shall be deposited with the Board of Retirement.

Section 22. Operation of By-Law

This By-Law shall be operative only as to employees whose positions are classified hereunder and for which positions minimum and maximum salaries, or single-rated salaries, have been established by vote of the Town at a Town Meeting.

Section 23. Civil Service Law

Nothing in this by-law shall be construed to conflict with Chapter 31 of the General Laws.

Section 24. Effect of Partial Invalidity

The invalidity of any section of this by-law shall not invalidate any other section or provision thereof.

Special Town Meeting, September 6, 1962

7:30 p.m. Meeting

The Special Town Meeting was called to order by the Moderator, George A. White at 7:45 o'clock p.m.

The number of Town Meeting Members present, as reported by records of the tellers, was 174. The Moderator declared a quorum present.

Mr. Ralph Drew moved that Articles 1 and 2 be taken up together for purposes of discussion only; that Articles 1 and 2 be voted on separately, and it was so voted.

Article 1. To see if the Town will authorize the Selectmen to execute, on behalf of the town, a "Cooperation Agreement" between the town and the Plymouth Redevelopment Authority, providing for the cooperation required by the

Urban Renewal Administration of the Housing and Home Finance Agency of the United States with respect to the Urban Renewal Project for the Summer Street-High Street Urban Renewal Area, Project No. Mass. R-26 in the Town of Plymouth; said agreement containing provisions with respect to making local grants in aid, constructing public improvements, conveying town-owned land to the extent required, vacating certain streets, altering and widening certain streets, improving certain streets, crediting the town for the cost of certain of the foregoing, and other forms of cooperation; copies of a draft of which proposed agreement are on file in the Office of the Selectmen, the Plymouth Redevelopment Authority and the Town Clerk, or will take any other action with respect thereto.

Mr. Ralph Drew moved that the Town authorize the Selectmen to execute on behalf of the Town, a Cooperation Agreement between the Town and the Plymouth Redevelopment Authority providing for the cooperation required by the Urban Renewal Administration of the Housing and Home Finance Agency of the United States with respect to the Urban Renewal Project for the Summer Street-High Street Urban Renewal Area, Project No. Mass. R-26 in the Town; said agreement containing provisions with respect to making local grants-in-aid, constructing public improvements, conveying Town owned land to the extent required, vacating or altering and widening or improving certain streets, crediting the Town with the cost of certain of the foregoing, and other forms of cooperation. Such agreement is to be substantially in the form of the draft of proposed agreement on file at the office of the Selectmen, Plymouth Redevelopment Authority and Town Clerk prior to the meeting, but the Selectmen are authorized to bind the Town to pay the local cash grant-in-aid to the Plymouth Redevelopment Authority on a specific date not earlier than November 1, 1962 and to make such corrective and clarifying changes, or other changes required by said Urban Renewal Administration, as they consider necessary or desirable.

Voting by voice vote, the Moderator declared the motion carried.

Article 2. To see if the town, pursuant to the provisions of Section 26CC of the Housing Authority Law contained in Chapter 121 of the General Laws (Ter. Ed.) as most recently amended, will appropriate a sum of money for the purpose of defraying such part of the development, acquisition and operating costs of the Summer Street-High Street Urban Redevelopment Project No. Mass. R-26 in the Town of Plymouth, Massachusetts, as will not be met by definitive loans, contributions or grants from the Federal Government, and will authorize the treasurer, with the approval of the Selectmen and the Emergency Finance Board, to borrow the whole or any part of the same.

Mr. Ralph Drew moved that the Town raise and appropriate \$407,800.00 for the purpose of defraying such part of the development, acquisition and operating costs of the Summer Street-High Street Urban Renewal Project, No. Mass. R-26 in the Town as will not be met by definitive loans, contributions or grants from the Federal Government, and that to meet such appropriation \$7,800 be raised from available funds in the Treasury and the Treasurer, with the approval of the Selectmen and Emergency Finance Board, be authorized to borrow \$400,000 under Section 26 CC of Chapter 121 of the General Laws, as amended, and to issue bonds or notes of the Town therefor.

Mr. Howard Barnes moved that Article 2 be voted on by ballot vote, but the motion was lost.

Mr. Clifford Sampson moved that Article 2 be voted on by a show of hands and the motion was carried.

Voting by a show of hands, 170 in the affirmative, 1 in the negative, it was so voted.

Article 3. To see if the Town will vote to raise and appropriate from available funds, the sum of \$2,175.00 for the purchase of a tree-stumping machine for the Tree Warden's Department.

Voted: That the Town raise and appropriate from available funds, the sum of \$2,175 for the purchase of a tree-stumping machine for the Tree Warden's Department, this purchase to be put out to bid.

Article 4. To see if the Town will vote, in order to clarify the intent of the 1950 amendment, to amend the first sentence of paragraph ten of the Advisory and Finance Committee By-Laws, by adding, after the words "personal services," the words "other than labor payrolls," and by adding after the words "other expenses," the words "including labor payrolls," so that the whole sentence shall read: "The report of the Committee to the annual Town Meeting shall be in print and shall contain a list of the regular annual departmental budget recommendations, subdivided to whatever extent seems advisable to the Committee for vote by the Town, provided that salaries and personal services, other than labor payrolls, shall be segregated from other expenses including labor payrolls, that any contemplated outlay for departmental equipment in the amount of \$400 to \$1,000 shall be set forth in the list of appropriations and subject to a separate vote, and that any contemplated outlay for new equipment in the excess of \$1,000 shall be voted upon under a separate article."

Mr. Charles Sanderson moved that the Town take no action under Article 4.

Mr. James Frazier moved to amend Mr. Sanderson's motion by substituting the following: That the Town amend the first sentence of paragraph ten of the Advisory and Finance Committee By-Laws, by adding, after the words "personal services," the words "other than labor payrolls." and by adding, after the words "other expenses," the words "including labor payrolls," so that the whole sentence shall read: "The report of the Committee to the annual Town Meeting shall be in print and shall contain a list of the regular annual departmental budget recommendations, subdivided to whatever extent seems advisable to the Committee for vote by the Town, provided that Salaries and personal services, other than labor payrolls, shall be segregated from other expenses including labor payrolls, that any contemplated outlay for departmental equipment in the amount of \$400 to \$1,000 shall be set forth in the list of appropriations and subject to a separate vote, and that any contemplated outlay for new equipment in excess of \$1,000 shall be voted upon under a separate article." The motion was lost.

The original motion was put before the Meeting and was carried.

Article 5. To see what amount the Town will vote to raise and appropriate from available funds to purchase and equip one vehicle for the Health Department and trade in one 1958 Plymouth Station Wagon.

Mr. Charles Sanderson moved that the Town raise and appropriate from available funds the sum of \$2,500 to purchase and equip one 4-wheel drive vehicle for the Health Department and trade in one 1958 Plymouth Station Wagon.

Mr. Paul Withington moved to amend Mr. Sanderson's motion by substituting the following: That the Town raise and appropriate from available funds the sum of \$2,000 to purchase and equip one vehicle for the Health Department and trade in one 1958 Plymouth Station Wagon, it was so voted.

The original motion, as amended, was carried.

Article 6. To see if the Town will vote to raise and appropriate from available funds the sum of \$300.00 to be added to the Truck Allowance item in the General Administration Account of the budget of the Plymouth Park Department.

Voted: That the Town take no action under Article 6.

Mr. John Ryan moved that the Meeting be adjourned at 10:45 p.m., and it was so voted.

Total Appropriations	\$411,975.00
Less Article 2 — Redevelopment Bond Issue	400,000.00
	<hr/>
Excess and Deficiency	\$11,975.00

Town Clerk

Special Town Meeting, September 6, 1962

8:30 p.m. Meeting

The Special Town Meeting was called to order by the Moderator, George A. White at 10:46 o'clock p.m., and declared a quorum present.

Article 1. To see what amount the Town will vote to raise and appropriate from available funds to install a drainage system in Nook Road from South Street to Sandwich Street.

Voted: That the Town raise and appropriate from available funds the sum of \$35,115.00 to install a drainage system in Nook Road from South Street to Sandwich Street and this work to be put out to bid, by the Board of Selectmen.

Mr. John Ryan moved to adjourn at 10:55 o'clock p.m., and it was so voted.

Excess and Deficiency \$35,115.00

M. HERBERT CRAIG

Town Clerk

STATE ELECTION, November 6, 1962

QUESTION NO. 3

- A. Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whisky, rum, gin, and malt beverages, wines and all other alcoholic beverages)?
- B. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?
- C. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so-called, not to be drunk on the premises?

Special Town Meeting, December 18, 1962

The Special Town Meeting was called to order by the Moderator, George A. White, at 7:45 o'clock p.m.

The number of Town Meeting Members present, as reported by records of the checkers, was 145. The Moderator declared a quorum present.

Article 1. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing and equipping a six-room addition with auxiliary facilities to the Manomet Elementary School, Point Road, and to determine whether the money shall be provided for by taxation, by borrowing, by appropriation from the Post-War Rehabilitation Fund, by Sale of Real Estate Fund, by Stabilization Fund, and take any action relative thereto.

Voted: (Unanimously) That the sum of \$268,000 be appropriated for the purpose of constructing and equipping a six classroom addition with auxiliary facilities to the Manomet Elementary School in accordance with the plans submitted by the Manomet Building Committee, that to meet said appropriation, the sum of \$1,555.29 be appropriated from the Post War Rehabilitation Fund, the sum of \$2,600.00 from the Sale of Real Estate Fund and the sum of \$263,844.71 be appropriated from the balance contained in the Stabilization Fund on December 31, 1961. The Manomet Building Committee, appointed under Article 31 of the Annual Town Meeting of 1962, is hereby constituted the Building Committee for this project. Said Committee is hereby authorized to expend funds appropriated for the aforesaid purposes.

Article 2. To see what action the Town will take on the report and recommendations of the Sewage Disposal Committee which was authorized by Article 54 of the March, 1959 Annual Town Meeting and make an appropriation therefor; also will the Town authorize an application for Federal and State Funds therefor.

Dr. John E. Gilmore, Chairman of the Sewage Disposal Committee, read the report of the Committee and explained certain details of the report.

Mr. William J. Harrington submitted Article two in a breakdown of six separate items, each item voted on separately.

Item 1. Voted: That the Town accept the final report of the Sewage Disposal Committee of December 18, 1962 and include it in the proceedings of the Special Town Meeting of December 18, 1962.

Item 2. Voted: By ballot vote, 73 voting in the affirmative, 63 voting in the negative, that the Town accept the location of the sewage disposal plant at the so-called Lothrop Street site, at the northerly end of the Town-owned "Town Wharf Lot."

Item 3. Mr. William Harrington moved that the Town adopt a method of sewage disposal based on the so-called "extended aeration activated sludge" process and recommend that the necessary interceptors, force mains and pumping stations be designed to enable the closing of the present sewer outfalls at Robbins Road, Town Wharf, State Pier, Winter Street and Holmes Point.

Mr. James T. Frazier moved to amend the motion of Mr. Harrington by including the two outfalls opposite The Cordage Company and the one at Hedge Road to those recommended by the Sewage Disposal Committee, and it was so voted.

Mr. William Harrington's original motion, as amended, was put before the meeting and carried.

Item 4. Voted: That the Selectmen be authorized to apply for such Federal and State funds as may now be available, or may become available, as loans or grants-in-aid for detailed surveys, design engineering and the preparation of

final drawings for a sewage disposal system in Plymouth Harbor as recommended to the Town and to assist the Town in the cost of construction of the recommended system.

Item 5. Voted: That the present Sewage Disposal Study Committee be discharged following the payment of their incurred liabilities.

Item 6. Voted: That the Selectmen be directed to appoint a Sewage Disposal Planning Committee, consisting of seven members, to proceed with the planning phase of this project and that the sum of \$1,500.00 be appropriated for their use.

Article 3. To see if the Town will authorize the Selectmen to purchase for public purposes, including off-street parking, the land and/or building thereon of the First National Stores, so-called, on North and Brewster Streets shown as Lots 2, 3, 13A, 17, 18 and 19 of Plat 20 of the Assessors' Plans and to determine whether the Town will appropriate money therefor from available funds in the Treasury, including parking meter receipts; or by borrowing under Chapter 44 of the General Laws, as amended, or take any action relative thereto.

Voted: That the Town take no action under Article 3.

Article 4. To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of \$685 for election expenses; said appropriation to be expended by the Board of Registrars.

Voted: That the Town take no action under Article 4.

M. HERBERT CRAIG
Town Clerk

**FINAL REPORT OF THE 1959 COMMITTEE
TO STUDY SEWAGE DISPOSAL**

December 18, 1962

To the Voters of the Town of Plymouth:

On December 30th of the year 1958 our Selectmen received a letter from the Massachusetts State Department of Public Health which was quite out of tune with the usual line of Season's Greetings. It contained a warning against further postponement by the Town in eliminating the discharge of raw sewage into the harbor. This question had been studied by Special Committees in 1930 and again in 1950 but it has never been referred to the voters of the Town for a decision.

The pertinent passages from the letter were as follows:

"The Department is of the opinion that the time has come for the Town of Plymouth to take positive action to alleviate the pollution of Plymouth Harbor. To this end the Department recommends that appropriate articles be inserted in the warrant of the forthcoming annual town meeting to retain consulting engineering services to review existing plans and bring the same up to date

"Considerations should be given to the need for special legislative authority to finance and construct the needed facilities. The department would call your attention to the present availability of Federal grants-in-aid to the extent of 30% or \$250,000, whichever is the lesser, for construction purposes."

"Unless positive action is taken by the Town of Plymouth in these directions the Department of Public Health will consider referring the matter to the Director of the Divisions of Accounts and the Attorney General for appropriate action."

Under Public Law 660, the grants-in-aid referred to in the above quotation have now been increased to 30% of the

costs or \$600,000, whichever is the lesser. It is important to note that such Federal funds are available only if treatment facilities are planned which remove substantially all settleable solids.

VOTE — BY THE TOWN

Accordingly, the Selectmen included Article 54 in the warrant of the March 1959 Annual Town Meeting. The meeting voted "That the Town authorize the moderator to appoint a committee of seven to review the 1950 Report of Metcalf & Eddy on sewage disposal problem, said committee to report to the Town with their recommendations at the next annual or special Town meeting, and to appropriate the sum of \$1,500 to defray the engineering expenses relative to the review." (Page 65 — 1959 Town Report)

COMMITTEE

This sewage disposal study committee was appointed by the Moderator, Honorable Amedeo V. Sgarzi, on July 24, 1959. It held its first meeting on September 17, 1959 and organized at its fourth meeting on November 19, 1959 with Dr. John E. Gilmore as Chairman and Raymond E. Miskelly as Secretary. Three of the seven members (Howard P. Barnes, Anthony V. Caramello, and Everett Malaguti) had served on the similar study committee of 1950. The two officers and William J. Harrington and John A. Thom were new to the subject.

CONTACT WITH STATE HEALTH DEPARTMENT

In the meantime, Mr. Worthen H. Taylor, Chief Sanitary Engineer of the Massachusetts Department of Public Health, attended a meeting on January 14, 1959 with the Selectmen at their request so as to amplify the directive as of December 30, 1958. He stated that the plan suggested in 1950 would not now be acceptable nor would it qualify for Federal grants. Mr. Taylor also came to a second meeting with the new Sewage Disposal Committee on October 29, 1959. Under discussion at this meeting were the peculiar conditions at Plym-

outh Harbor which might effect the decision as to whether the eight free flowing outfalls of untreated sewage really cause a public health hazard. A series of pertinent questions were asked by the members of the committee of Mr. Taylor. In summation these questions reduced to a question as to whether a public health hazard existed and whether the need for sewage treatment was definite. Mr. Taylor suggested that the committee retain an independent consultant to give the answers to these questions.

SERVICES OF ELIASSEN ASSOCIATES

At the committee meeting of February 18, 1960 it was voted to engage the services of the Rolf Eliassen Associates of Winchester, Mass. Dr. Eliassen at that time was Professor of Sanitary Engineering at the Massachusetts Institute of Technology. It was felt by the committee that he could give an honest independent opinion and that he would represent as outstanding an authority as the Town could engage for such an opinion.

The Eliassen Associates made an interim report to the committee in June 1960 and a final report in April 1961.

The conclusions of the Eliassen Report were as follows:

“1. Plymouth Harbor is polluted to such an extent as to constitute a potential health hazard.

2. Since the Department of Public Health has the legal authority to enforce sewage treatment in the Town of Plymouth, cooperation would be more expedient in the long run than resistance to their orders.

3. Alternate and less expensive methods of collection and disposal of sewage than those proposed in 1950 should be investigated.

4. A consulting engineering firm should be engaged to prepare a detailed engineering and economic study of the alternative methods of treatment suggested in this report.

5. The Town should proceed with the construction of the most economical and acceptable method of collection and disposal of sewage from the sewered areas of Plymouth in order to control the pollution of Plymouth Harbor."

The new method of sewage treatment favored and recommended by the Eliassen Associates is called the "Extended Aeration Activated Sludge System." They stated that this would be more economical to install and to operate as well as being a much more efficient method of treatment than the primary treatment plants recommended in 1950. They also advised that another advantage is that the plant is odorless, as far as sewage odor was concerned.

The Eliassen Associates also contacted the United States Army Engineers in relation to the proposed breakwater project planned by the Army in the harbor at Plymouth. The conclusion was reached that the breakwater would not alter the conditions in the harbor in respect to the discharge of raw sewage. It was felt that a treatment method would be necessary to alleviate the condition.

Dr. Eliassen, in a letter of June 27, 1961, informed the committee that he had consulted with the United States Public Health Service apropos to our problem and that they agreed that an extended aeration activated sludge method would be acceptable to that Department.

REPORT TO TOWN — 1962

The Sewage Disposal Committee submitted the findings of the Rolf Eliassen Associates to the March 1962 Town Meeting. It was voted that the Sewage Committee continue its study and that it engage the services of consulting engineers to review the Rolf Eliassen Report and do the detail studies necessary for the recommendation of the type and number of interceptors, pumping stations, and treatment plant. The town meeting appropriated the sum of \$1500 for this purpose.

METCALF & EDDY REPORT

Accordingly, our Committee engaged the services of Metcalf & Eddy, Engineers of Boston, Mass., for this purpose, and work was commenced on June 15, 1962.

The Metcalf & Eddy Report of November 23, 1962 contains conclusions and recommendations as to the sewage flow in the Town of Plymouth, the method of treatment of this sewage, the sites for a treatment plant and the estimated cost of construction and annual maintenance.

The important conclusions and recommendations of the Metcalf & Eddy Report are as follows:

1.) Sewage Flows

Sewage flows, not including stormwater, may be expected to average 90 gallons per capita per day at the present time and 100 gallons per capita per day in the year 2000. The present population served by the sewer systems extending from Cordage on the north to Holmes Point on the south numbers approximately 9,500 persons, of which approximately 1,800 persons are served by the Cordage and Hedge Road systems. Peak flows are greatly increased by stormwater introduced through several catchbasins, and an unknown number of roof and yard drains connected to the sanitary sewer system.

Metcalf & Eddy recommend that the sewage treatment plant be designed to handle an average daily flow of 1.5 mgd. and a peak flow of 5.0 mgd.; that the intercepting system be designed to carry peak flows, including all sanitary and presently connected storm flows, to a proposed pumping station northerly of Town Wharf; and that at times of storm flows greater than 5 mgd. the excess be screened and discharged to the harbor at such a pumping station and at the sewage treatment plant. Furthermore, they recommend that flows from the Cordage and Hedge Road sewers be excluded in the initial project but that allowances be made for their future connection, and that provision be made to completely exclude street and roof drainage water from the sewer system.

2.) Method of Treatment

Of the methods of treatment reviewed, that is, disposal through a deep sea outfall, primary treatment followed by disposal to Plymouth Harbor and treatment by the extended aeration activated sludge process followed by disposal to Plymouth Harbor; the latter offers the most satisfactory solution.

Metcalf & Eddy recommend that treatment consisting of extended aeration, chlorination, and discharge to Plymouth Harbor be adopted for Plymouth sewage. The sewage treatment plant would consist of screens, grit removal facilities, aeration tanks, final settling tanks, a sludge re-aeration tank, chlorination facilities including a chlorine contact tank, and an outfall sewer to a natural channel within the harbor. A sludge drying bed would be included for drying the small amount of activated sludge which would need to be removed from the final settling tanks for best results. Screenings and grit would be hauled away and either buried or burned.

3.) Plant Location

The three sites investigated, namely Robbins Road, Holmes Point and Lothrop Street offer suitable locations, from an engineering evaluation, for the recommended sewage treatment plant. Of these, the Lothrop Street site because of its central location and direct accessibility would be the least expensive to construct and for this season it is the preferred location for the recommended plant.

4.) Estimated Costs

The estimated total costs and average annual costs to the Town for each of the plans are as follows:

Location of Treatment Plant	Gross Cost	Federal Grant		Annual Costs
		30% or \$600,000	Net Cost to Plymouth	
Robbins Road	\$1,994,000	\$598,000	\$1,396,000	\$137,600
Holmes Point	2,072,000	\$600,000	1,472,000	138,200
Lothrop Street	1,949,000	585,000	1,364,000	133,600

(Land Costs are **not** included)

The total costs consist of the estimated initial construction cost plus allowances for contingencies and engineering less anticipated Federal Aid. The annual costs consist of the debt service on the total cost plus annual operation and maintenance allowances.

CONSIDERATIONS

a.) **Treatment Method** — The extended aeration activated sludge method for treating sewage, suggested first by the Eliassen Associates and recommended by Metcalf & Eddy, was developed since the study made by the 1950 Committee. While relatively new, it is recognized from many successful installations to be thoroughly satisfactory and an improvement over former methods.

The principal advantages of the recommended method are that primary settling is not required, the waste volume of sludge is reduced to a practical minimum, a high treatment efficiency is obtained at an economical cost, low maintenance, and freedom from obnoxious odors.

The extended aeration activated sludge method is approved by both the Massachusetts Department of Public Health and the United States Department of Public Health.

b.) **Plant Site** — The Committee concurs with the Metcalf & Eddy recommendation that the Lothrop Street site is the best of the three sites determined as possibilities. The advantages of this site are as follows:

1.) **Town Owned Land** — This site has a definite advantage inasmuch as the Town already owns the land. Thus, the initial cost is lowered. The need for special State legislation and public hearings is also eliminated, whereas, the other sites would require these proceedings. The use of "eminent domain" procedures is not required with this site but might be necessary with the others.

2.) **Accessibility** — The fact that there is no limitation of access from Water Street to the site is of major benefit since

the other sites are not served by roadways and are definitely isolated at this time. Special rights of way would have to be obtained in order to get into those sites.

3.) Central Location — The central location of the Lothrop Street site would eliminate the necessity of maintaining the present outfalls in order to provide for overflow conditions during excessive storms. These conditions arise from the fact that storm water drainage enters the sewerage system. The outfall from the treatment plant at Lothrop Street would substitute for these existing outfalls and they could be removed. They would have to remain with any other site.

4.) Cost — The costs for construction and maintenance at the Lothrop Street site are the lowest estimated.

5.) Appearance — The required tanks at the other sites would be about twenty feet above ground. The landscaping of the recommended site would be a definite improvement of the present appearance.

6.) Pumping Station — If the proposed site is not chosen, then a pumping station would be required at that site. Furthermore, the farther away the treatment site is located from Lothrop Street, the larger the pumping station would become.

The Committee considered the possibility of sites other than along the harbor front. These included a site west of the Bypass and at Rocky Hill Point. None of these sites was suitable because of excessive increases in cost.

It has been determined thru contacts with the United States Army Corps of Engineers that the use of the Lothrop Street site will not conflict with the proposed breakwater in Plymouth Harbor. A treatment plant at this site will neither adversely affect nor be affected by the breakwater.

Finally, the State Department of Public Health also recommends the Lothrop Street site as the most suitable of the three possibilities determined along the harbor front.

A map showing the Lothrop Street site and the outfalls present in Plymouth Harbor is included in this report as a special cut and should be referred to for further identification.

c.) **Costs** — The annual cost of maintenance and of amortization of bonds for the Lothrop Street site is \$133,600. This is broken down into two factors. The first is for paying interest and principal on the Town Bonds and amounts to about \$78,900 per year. The second is for paying operational and maintenance costs of \$54,700 per year. No recommendations are being made at this time as to how this money will be raised in the future. However, it is generally obtained in other communities in part from the general tax income and in part from a use assessment. The Town of Plymouth would be able to utilize these methods since the State Legislature has already passed the permissive laws for this process.

d.) **Elimination of Harbor Pollution** — At present, sewage is discharged into Plymouth Harbor from eight major sewer outfalls between Jabez Corner on the South and the Kingston town line on the north.

Under the program recommended, sewage from only five of these outfalls, those from Robbins Road to Holmes Point inclusive, would be treated. The three outfalls at the northerly end of the Town would remain open and raw sewage would continue to be discharged into the Harbor. This proposed plan would reduce harbor pollution by more than 80% and eliminate it entirely in the harbor area South of Robbins Road. This plan has been approved by the State Department of Public Health.

If desired, sewage from the three remaining outfalls could be included and treated in the proposed plant. This would result in the complete elimination of pollution from the harbor. But this would increase the cost by about \$375,000. The Committee believes, and the State Department of Public Health agrees, that additional expense is not necessary at this time.

It should be noted that the intercepting sewers and the outfall from the treatment plant would be designed to carry the estimated future flows from the three remaining outfalls should this become necessary.

RECOMMENDATIONS OF THE COMMITTEE

Nearly three and one-half years have elapsed since the present Committee was appointed. This may seem to be a long time for study of the sewage disposal problem. But, actually, there have been no undue delays and much has been accomplished.

The need for improved sewage disposal and for the abatement of harbor pollution has been determined beyond all question. With the aid of engineering consultants, the Committee is now able to recommend to the Town a modern, efficient, highly satisfactory disposal system at a cost considerably less than the system suggested in 1950 and an excellent site for the treating plant. Both system and site are approved by the State Department of Public Health and will accomplish desired objectives. The cost to the Town for this work has been approximately \$4,000.

The presentation of this final report somewhat sooner than expected, at a Special Town Meeting on December 18, 1962, called for other purposes, is in the hope that the Town will authorize an application for Federal funds under an accelerated public works program which will reimburse the Town for 50% of total cost rather than the 30% reimbursement under Public Law 660 of the 84th Congress. For the plan proposed, this difference means an additional saving of about \$500,000 to the Town. But to qualify under this program, prompt action is needed by the Town and this is the reason for the apparent haste.

The Committee recommends:—

- 1.) That the Town accept the final report of the Committee and include it in the proceedings of the Special Town Meeting of December 18, 1962.

2.) That the Town proceed without delay to install a sewage disposal system with a treatment plant at a suitable harbor front location (all estimated to cost about \$1,949,000) to alleviate the existing potential public health hazards in the harbor and to improve harbor conditions — both of which are vital problems.

3.) That the sewage disposal system adopted be based on the so-called “extended aeration activated sludge” method — a method fully approved by the State Dept. of Public Health (ref. letter of December 19, 1962 attached) and which is acceptable under applications for Federal grants-in-aid.

4.) That the sewage treatment plant be installed on the so-called Lothrop Street site — at the northerly end of the Town owned “Town Wharf lot” — which is believed to be the best harbor shore site available and also recommended as preferable by the State Department of Public Health.

5.) That the sewage disposal plan proposed by Metcalf & Eddy, previously described, providing for the treatment of sewage now discharging from the fire southerly outfalls and excluding for the present the sewage flow from the three northerly outfalls, which plan is approved by the State Dept. of Public Health, should be approved by the Town.

6.) That the Selectmen be authorized to apply for such Federal and State funds as may now be available, or may become available, as loans or grants-in-aid for detailed surveys, design engineering and the preparation of final drawings for a sewage disposal system in Plymouth Harbor as recommended to the Town and to assist the Town in the cost of construction of the recommended system.

7.) That the present Sewage Disposal Committee, having accomplished the objectives for which it was appointed, be discharged as of the close of the Special Town Meeting of December 18, 1962.

8.) That, if the Special Town Meeting of December 18, 1962 approves the recommendation of the Committee to install a sewage treatment system, the Selectmen be authorized to appoint a Committee to proceed with the planning and construction phases of the project.

There will be no request for an appropriation or for any additional funds under the sewage disposal article in the warrant for the Special Town Meeting of December 18, 1962. If and when construction plans are prepared, it is expected that a proposal would be submitted by the Construction Committee for the approval of the final plans and for the appropriation of the Town's share of the construction costs—which would involve a bond issue.

COMMITTEE PROGRESS REPORTS AND CONSULTANTS REPORTS

For purposes of reference, the following Committee progress reports and actions have been incorporated in the Annual Town Reports.

1959 — Article 54 — (page 65)

1960 — Article 44 — (page 55) and first Progress Report
(Page 19)

1961 — Article 51 — (page 57) and second Progress Report
(page 20)

1962 — Article 58 — and third Progress Report . . .

In addition, a copy of the Final Report of the Rolf Eliassen Associates of April 1961 and a copy of Metcalf & Eddy's final report dated November 23, 1962 will be filed with the Town Clerk together with a copy of this final report of the Sewage Committee for future reference.

ACKNOWLEDGEMENT

The Committee acknowledges with pleasure the helpful advice and assistance it has received from many Town Officials and individuals, too numerous to mention individually, in carrying out its assignment. It has also had excellent cooperation from Mr. Worthen H. Taylor and his associates of the State Department of Public Health, as well as from representatives of the local press and the radio station. The association with the Rolf Eliassen Associates and with Metcalf & Eddy has been most pleasant for the Committee and worthwhile to the Town.

Respectfully submitted,

DR. JOHN E. GILMORE, Chairman

HOWARD P. BARNES

Re: PLYMOUTH-WPC-Municipal
Engineer Report

Attention: Mr. R. E. Miskelly, Secretary

Gentlemen:

The Department of Public Health has reviewed your consulting engineer's report relative to sewerage and sewage treatment for the harbor area of the town of Plymouth. The report is titled:

"REVIEW OF REPORTS
upon
DISPOSAL OF SEWAGE
for
PLYMOUTH, MASSACHUSETTS

November 23, 1962

Metcalf & Eddy
Engineers
Boston, Massachusetts"

The report reviewed previous ones of 1950 and 1958, the type of treatment required and locations for a treatment plant. The type of treatment recommended is extended aeration and chlorination with the effluent discharged through an outfall to an existing harbor channel. The proposed treatment plant is to be designed for initial and future flows of 0.96 and 1.5 million gallons per day and present and future tributary populations of 7,700 and 11,500 persons, respectively.

Four plans were proposed for the interception and treatment of sewage now discharging from five of the eight outfalls. The outfalls to be intercepted at a later date are Hedge Road and two lines at the Plymouth Cordage Company. The four plans are as follows:

- PLAN 62-1: Treatment Plant at Robbins Road Site; to provide for flows from Plymouth Center, Town Wharf, Robbins Road, Holmes Point and Winter Street systems with treatment by extended aeration.
- PLAN 62-1A: Treatment Plant at Robbins Road Site; to provide for flows from Plymouth Center, Town Wharf, and Robbins Road systems only with treatment by extended aeration.

-2-

PLAN 62-2: Treatment Plant at Holmes Point Site; to provide for flows from Plymouth Center, Town Wharf, Robbins Road, Holmes Point and Winter Street systems with Treatment by extended aeration.

PLAN 62-3: Treatment Plant at Lothrop Street Site; to provide for flows from Plymouth Center, Town Wharf, Robbins Road, Holmes Point and Winter Street systems with treatment by extended aeration.

The Department is of the opinion that the four plans should be considered in order of preference as follows:- first 62-3, second 62-1, third 62-1A, and fourth 62-2. The Department hereby approves the report and recommends that plans be prepared and construction started at an early date.

Very truly yours,

Worthen H. Taylor

ANNUAL REPORT
OF THE
Town Accountant
OF THE
Town of Plymouth
MASSACHUSETTS

FOR THE YEAR ENDING

DECEMBER 31

1962

Former Town Accountants:

RICHARD T. ELDRIDGE **1912 - 1918**

ELMER R. HARLOW **1918 - 1944**

FIFTY-FIRST ANNUAL REPORT OF THE TOWN ACCOUNTANT

For the Year Ending December 31, 1962

To the Board of Selectmen
Town of Plymouth
Gentlemen:

I submit herewith report of the financial transactions of the Town of Plymouth for the year ending December 31, 1962.

1962 marked the first year that the Town has deviated from its former policy of appropriating less than 50% of its Free Cash at the annual town meeting. Including the special town meetings, over 64% of the Free Cash was used, with the result that the Free Cash for 1963 is \$102,449.96 less than for 1962. While an exceptionally heavy drain on Free Cash for one year will not ruin the financial standing of the Town, it will have an adverse effect on the tax rate for 1963, since the cost of operating the Town will be substantially higher, while the amount that can be taken safely from Free Cash will be substantially lower.

The Town also drew heavily on its Stabilization Fund in 1962, reducing it from \$418,362.67 on January 1, 1962 to \$211,882.92 at the end of the year. If the money received from the State in 1963 as an offset to these appropriations is voted back into the Stabilization Fund, the Town will have made good use of this fund. However, if, when the money comes in from the State, it is used to alleviate the tax problem of 1964, our tax structure will be thrown further out of line.

There were no authorized overdrafts in 1962. The following unpaid bills were reported to this office:

Plymouth Marine Railways, Inc.—Park Dept. \$9.30

Amerigo Vespucci Club, Inc.—Elec. & Reg.	6.00
Boston Social Service Exchange—Public Assistance	27.75
People's Super Market — Public Assistance	7.10
Mariner Boat Shop — Harbor Master	150.37
Manomet Village Club — Manomet Library	50.00

The several schedules are in the following order:

Schedule A. Cash receipts and Cash Payments as reported to the Bureau of Accounts of the Commonwealth.

Schedule B. Departmental and all special appropriations and such receipts, including federal grants, as may be legally expended without specific town meeting appropriation, with all payments from same classified as to purpose.

Schedule C. Estimated Receipts, other than from local taxes, as used by the Assessors in setting the 1962 tax rate. The schedule also shows the actual cash receipts from the same sources.

Schedule D. Revenue Account for 1962.

Schedule E. Excess and Deficiency Account.

Schedule F. Balance Sheet, December 31, 1962.

Schedules G. and H. Bonded Indebtedness, January 1, 1963.

Schedule I. List of Trust Funds and Town Investments as of December 31, 1962.

Schedule J. Calculation of the Town's borrowing capacity as of January 1, 1963.

Respectfully submitted,

CORA B. GRADY
Town Accountant

ONE HUNDRED AND EIGHTH
ANNUAL REPORT
OF THE
Water Commissioners
AND
Superintendent
OF THE
Town of Plymouth

MASSACHUSETTS
FOR THE YEAR ENDING
DECEMBER 31

1962

RICHARD T. ELDRIDGE

One Hundred and Eighth Annual Report of the Water Commissioners

The Board of Water Commissioners submits the 108th Annual Report covering the calendar year of 1962.

In this report the Commissioners are noting for the record the retirement of Richard T. Eldridge from the Board and recognizing his amazing record of participation in civic work.

Mr. Eldridge graduated from the Bryant and Stratton School of Business in 1905. Following graduation he worked in Townsend, Mass., for several years and then returned to Plymouth to accept a position in the office of the Standish Mills, in 1912, where he worked for a few months. At this time the Town established the position of Town Accountant and Richard was chosen to be the first Town Accountant for Plymouth. He held this position until 1918, when he went to work in the Accounting Department of the Plymouth Cordage Company and continued there until retirement.

Mr. Eldridge was appointed to the Cemetery Commission in 1923 and was re-elected to serve continuously on this Board until 1961, or for a period of 38 years.

In 1928 Richard was appointed to the Board of Water Commissioners and has been elected back into this office continuously until 1962, when he chose to retire from active participation in Town affairs. This covered a period of 34 years, the last 25 of which he served as Secretary to the Board.

To simultaneously hold two elected public offices continuously for so many years indicates the high regard the townspeople have always had for Mr. Eldridge.

The Commissioners further note here for the record, the gratitude of the Commission and the Town for this unparalleled career of community service.

The total rainfall during the year amounted to 49.88 inches, which is 3.15 inches more than the past 57-year average. The year ended with the water elevation at Little South Pond at 106.12 feet compared to 106.25 feet for the previous year end.

The installation of a second chlorinating unit at the Lout Pond Station was completed during the year. This provides a standby unit, which was requested by the State Department of Public Health, to provide further insurance against contaminated water entering the system.

The 500,000 gallon Braunecker storage tank off Westerly Route was given two coats of paint, both inside and out, during the year. This tank had not been painted since it was erected in 1954. This original paint job has stood up extremely well for nine years, which is a good recommendation for the type of paint used on all the Department steel storage tanks.

Receipts from the sale of water, connections to new mains, services rendered, etc., amounted to approximately \$135,538.00 and is roughly \$25,000.00 less than was collected in 1961.

At the Annual Town Meetings for the past several years, petitioners have attempted to obtain Town approval for extension of the water mains in Manomet in a southerly direction from the present terminus near Cape Cod Avenue, along the State Road to the Indian Hill area, so that Cedar Bushes, Manomet Beach, Colony Beach and Pilgrim Beach settlements could eventually expect to receive Town water. In the past the Commissioners have not recommended this costly extension. We now feel that with the increasing population in these areas, this south-

erly extension of the water mains is imminent. There is, however, the question of what rights the Town has in some of these areas, where a private water company now has permanent easements to lay and maintain privately-owned water mains. The Commissioners have requested the assistance of Town Counsel to resolve this problem.

During the 1962 Annual Town Meeting, the Commissioners were authorized to obtain an engineering survey and report on a new plan for extending the water mains to the westerly area of the Town. Metcalf & Eddy completed the survey and report during the summer of 1962. This new plan is a modification or alternate to the 1950 plan, in which it was proposed to extend the water mains all the way to the Carver line. The new plan is smaller in scope than the 1950 scheme and is a first step in the program of extending the water system in a westerly direction. In other words, this new plan proposes to undertake this expansion on a step by step, or piecemeal, attack. An article will be placed in the Annual Town Warrant to see what action the Town Meeting members will take toward initiating this westerly expansion.

Mr. James D. Harrington of Nashua, New Hampshire, has offered to present to the Town as a gift, approximately one acre of land, to be used as a site for the construction of a water storage tank. This land is just off Route 44 and about three miles westerly from Court Street. It is high ground and is one of the best locations for a water storage tank anywhere on Route 44, up to the Carver line. The Commissioners have requested the Selectmen to have prepared the necessary plans and lay-out so that this proposed gift can be presented to the Town for whatever action may be taken. The Commissioners recommend that the Town accept this gift.

Appropriations Requested for 1963

Maintenance and Labor	\$80,171.00
Salaries	31,688.00
Emergencies	1,500.00
Regular Construction	5,000.00

Special Articles for 1963

New — 1-ton truck in exchange for 1957 Dodge Pickup	\$2,400.00
Meter Testing Equipment (for repairing and testing meters)	1,200.00
Dredge and repair Canal between Little & Great South Ponds	3,000.00
Extend water main along State Road, Manomet, to Indian Hill and erect a 1,000,000 gal. Storage Tank	200,000.00
Extend water main on Samoset Street, Seven Hills Road and Summer Street	296,000.00

SUMMARY OF STATISTICS

(Published by request of the New England Water Works Association, Plymouth, Mass., Water Works.)

Population, 14,450. (Summer population, 15,250, according to Selectmen's estimate.)

Date of construction, 1855.

By whom owned, Town. Source of Supply, Great and Little South Ponds, Manomet Well and Lout Pond Well.

Mode of supply, Pumping.

PUMPING

Builders of pumping machinery, Fairbanks-Morse, Deming, Warren and Morris electric.

Pumpage for the year:

Lout Pond Pumping, (electric)	450,158,000 gals.
Lout Pond Deep Well electric)	114,831,500 gals.
Manomet Deep Well (electric)	28,478,200 gals.

Total Pumping	593,467,700 gals.
---------------	-------------------

(Note: New High Service (electric),
54,228,500 gals. RE-PUMPED.)

Average static head, 94.0 feet.

Average dynamic head, 103.0 feet.

Number K.W.H. consumed:

Lout Pond Station	288,640
Manomet Deep Well	26,220

Total K.W.H. pumping	314,860
----------------------	---------

Number K.W.H. RE-PUMPING	63,500
--------------------------	--------

Total K.W.H. Consumption	378,360
--------------------------	---------

STATISTICS OF CONSUMPTION OF WATER

Population, 14,450. (Summer population, 15,250, according to Selectmen's estimate.)

Estimated population on pipe line, 12,500.

Estimated population supplied, 12,500.

Total consumption for the year, 593,467,700 gallons.

Average daily consumption, 1,625,939 gallons.

Gallons per day to each inhabitant, 112.

Gallons per day to each tap, 321

STATISTICS RELATING TO DISTRIBUTION SYSTEM

Kind of Pipe, Cement lined sheet iron, Cement lined cast iron Asbestos cement.

Sizes, From 2-inch to 30-inch.

Extended, 1-mile, 4,650 feet.

Discontinued, 850 feet.

Total now in use, 91 miles, 4,600 feet.

Cost to repair per mile, \$19.83.

Number of leaks per mile, 0.22.

Small distribution pipe less than 4-inch, 4-miles, 1,530 feet.

Hydrants now in use, 551 public and 79 private.

Stop gates added, 33. Discontinued, None. Number now in use, 1,328.

SERVICES

Kind of pipe, Lead, Cement lined galvanized and Copper tubing.

Sizes, from three-quarter inch to six inch.

Total now in use, 15 miles, 819 feet.

Service taps added, 65, Discontinued, 4.

Total now in use, 5,056.

Average length of service, 19 feet.

Average cost per service, \$70.00.

Meters added, 88.

Number now in use, 4061.

Percentage of services metered, 80.3%.

ANNUAL REPORT
OF THE
Board of Selectmen
OF THE
Town of Plymouth
MASSACHUSETTS

FOR THE YEAR ENDING
DECEMBER 31

1962

ANNUAL REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen has worked diligently to carry out its obligations to the best of their ability and is appreciative of the cooperation of all Town Committees, Boards and Departments.

The Selectmen held numerous hearings on street layouts which the Town will be asked to accept as town ways.

Much time and energy has been spent by your Board and the Highway Superintendent on improving snow plowing and snow removal. We believe that the additional and heavier equipment purchased has shown much progress on this problem and better results now and in the future can be expected.

We also feel that the program of street surfacing is progressing nicely and with an extra grant of funds from the State in 1963, a real improvement will be shown as more streets will receive the attention they need.

The shore protection program that has been delayed has finally begun to develop. A recent visit to the Division of Waterways and more meetings in the very near future has given us to believe that some of the projects will begin to materialize.

The Board of Selectmen are conscious of the vast expenditures we have had recently and are also aware of the possibility of the town having expenditures of large amounts facing us in the very near future and we pledge to operate all departments under our control in a most efficient and economical manner.

Respectfully submitted,

FRANCIS P. SHEA, Chairman
JAMES T. FRAZIER
SUMNER A. CHAPMAN, JR.
WILLIAM H. BARRETT
GEORGE E. RANDALL

TOWN FOREST COMMITTEE

To the Honorable Board of Selectmen:

During 1962 roads were trimmed back and cleared out. The two Town Forest signs were painted and re-lettered. Fallen trees were salvaged and sold for which \$46.78 was received and turned in to the Town Clerk's office. Approximately 5,000 seedlings were planted for replacements.

Respectfully submitted,

DANIEL L. HOLMES

JAMES A. WHITE, Secretary

HAROLD G. ROBERTS

Town Forest Committee

REPORT OF COMMITTEE ON INLAND FISHERIES

To the Honorable Board of Selectmen:

Your committee wishes to report that the appropriation for the year 1962 was expended for 9" and 10" brown trout which were liberated in Long Pond, Plymouth, Massachusetts.

The committee received a letter from the Department of Massachusetts Fisheries and Game recommending a fall stocking of brown trout in Great South Pond. We applied to the Plymouth Water Commissioners for permission to stock Great South Pond and they voted in opposition, three to two. We feel if Great South Pond could be stocked, it would provide another source of good fishing for Plymouth residents. At the present time, we have four ponds providing good trout fishing in Plymouth and open to the public. These ponds are Little Pond, Lout Pond, Fresh Pond and Long Pond.

Respectfully submitted,

DONALD O. TRACY

MARTIN B. PERSON, JR.

CHARLES T. SEIFERT

Committee on Inland Fisheries

REPORT OF THE TOWN ENGINEER

To the Honorable Board of Selectmen:

During 1962, layout plans were made for Morse Rd., Abington Ave., Thrush Ave., Burgess Rd., a portion of Little Pond Rd., Cushing Drive, and Abandonment of a portion of Westerly Rd. at Samoset St. These layouts were accepted by the Town in 1962.

A layout plan was also made for Muster Field, but this layout was not accepted by the Town.

Survey, plans and cost estimates were made for a drainage system on Samoset St. in the vicinity of Allerton St.

Four drainage easement plans were made for Carver Rd., Samoset St. just west of the By-Pass, Ocean Ave., and the corner of Harding Ave. and McKinley Rd.

A survey was made of Hedge Rd.

A new revised plan of the Town Wharf Lots was made.

Plans and specifications were drawn and lines and grades furnished for a drainage system on Nook Rd. This project was built by private contract in the fall of 1962.

A total of 101 permanent concrete bounds were set under the supervision of the Town Engineer as follows: Grand View Drive, 20 bounds; Dwight Ave., 4 bounds; Manomet School Lot, 5 bounds; Braunecker Rd., 7 bounds; Little Pond Rd., 8 bounds; Burgess Rd., 13 bounds; Thrush Ave., 6 bounds; Cushing Drive, 7 bounds; Abington Ave., 7 bounds; Grant St., 4 bounds; McKinley Rd., 3 bounds; Harding Ave., 3 bounds; Nook Rd., 6 bounds; Morse Rd., 8 bounds.

Respectfully submitted,

EDWARD CHASE
Town Engineer

OFFICE OF VETERANS' SERVICES

To the Honorable Board of Selectmen

Gentlemen:

The following is submitted as the report of the Veterans' Services for the year 1962.

On the eleventh of December the Town of Plymouth and particularly its large segment of veterans was shocked to hear of the passing of Ralph A. Torrance who had served both town and veteran so ably for the preceding ten years. It is with sincere humbleness that your present director assumed his duties realizing that the "shoes" of Ralph Torrance will be most hard to fill.

The calendar year of 1962 brought further work to this office particularly due to the large increase in those elderly veterans and dependents being added to the pension rolls. In addition, the average case load increased by approximately ten per cent.

As pertains to monetary disbursements there was last year, as there has been for the past many years, a noticeable increase. This must be recognized as an accepted fact due to the increasing costs of providing benefits of any kind. These offices were founded on helping the veteran and have continued to work towards bettering such services while at the same time keeping the costs to the taxpayer at a minimum.

As in the past, a breakdown of services performed in 1962 follows:

Veterans' Benefits	1165
Pension Questionnaires	135
Civil Service	25
Discharges Recorded	98
Employment	83
Housing	15
Information (Miscellaneous)	3005

Legal Aid	6
Photostatic Copies	950
Social Security	123
Tax Abatement Forms	96
Telephone Calls and Letters	8010
Unemployment Compensation	290
Vital Statistics	1700
Burial Allowances	12
Compensation	82
Education	6
Training	8
Hospitalization	113
Insurance	42
G.I. Loans	38
Medical and Dental	141
Pension	48
Other Records	240
Notary	20
Eligibility Forms	50
Head Stones	22
Dependency Compensation for Parents of Veterans	8
Change of Address Forms	48
Change of Beneficiary for Insurance	12
Power of Attorney	35
Assignments and Liens	3

Respectfully submitted,

CHARLES C. HENDERSON

Director of Veterans' Services

DOG OFFICER REPORT FOR 1962

Louis J. Cappella, Sr., Dog Officer

Dogs licensed in Plymouth up to January 1, 1963	1,370
Kennels licensed	24
Dog Complaints	552
Dead Dogs picked up	52
Dogs Redeemed by owners	31
Dogs delivered to Harvard Medical School	98
Dogs Sold	1
Dogs destroyed	39
Restraining orders issued	2
Court Complaints	0
Dog Notices sent out for unpaid dog licenses	662
Dog bites	78

REPORT OF INSECT PEST CONTROL

To the Honorable Board of Selectmen:

A dormant spray program was carried out with the use of an aeroplane. 12% D.D.T. was used for the Elm Bark Beetle. For the Elm Leaf beetle a formula called Sevin was used and proved very satisfactory. Some trees were sampled for Dutch Elm Disease, 69 were positive and 2 negative, 5 other trees were too far gone to get a sample from. All trees were topped off as soon as possible. As of January 1, 1963, 53 of these trees have been removed completely.

Respectfully submitted,

DANIEL HOLMES

Superintendent of Insect Pest Control

BUILDING INSPECTION DIVISION

Albert F. Saunders, Building Inspector

New Construction:

REPORT OF SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit a report of the work done in the Street and Sewer Departments from January 1 to December 31, 1962:

SEWERS

Approximately six miles of our main sewers were dragged, removed tree roots, debris and hard grease. House connections received the same service when needed. Manholes were repaired and cleaned with new frames and covers replaced where needed. A new sewer extension was installed on Rodman Lane from the present manhole on West St., west, a distance of 652' of 8" clay pipe with four manholes built. The Cherry St. Court sewer main was extended north a distance of 66' of 6" clay pipe. Twenty-three new house services have been added to the main sewer system.

STREET CLEANING

The maintenance of cleaning streets has been done by manual labor on account of the street sweeper having continuous breakdowns of mechanical parts and engine trouble. I have requested in my 1963 budget for a new sweeper for the Highway Department.

ASPHALT SIDEWALKS

The maintenance and construction of asphalt sidewalks were completed on the following streets: Clifford Road, Water St., from the State Pier to the Town Pier on the east side, corner of Court and Hall St., Forest Ave., Benotti Store on Court St., Lothrop St., from the Episcopal Church to railroad crossing on the north side, Warren Ave., North Russell St., Gould Rd., from Olmsted Terrace to Hall St. on the east side, Knapp Terrace, Franklin St., from Pleasant St. to Mayflower St.,

Massasoit St., from Mayflower St. to Sagamore St. and several sections on Court St. Approximately 400 tons of blacktop was laid on these sidewalks. Necessary repairs were made on sidewalks where surfaces had tree roots and stumps removed.

DRAINS

A drain was installed on the east side of Court St. from Olmsted Terrace to Hall St. a distance of 500' of 12" corrugated pipe with 24 bands and two catchbasins built to relieve the overflow of surface water coming from Hall St. and on Court St. from Centennial St. A drain was laid on Water St. Ext. for a distance of 100' of 12" corrugated pipe with 4 bands and one catchbasin to relieve surface water from draining onto the property of the International Shoe Machinery Corporation. Clifford Road at Leach's Hill had a drain laid of 40' of 12" corrugated pipe and 2 bands with one catchbasin to stop surface water running onto the property of Carl C. Groetzing. A drainage system on Nook Road about 3050 feet long was laid from South St. to the playground on Nook Road a distance of 750' of 21" reinforced concrete pipe with four manholes and one catchbasin built. From the playground to Sandwich St., a distance of 2300' of 36" reinforced concrete pipe was laid with nine manholes and one headwall at Sandwich St. entrance. Other work included removal of earth 6' deep for a distance of 200', banks sloped and graded for loaming and seeding in the spring of 1963.

This drain was laid to take care of water draining from the Regional school property. The contract for the Nook Road drain job was completed by P. Lanzillotta & Sons Inc. of Pembroke at a cost of \$33,685.00. The open brooks at the rear of Samoset St., rear of Hatch's Electric Company Inc. on Court St., and Knapp Terrace were cleared of debris and all pipes received a flushing. The two catchbasins at the foot of Atlantic St. were

cleared of roots and debris and flushed. Catchbasins in town were cleaned and repaired where required.

FENCES

The old wooden guard rails on the east side of Sandwich St., at Cornish's' Meadow, was replaced with 571' of 4" chain link fence, at Cliff St., on the south side, 234' of 4" chain link fence, Newfield St., on the west side, south to Jackson Lane, 221' of 4" chain link fence and at South Park Ave., rear of brick block, 63' of 4" chain link fence. Contract for furnishing and installing chain link fence was awarded to Reliable Fence Company of Norwell. A number of cement posts made by the department were replaced in town, Manomet and Cedarville having been knocked down from automobile accidents.

HIGHWAY CONSTRUCTION & RECONSTRUCTION

The following streets were paved with a 3" Type I mix over the old road surface consisting of a 2" base and a 1" top: Russell Ave., Alvin Rd., Massasoit St., Sagamore St., Knapp Terr., Sever St., Cotton St., Clark St., Franklin St., Washington St., No. Green St., Farmhurst Rd., Cochituate Rd., Bartlett Rd., Homer Ave. and the rear of the Plymouth Fire Station including the driveway.

The following streets were resurfaced with a mixed in place top of gravel and asphalt 3" in thickness: One mile of Bourne Road, Elm Street and West Pond Road. A seal coat of $\frac{1}{4}$ gallon of asphalt per sq. yd. and covered with sand was applied to the following roads: Two miles of Long Pond Road, one and one-half miles of Clifford Rd., one and one-half miles of Sandwich Road and one mile of Watercourse Rd.

CHAPTER 90 CONSTRUCTION

The State awarded to Campanella & Cardi Const. Co. of Sandwich, the contract for improving Taylor Avenue

from White Horse Road to Bartlett Brook. Work completed included drainage, regrading road surface, cement curbing, asphalt sidewalks and new roadbed of Type I mix 3" depth. The Plymouth Equipment Leasing Corporation was awarded the contract by the State of rebuilding Beaver Dam Road from the property of James McNary to cranberry bog of George R. Briggs. Work done by the contractor included drainage, widening of road from 20' to 30' and the road was brought up to grade with gravel. A hard-surfaced black top will be laid in the spring of 1963 on Beaver Dam Road. A third contract will be awarded in the spring for the continuation of Beaver Dam Road improvement.

CHAPTER 90 MAINTENANCE

Route 44, from Carver line to Clear Pond, a distance of 1.2 miles was widened from 20' to 24', crown of road removed and brush cut. A new surface of approximately 1400 tons of Type I mix was laid over the old base of the road by Warren Bros. Roads Co. of New Bedford. State, county and town share one-third of the cost of Chapter 90 maintenance.

GRANOLITHIC CURBING

The A. G. Tarantino Construction Service submitted the lowest bid for the construction of cement curbing as follows: Lothrop St., north side, 342.2', Holmes Terrace, south side, 240', Cooper St., north side, 295.6', Court St. and Forest Ave., 127.5', Braunecker Road, west side, 790.6' and Hall St., south side, 211'. North Russell Street was improved by narrowing the sidewalk approximately two feet, resetting concrete curbing, widening corner and laying new roadbed, and building fifty feet of new cement curbing. It was necessary to relocate the present basin and drain as the road was widened two feet, for parking purposes. Several uprooted cement slabs were removed and received a blacktop surface.

TRAFFIC AND STREET MARKING

White traffic lines and crosswalks were painted in the spring and fall. Taxi stands and restricted areas were painted yellow. It was necessary to replace many meter posts that were broken off and damaged by trucks and cars. Traffic signs and children signs were erected when requested. The Highway Dept. paint shop straightened and repainted traffic signs.

MISCELLANEOUS

A new Ingersoll-Rand rotary type air compressor and paving breaker was purchased in 1962 for the department. A new 1962 Dodge dump truck with a four yard body replaces the 1955 Studebaker dump truck turned in as part payment. The Oliver tractor backhoe and loader combination has proven very satisfactory. This piece of equipment has given service to other town departments when needed. The Highway Dept. graded, graveled and filled washouts along Eel River and filled in front of the bathhouse for the Park Department. These washouts were caused from the northeast storms of early spring.

Eel River and Bartlett Brook were cleared of sand and stones washed in from the high tides. Hired heavy equipment by a local contractor was engaged four times during the year to clear these streams.

The work in the Manomet, Long Pond and Cedarville districts has been carried out satisfactorily by the district foremen. The cutting and burning of brush, gravelling, widening of bad corners, snow and sanding, scraping of dirt roads and applications of calcium chloride to lay the dust, were all given proper attention.

The requests from the Selectmen's Office and other town departments were taken care of as received at the office.

Newly accepted streets by the town have been bounded by the Town Engineer with the bounds made by the Highway Department.

Lines and grades for street and sewer work have been supplied by the Town Engineer, Edward Chase, and records of same filed at his office on Lincoln Street.

Respectfully submitted,

ELMER C. CHANDLER
Supt. of Streets and Sewers

LIST OF JURORS

Prepared by the Selectmen of Plymouth, Mass.,
for 1963-1964

—A—

Ashton, Thomas H., 95 Warren Avenue, Retired: Former occupation, Vice-President, Bemis Bros. Bag Co., Minneapolis, Minn.

REPORT OF HARBOR MASTER

To the Honorable Board of Selectmen:

The following is the annual report for 1962 of your Harbor Master covering the period of my appointment in May 1962 to December 31, 1962.

As you are well aware, our harbor is becoming very congested due to the marked increase in all types of boating. I hope that this will be alleviated with our proposed breakwater when Federal and local funds are available.

The two town floats are in poor condition due to age, and are constantly in need of repairs; also, in my opinion, could prove dangerous to the people using them.

The Harbor Master's boat is also in poor condition, and due to increased boating, concern for the safety of the people in the harbor and lack of any Coast Guard boats for rescue operations in our immediate area, I sincerely hope the budget appropriation for a new boat and floats will be approved.

At the present time, we have fourteen party boats using our facilities with two more being added this spring.

The dragger fleet is decreasing in numbers but the size and length of the boats are increasing which enables the fleet to maintain its production.

There are approximately 425 pleasure boats of all types operating out of the harbor and 32 lobster boats of all sizes fishing off our shores.

There were approximately 800 visiting boats which laid over for periods ranging from one night to two weeks. The town was host to a group of 50 boats from the Massachusetts Bay Yacht Club Association arriving the same day that the Navy Minesweeper U.S.C.O. 58 spent the weekend in the harbor, berthed at the State Pier.

I wish to extend to the Board my sincere thanks for the encouragement and confidence given to me during the past season.

Respectfully submitted,

ANGELO BRIGIDA
Harbor Master

**ANNUAL REPORT OF THE
SEALER OF WEIGHTS AND MEASURES**

David A. Montanari, Sealer

Weighing and Measuring Devices Inspected:	
Tested	924
Adjusted	75
Sealed	892
Not Sealed	17
Condemned	15
Sealer Fees Collected	\$524.60
Adjusting Fees Collected	.65
Inspections which permit no Fees; Weighing of	
Commodities packed for sale:	
Tested	201
Correct	155
Underweight	8
Overweight	38
Peddlers' licenses issued	12

It is the view of the National Bureau of Standards that anything that the Sealer does in the way of adjustment or repair of commercial devices should be done as part of his official activity and as a gratuitous service rendered to his community.

If the official is competent to make the necessary adjustment or supervise the making of the required repairs, and if this does not involve an unreasonable expenditure of his time, it seems that he would not be justified in refusing to make this contribution to the best interest of the entire community.

PLYMOUTH COMMUNITY NURSE ASSOCIATION

February 5, 1963

To the Honorable Board of Selectmen:

We are submitting the following Annual Nursing Service Report of the Plymouth Community Nurse Association for the period between January 1, 1962 through December 31, 1962. This is our forty-fifth year of service to the community.

During the twelve month period, a total of 6,045 visits were made to patients in Plymouth and Kingston. Of this number, 822 visits were made on behalf of the Plymouth Health Department.

Ten Chest X-ray clinics were held at the Jordan Hospital with a total of 403 patients x-rayed and examined.

Ten Immunization clinics were held during the year at the Town House. A total of 432 injections of Tetanus, Pertussis and Diphtheria vaccines were given by Dr. Frank J. Abate, Board of Health physician.

Six polio clinics, including make-up clinics, were held during the months of May and June. Types I and III of the Sabin oral vaccine were given to 2829 infants and preschool children.

Twenty-four Well Child Conferences were held during the twelve month period. A total of 559 infants and preschool children were examined by Dr. C. James Gormley, our Well Child Conference pediatrician.

A Glaucoma clinic was held at the Town House in March. A total of forty-three patients were examined by Doctors Shaw and Merrick.

In May of 1962, we welcomed our first graduate nurse student, Miss Mary Klueber, from Boston College, who came to us for six weeks of field practice.

Respectfully submitted,

We are happy to report gains this year. Increases in the book budget made it possible to buy 107 more books than in 1961. We also increased the number of art reproductions to 64, which appealed to our borrowers and added to our total increase of circulation of 10,143. For the first time, total circulation exceeded 100,000.

The first weekend in August we were blessed with sunny weather for the combined outdoor art show and book sale. About 550 attended the art show.

There have been no changes in personnel which breaks a precedent of many years' standing.

Service activities have continued in the main library, the Ann Appleton Children's Room and the Loring Branch as will be seen in the statistics. Miss Grace Haigh, children's librarian, visits the schools twice a year to take word of new books. With the seventh grades in Harris Hall, next door to Loring Branch, the students have been able to make visits for their reference work. Several classes from Hedge and Cold Spring Schools have come, with their teachers, to receive instruction suited to their age and grade. Teachers have borrowed 31 book deposits from the main library, 16 from Loring.

PLYMOUTH REDEVELOPMENT AUTHORITY

Fourth Annual Report — 1962

This has been an active period for the Plymouth Redevelopment Authority beginning with the approval of the Part I Application for Loan and Grant by the Washington, D. C. and New York Officials of the Housing and Home Finance Agency.

August 23rd a Public Hearing was held in the Memorial Building. Approximately 170 people attended. Ample opportunity was given for these people to express their opinion and ask questions. This Hearing was followed by a Special Town Meeting held September 6th in the same hall, at which time the Summer-High Streets Plan was approved by an overwhelming majority vote of 170 to 1 in favor.

Many of the residents living in the area or who are interested, have attended the meetings of the Authority to discuss their immediate concern and the possibility of relocation from their homes. The Authority has continually encouraged more active participation by the residents to learn more about the future plans for the area to alleviate the worry, frustrations and uncertainty that accompany the prospects of relocation.

Close and constant association with HHFA, State and Local Officials have been maintained for efficient and satisfactory progress.

Workshop seminars have been attended.

Developers actively interested in developing the project area have met with the Authority members and discussed the potential of the blighted area. Future meetings have been arranged.

Part II Application for Loan and Grant has been

submitted to HHFA and the State Housing Board in Boston, Massachusetts.

It is hoped that the approval of this Part II Application will be the beginning of the great strides anticipated in the redevelopment of the Project Area.

Respectfully submitted,

CLIFFORD E. SAMPSON, Chairman

WILLIAM B. EDMANDS, Vice Chairman

RUSSELL T. FRY, Treasurer

EDWARD B. MACCAFERRI, Asst. Treasurer

RALPH L. DREW, Member

REPORT OF THE TREE WARDEN

To the Honorable Board of Selectmen:

Replacement of trees was done and in all 82 trees were planted. Pruning and removal of unsafe trees was carried out. Also a stumping machine was purchased and has proven very satisfactory.

Respectfully submitted,

DANIEL HOLMES

Tree Warden

REPORT OF THE BOARD OF PUBLIC WELFARE

The members of the Board of Public Welfare on January 1, 1962, were Francis H. Murphy, Chairman; Margaret E. McLean, Dexter M. Brooks, John J. Magee and Paul Withington.

At the March 1962 Annual Town Election, Margaret E. McLean and Paul Withington were re-elected.

At the organizational meeting of the Board of Public Welfare held following the Town Election, John J. Magee was elected Chairman of the Board of Public Welfare and delegate-at-large to the Town Meeting. Allen B. Wood, Director of Public Assistance, was re-appointed Secretary.

Dexter M. Brooks resigned on April 10, 1962 and at a joint meeting of the Board of Public Welfare and the Board of Selectmen, William B. Stearns, Jr. was appointed to fill the vacancy on the Board.

The 1962 appropriation for Public Assistance was \$485,000.00. The total cost of Assistance in 1962 was \$803,872.53, compared to \$801,869.74 in 1961. Federal grants totalled \$361,113.49, leaving \$442,759.04 to be spent from the appropriation. The share of the Commonwealth of Massachusetts of this amount will be approximately \$269,543.02, and approximately \$8,401.34 will be received from other cities and towns, leaving a net cost to the Town of \$164,814.68.

The 1962 appropriation for salaries and other administration was \$26,789.00. The total cost of salaries and other administration was \$44,137.79, compared to \$38,937.89 in 1961. Federal grants amounted to \$19,132.61, leaving \$25,005.18 to be spent from the appropriation. The Commonwealth of Massachusetts' share of this amount will be approximately \$8,669.99, leaving a net cost to the Town of \$16,335.19.

Federal grants are advanced to the Town and are available to be used in addition to the Town's appropriation but the share of the Commonwealth is paid as reimbursement for expenditures from the appropriation.

OLD AGE ASSISTANCE

The year opened with 304 cases being aided in this category. The case load dropped steadily during the year, and the year closed with 284 cases receiving aid. The total expenditure for Old Age Assistance was \$348,416.02 in 1962, compared to \$380,268.09 in 1961. Federal grants of \$183,126.83 were available, leaving \$165,289.19 to be expended from the appropriation. The Commonwealth's share of this amount will be approximately \$113,691.00, and approximately \$3,772.76 will be received from other cities and towns, leaving a net cost to the Town of \$42,825.43. During 1962, \$31,959.22 was recovered on Old Age Assistance liens. Other recoveries totalled \$4,305.37. These recoveries are of course distributed among the Town, the Commonwealth and the Federal Government.

MEDICAL ASSISTANCE FOR THE AGED

The year opened with 304 cases being aided in this category. The case load rose steadily during the year and the year closed with 37 cases receiving aid. The total expenditure for Medical Assistance for the Aged was \$165,599.07, compared to \$149,776.81 in 1961. Federal grants of \$79,454.32 were available, leaving \$86,144.75 to be expended from the appropriation. The Commonwealth's share of this amount will be approximately \$57,266.62, leaving a net cost to the Town of \$23,878.13.

AID TO DEPENDENT CHILDREN

The year opened with 95 cases, consisting of 69 parents and 213 children receiving this category of assistance. The high point was reached in March with 98 cases being aided. The case load then dropped steadily and

the year closed with 80 cases, consisting of 61 parents and 203 children receiving aid. The total expenditure for Aid to Dependent Children was \$159,023.10, compared to \$142,662.37 in 1961. Federal grants of \$69,981.50 were available, leaving \$89,041.60 to be spent from the appropriation. The Commonwealth's share of this amount will be approximately \$53,057.96, leaving a net cost to the Town of \$35,983.64.

DISABILITY ASSISTANCE

The year opened with 51 cases receiving this category of assistance. The year ended with 56 cases being aided. The total expenditure for Disability Assistance in 1962 was \$79,063.35, compared to \$77,480.77 in 1961. Federal grants of \$28,550.84 were available, leaving \$50,512.51 to be expended from the appropriation. The Commonwealth's share of this amount will be approximately \$29,712.27, leaving a net cost to the Town of \$20,800.24.

GENERAL RELIEF

The year opened with 60 cases, consisting of 149 persons receiving General Relief. The case load dropped to a low of 38 cases in July. The year closed with 64 cases, consisting of 119 persons receiving assistance. The total expenditure for General Relief in 1962 was \$51,770.99 compared to \$51,681.70 in 1961. Approximately \$10,815.17 will be received from the Commonwealth, and approximately \$4,628.58 will be received from other cities and towns for aid granted to persons not having a legal settlement in Plymouth, leaving a net cost to the Town of \$36,327.24.

Respectfully submitted,

JOHN J. MAGEE, Chairman
MARGARET E. McLEAN
FRANCIS H. MURPHY
PAUL WITHINGTON
WILLIAM B. STEARNS, JR.

ANNUAL REPORT OF THE CEMETERY COMMISSIONERS

To the Honorable Board of Selectmen:

In addition to the regular general care and maintenance of our several cemeteries we wish to call attention to the following improvements.

At the Oak Grove and Vine Hills Cemeteries we have hard-topped two gravel roads; Poplar Avenue which connects with the new road in the Addition which was completed in 1961, and the so-called Circle Road. We have also had three catch-basins installed in various parts of the cemetery to relieve drainage conditions. Walnut Avenue, leading from the Davis Street gate toward the Tool House, was resurfaced. It is planned to surface Ridge Road in 1963 and install a catch-basin. We were forced to remove two large elm trees because of the Dutch Elm Disease, and one large ash tree, which we found to be pulling out of the ground. All the money allocated for tree trimming was used for this work. In 1963 we hope to be able to catch up with our regular trimming. There has been considerable vandalism during the year. A large number of monuments had to be reset and repaired due to vandals. There were water pipe risers and faucets cut and many plants, flowers and containers stolen, particularly around Memorial Day. We feel that vandalism has been held down considerably by the patrols made by our own men as well as the Police Department. We want to express our appreciation to Chief Murphy for patrol work done by his department.

An area adjacent to the new addition, part of which was formerly a road, has been graded and seeded, and is ready for layout of lots. We have also contracted for new shrubs and trees for the addition. These will be set out at the proper time in the Spring and will in time enhance the appearance of the addition.

On Burial Hill we have continued with the work of recutting the letters and encasing the old slate stones in granite. In addition we have been able to repair the iron fence around the Warren Lot, most of the money for this came from the perpetual care fund. Here, too, there has been a great deal of vandalism, stones and monuments pushed over and broken. These have all been repaired.

In the Chiltonville Cemetery we have installed a dry well to relieve a drainage problem. This cemetery is in good condition with the exception of the fence which should be replaced in the near future.

In the Manomet Cemetery we were able to surface one of the main roads which connects the two gates and we hope to surface another of the main roads this year.

Trees have been planted at the South Pond Cemetery.

Vandals have been busy in all of these Outlying Cemeteries, particularly Cedarville, where we had to repair and reset eleven stones.

Because of increases in all of our costs we have found it in the best interests of the Town to increase our rates for burials and lot care in all cemeteries.

The receipts and payments of the Department are listed in Schedules "A" and "B" of the Town Accountant's Report.

Respectfully submitted,

F. WILLARD DITTMAR, Chairman

GEORGE E. RANDALL

REPORT OF THE CONSERVATION COMMISSION

To the Honorable Board of Selectmen:

Gentlemen:

Your Conservation Commission wishes to report that they are still in a formative phase. There is much to be learned and much to be studied. We have, with your kind cooperation, established an office in a room off the Assessors' office.

We have, during the year 1962, investigated the Right of Way to Little Herring Pond, as laid out by the County Commissioners but never built by the Town of Plymouth. There has been some criticism because this Right of Way has never been developed. Our investigation revealed that it would not be wise for the town to spend money on this project because of the location of the way and parking area with reference to the pond and that this area would best suit the purposes of conservation to remain in its present state.

We have spent considerable time and thought on various other Rights of Ways now existing in the Town but which are not maintained or exercised by the Town. Further investigation will be made.

The Commission recently requested that a parcel of land at Little Micajah's Pond, consisting of approximately 80 acres and on the list to be auctioned for non-payment of taxes, be removed from the auction list and retained for the future benefit of the Town under the authority of the Conservation Commission. It is our understanding that the Selectmen did retain this parcel for the Town.

We are very much concerned about obtaining access to Long Pond. We have had consultations with some of the residents and we hope that in the near future something concrete will be forthcoming.

It is our desire that something can be done to benefit the Town through access to ponds and shore areas in harmony with Plymouth residents before the State steps in and obtains access with drastic measures.

The Commission wishes to express their sincere appreciation to the Selectmen and other Town Departments for their helpful cooperation.

Respectfully yours,

SHERMAN W. HOWARD

REGINALD J. MAROIS

ALBERT C. HATTON

EARL H. LITTLEFIELD, Secretary
Plymouth Conservation Commission

ANNUAL REPORT OF THE PLANNING BOARD

The 1962 activities of the Plymouth Planning Board were conducted during the regular meetings held on the first and third Mondays of the month and during special meetings held throughout the year. In addition, the Planning Board Office at the Town Office Building was open for business between the hours of 9 A.M. and 12 Noon, Monday through Friday, under the direction of the Secretary Mary B. Searles.

At the Annual Town Election held on Saturday, March 3, 1962, Edward Chase was re-elected to the Board for a five-year term. David M. Crawley was re-elected Chairman and Edward Chase re-elected Clerk at the organization meeting held following the Town election.

During the year there was presented for approval under the Subdivision Control Law, a total of fifteen plans for subdivision. Nine of these with a total of 190

lots were approved, three did not reach the definitive plan stage, and three with a total of 99 lots were pending at the end of the year. In addition, forty-six plans involving sixty-six lots were submitted under the classification "Approval Not Required" and were endorsed.

The Capital Improvements Program was completed and incorporated as the Section 3A Supplement to the "Plymouth Compact as Revised to 1961." Prints of the program information were distributed and inserted into copies of the Compact. This and revisions of drawings completed the approved list of documents that constituted the General Plan of the Town of Plymouth, that was presented to the Federal Government by the Plymouth Redevelopment Authority on August 13, 1962.

Respectfully submitted,

DAVID M. CRAWLEY, Chairman
EDWARD CHASE, Clerk
WILFRED J. BROWN

RONALD A. FORTH

REPORT OF THE PLYMOUTH HOUSING AUTHORITY

For the Year 1962

Plymouth's first public housing for the elderly, the Castle Hill project, is well under way and at this writing is 20% completed. It should be ready for occupancy by next fall. There will be fifty units and a separate building for community activities. Each unit includes a living room, bedroom, kitchen with stove and refrigerator, a full bath, and a porch.

The location of this development affords a splendid view of the harbor, and the North Plymouth shopping area is within walking distance. The Authority feels that

the conveniences and general atmosphere of this development will make very pleasant and enjoyable homes for the tenants.

The Veterans' Housing at Olmsted Terrace and Stan-dish Court has been kept 100% occupied and there continues to be a waiting list. The latest improvement has been the construction of a six-foot chain-link fence on two sides of the property.

Eligibility and rents in the two projects are as follows:

In the Castle Hill project, citizens who are over 65 years of age and whose income if single does not exceed \$2500 per year, and if married does not exceed \$3000 per year are eligible for occupancy. The rent which will include gas, electricity, and heat, will, it is expected, be less than \$55.00 per month.

In the Veterans' Housing project the charges and limitations are as follows:

Minor Dependents	Admission Limits	Continued Occupancy Limit	Rent
One or less	\$4,500.00	\$5,000.00	18% of income
Two	4,700.00	5,200.00	16% of income
Three or more*	4,900.00	5,400.00	14% of income

*200 deduction from total income for each minor dependent child in excess of three.

Plymouth Housing Authority

BOARD OF PARK COMMISSION FOR THE YEAR 1962

The Park Department carried out its 1962 work program efficiently and without any serious problems due largely to the confidence vested in the department by the town meeting members at the March 1962 town meeting.

Briefly:

. . . 1962 Park Dept. appropriation was \$75,616.00; 1962 Park Dept. spending was an amount totalling \$74,967.95; a sum of \$648.05 was returned to the town treasury.

. . . Of this amount expended \$61,625.43 went to salaries and wages or 82% of the 1962 appropriation was spent on labor and personal services.

. . . Total receipts for 1962 for such as camp fees, parking fees and bath house privileges totalled \$22,807.46 an amount comparable to 32.5% of the department's 1962 appropriation.

Much work was accomplished during the year and much care given to the town's 16 parks, 8 playgrounds, 5 bathing areas and 2 camp grounds under the jurisdiction of the park department and in six respects under charge of the selectmen.

Vandalism continued throughout the year and the Board of Park Commission feels that town security costs are lessened by the hire of park department watchmen on the occasions of July 3-4, Hallowe'en or any night lent to town fiesta atmosphere.

The Commission recognizes its work day is 82% cost for labor and in this regard and in consideration of such extra work by the park department as assisting in the Christmas lighting project, band concerts and other occasions by which the department is called on and which willingly does give its helping efforts; that equipment and tools are highly necessary.

The Commission, by this report, give notification to the citizens of Plymouth that in 1963 the camp rates at Nelson Street will be increased from \$90 a season to \$120 per season; and the rates at the Indian Reservation (Fresh Pond) will be increased from \$75 per season to \$90 per season.

In conclusion, the Board of Park Commissioners and its Superintendent, together with the department office clerk, extends its thanks and appreciation for the great amount of cooperation given the department over the past year.

Respectfully submitted,

WALTER B. HASKELL, Chairman

**1962 ANNUAL REPORT OF
THE COMMISSION OF PUBLIC SAFETY**

Honorable Board of Selectmen

Town Office Building

Lincoln Street

Plymouth, Massachusetts

Gentlemen:

1962 inaugurated the first year the Commission of Public Safety was organized as an elected group. We have been fortunate in early arriving at a unity of purpose and harmony of effort in maintaining the highest

standards by each division for the best interests of the town.

The Fire Department continues to render efficient service in firefighting and in the lesser known field of inspection to insure against possible disaster. Captain Percy Gunther and Firefighter James Barlow have retired after over 30 years of service and were tendered retirement badges. Discussions with Chief Lamb have caused to be submitted in the Town Warrant articles to consider a station in Cedarville and the purchase of a new truck for forest fire work.

David Montanari was appointed as Sealer of Weights and Measures and assumed his duties in April.

The canine population and complaints reported against the behaviour of certain of its more unrestrained numbers have kept the Dog Officer fully occupied.

The Commissioners have held meetings during the year, individually and collectively, with Chief Murphy, all Sergeants and Patrolmen. Four new cruisers were delivered and the economy has been noted in the curtailment of repair bills. After discussion with the Chief we have decided to ask for an increase in the Police budget to allow for an additional five patrolmen. We are in receipt of many letters of commendation and thanks directed to the various members of the department for services. We are recommending trading-in cruisers yearly in the interest of efficiency and savings to the town.

The Board of Health will lose the services of Mrs. Harriet M. Darsch, its Health Agent. Mrs. Darsch has devoted many years of indefatigable service to the Board and her absence will create a void which shall take long to fill. We have been free from any life endangering contagious disease and have fulfilled a program to administer Sabin vaccine to the entire population. The

South St. dump is ending its years of useful life as the main repository of rubbish and it is proposed to institute proceedings for the procurement of a new dump site. This is incorporated in the town warrant.

It is gratifying to note in the building inspector's report that there were permits issued for the construction of over 4 million dollars of new building.

The Commissioners would thank the various committees, Board of Selectmen and ancillary town officials for their cooperation in implementing our work. We also express our gratitude and pride in the various divisions of the Commission of Public Safety and appeal to each member of the various departments to continue their loyal and faithful performances.

HYMAN DUBY, M.D., Chairman
JOSEPH R. STEFANI
PAUL WITHINGTON

ANNUAL REPORT OF THE PLYMOUTH INDUSTRIAL COMMISSION

The attraction of Industry to a community is the most highly competitive activity in business today. Progress is being made by the Industrial Commission, in a small way to begin with, but other long-range efforts are being undertaken which will, we hope, place us in a more favorable position.

This year, the firm of Pembroke Sportswear, employing 25 people, was brought into the Community by your Industrial Commission. Space was found at Plymouth Cordage Company for the firm.

During the past year an Overall Economic Development plan has been formulated and approved, which makes this area eligible for benefits of the ARA program sponsored by the U.S. Department of Commerce. Under this program, so called "Distressed Areas," are eligible for preferential treatment under Government contracts, for long-term low-interest loans to eligible firms, for training programs to re-train workers in new skills, and for assistance in Community facilities such as the harbor program, sewers, roads, and facilities which affect the establishment of a new industry and new payrolls.

A Plymouth Industrial Development corporation has been formed, which can support the efforts of the Commission in obtaining ARA assistance for new industry.

The acquisition of Puritan Mills by Grossman, Inc. was a fortunate occurrence for Plymouth. The Industrial Commission will assist Grossman in helping to fill the property with productive activity.

During the past year, the following firms have been contacted by the Industrial Commission. This information is supplied by Mr. Edward N. Mayer, Chairman of the Commission. Names of firms have been deleted for business reasons, but are on file with the Industrial Commission.

Nature of Company	Requirements	Contacts & Comments
1. Plastics Company	200,000	3 visits—6-7 phone calls. Still looking — Passed along to Grossman.
2. Animal Food Concern	80,000	2 visits — 4 phone calls.
3. Chemical Concern	40,000	Dismissed interest due to Credit Rating.
4. Adhesive Company	70,000	Numerous visits and 7 phone calls.
5. Aluminum Processor	50,000	1 visit — 2 calls. Decided to stay in New York area.
6. Industrial Locator (consultant)	50,000	Representing two clients interested in locating in New England. Would not name clients — dismissed relocating for present. Made 2 calls in New York.
7. Wool Processor		4 phone calls.
8. Engineering Company	50,000	1 visit — 3 phone calls. Referred to Grossman. Information secured a month ago, located New Bedford. Building more suitable than our available properties.
9. Wholesaler-Distributor		2 visits to Plymouth, 3 phone calls. Decided against Plymouth due to geographical location. Desired to be closer to market and chose Rhode Island.
10. Wholesaler-Distributor	20,000	Looking for wholesale operation. Decided to expand at their present location — 2 visits, 5 phone calls.
11. Electronics Concern	100,000 to 250,000	Working with Mass. Dept. of Commerce. Talked direct to Mr. Grady — supplied him with confidential information. Has not visited Plymouth. Promised visit within next 2 weeks. Developed through a source that he cannot be pushed. Will make visit when he elects.

JOHN PETRELL, JR., Chairman,

Plymouth Industrial Commission

ANNUAL REPORT OF THE ZONING AGENT

To the Honorable Board of Selectmen:

The following is the annual report of the Zoning Agent for 1962:

- 1295 Calls made on Zoning and Planning requirements
- 11 Inspectional Reports requested by the Selectmen
- 3 Zoning violations referred to the Board of Selectmen for enforcement
- 30 Referrals to the Zoning Board of Appeals for variances
- 142 Zoning complaints of violations investigated
- 142 Zoning complaints of violations corrected without court action
- 1 Planning Board regulation violation corrected without court action

FENCE VIEWER AND FIELD DRIVER

- 8 Fence viewing investigations
- 3 Field driving investigations

Respectfully submitted,

ALBERT F. SAUNDERS,
Zoning Agent

REPORT OF THE BOARD OF RETIREMENT

To the Citizens of the Town of Plymouth:

The Board of Retirement regrettably reports the death of its employee member, Peter Brigida, on June 14, 1962. Although a member of the Board for only two years, he was sincerely interested in the work of the Board and in the problems of the employees. A special election was held, with Romeo W. Carletti elected to fill the vacancy as employee representative.

The System also lost by death two other employees, Nando Govoni and Walter L. Burke, as well as one pensioner, Benjamin G. Harlow.

As of January 1, 1963, the Town of Plymouth System will include the Plymouth-Carver Regional School District, as well as the Plymouth Redevelopment Authority.

The Board also acts as retiring authority for non-contributory pensions. As of December 31, 1962 there were seventeen non-contributory pensioners and one beneficiary receiving retirement allowances from the Town.

Section 94A was added to Chapter 32 in 1962. Under this act any disease of the lungs or respiratory tract, resulting in the total disability or death of a uniformed member of a paid fire department, shall be presumed to have been suffered in line of duty.

REPORT OF ADVISORY AND FINANCE COMMITTEE FOR 1962

During the past year the Advisory and Finance Committee has assisted departments to coordinate their efforts by working together which has resulted in financial benefits to the Town. We believe that until the Town changes its methods of operations and accepts centralized purchasing and centralized repairs and maintenance, more substantial savings in the cost of running our government cannot be realized.

If the items in the budget and the articles in this warrant are voted as recommended by this committee, the net increase in the tax rate will be approximately \$4.10 notwithstanding the fact that we are financing a regional school, adopting the Personnel Board Report, and purchasing new equipment for all departments.

The amount requested for the 1962 budget was \$3,392,554.46. This committee recommends \$3,262,784.86. This represents a net appropriation decrease of \$129,769.60.

It is the hope of the Advisory and Finance Committee that each town meeting member will take the suggestions offered by this committee and bring about this net increase of approximately \$4.10 in the tax rate.

In another effort to bring about a more realistic tax rate, we are recommending the acceptance of Article 99 in order to return to the Town Treasury unexpended balances of appropriations that are now unnecessary and that have been idle for one or more years.

In closing, we thank the various departments for their cooperations during the past year and their assistance in preparing the budgets and the warrant for this annual town meeting.

As an added incentive to the town meeting members in their consideration of the budget and the warrant, we sug-

gest that you keep in mind the Town's share of projected capital outlays which are as follows:

Redevelopment — 1962	\$200,000.00
Federal Harbor Project — 1963	250,000.00
Junior High School Renovations — 1963	80,000.00
Manomet School Building Addition —	
1963	160,000.00
Sewer Project (?)	1,250,000.00
	<hr/>
	\$1,940,000.00

SUMMARY OF COMMITTEE RECOMMENDATIONS

Article 7	\$3,262,784.86
Special Articles	759,623.41
State and County Assessment (Net)	234,335.69
Overlay Deficit (1957)	15.46
Overlay Deficit (1958)	81.76
Overlay Deficit (1959)	268.32
Overlay for 1961 (Estimate)	90,000.00

Total Recommended Expenditures	\$4,347,109.50
--------------------------------	----------------

Estimated Receipts	\$1,188,629.55
Excess and Deficiency (Articles 17, 105, 106)	398,000.00
Parking Meter Receipts (Article 7)	12,435.00
Stabilization Fund	89,000.00
Real Estate Fund	42,650.00
Sale of Cemetery Lots	2,500.00
Waterfront Protection	11,531.25
Poll Tax (Estimate)	9,100.00

Total from Sources other than Tax Levy	\$1,753,845.80
--	----------------

Balance from Real and Personal	\$2,593,263.70
--------------------------------	----------------

Based on the 1961 valuation of \$39,960,600, this total will require a tax rate of approximately \$64.90.

ANNUAL REPORT
OF THE
School Department
OF THE
Town of Plymouth
MASSACHUSETTS

FOR THE YEAR ENDING

DECEMBER 31

1962

REPORT OF THE PLYMOUTH-CARVER REGIONAL DISTRICT SCHOOL COMMITTEE

To the Residents of the Towns of Plymouth and Carver:

The Plymouth-Carver Regional School District Committee has concerned itself during the past year with the construction of the new school on the site on Obery Street. Our intention is to have the construction completed for occupancy in September of 1963. At the time of this report, there appears to be no reason for our not having classes in the new school on that date.

Construction has been in two phases: the first contract was let to Eastern Tree & Landscape Corp., of Dedham, Mass. Their contract of approximately \$91,500 involved the clearing of the site; land compaction in the area of the actual building; general landscaping of most of the school site; and the development of the athletic playing fields. At this time, the playing fields have been laid out and will be ready for seeding this spring. It was our hope to have the football field seeded in the fall of 1962, so that interscholastic football could be played on the Obery Street site in 1963. Unfortunately this was not accomplished by the contractor, in spite of repeated pressures by the Committee. We will have to utilize John Seaver Memorial Field on Standish Avenue next fall through the courtesy of the Plymouth Park Department.

The building construction is being done by J. L. Marshall & Sons of Pawtucket, Rhode Island. We have employed Mr. Marshall Jackson of Marion, Mass., as Clerk of the Works. As of this date, construction is proceeding rapidly; fortunately, we have not had any major delays either by material shortages, labor difficulties, or weather. The Committee has maintained a close watch on construction, and receives monthly progress reports from Mr. Jackson. Mr. F. Edward Nicolas, Superintendent of

the Plymouth-Carver Regional School District, makes visitations to the site approximately three times a week. In addition, the architects visit the site twice a week. With this amount of supervision, we believe that the towns of Plymouth and Carver can be reassured that the construction complies closely to the specifications.

Work is progressing in acquiring the necessary equipment, both fixed and movable, which will furnish the school. We believe that we are providing adequate equipment and have attempted to stress quality as a means of long range economy. We have been utilizing the services of Mr. Samuel Crabtree of Belmont, a professional school equipment consultant, for this purpose. Numerous conferences with the faculty and department heads have been held by the superintendent to ensure procurement of the needed equipment. Unfortunately, the amount of equipment that we will be able to move from the present Plymouth High School is limited in view of its age, and because much of it will be necessary for the Plymouth students who will continue to occupy the buildings on Lincoln Street. This amount of money is reflected in our construction budget for equipment.

As the result of the delays in construction caused by the failure of the first bond issue, new plans and specifications had to be prepared by the architects. We believe that because of this "second look," we have achieved overall a better school, however, we had to eliminate three classrooms. The architects' fees for the second plans (drawings and revisions) plus the cost of blue prints, amounted to approximately \$71,000. Because of this, and the necessity for equipment as already outlined, we have submitted articles to the two towns requesting appropriations of \$120,000 to complete construction. Whether this money is raised by bond issue or other means will be determined by the Finance and Advisory Committees of the two towns prior to Town Meeting. Examination of the

construction budget will make clear the need for the added sum of money.

During the past year, Mr. Julian Demeo of Wayland was appointed Headmaster of Plymouth High School. The decision to employ Mr. Demeo was made as a joint decision by the Plymouth School Committee and the Plymouth-Carver Regional School District Committee. Since October, Mr. Demeo, in cooperation with his faculty, has outlined a new curriculum to be effective in September of 1963. Copies of this curriculum have been given to all students entering Plymouth-Carver Regional High School next September. We believe that this curriculum represents what the two towns desire for the education of their children. It is not unique or radically new. It merely represents what every good high school in Massachusetts offers its students.

We expect to add some fifteen new teachers to the faculty when the school opens. This is not because this is a regional school, rather this is because we are opening a new school with added courses, an additional pupil load, and a desire to reduce the overcrowded conditions which we have suffered during the past few years. We intend to have a teacher-pupil load which is consistent with the students receiving adequate instruction.

The Plymouth-Carver Regional School Committee has a large job ahead of it. We have, we believe, excellent administrators who will make the job much easier for us. We will make policy, but leave the administration of the policy to our professional administrators. We have high ambitions for our school; a good sound education is the only heritage that we can leave our children. We are not attempting radical departures in education in the new school, rather we hope to provide an educational facility

that will fill the needs of all students, whether college bound, or interested in business training or artisan trades. To this end, we believe that thus far, we have achieved our purpose.

ANNUAL REPORT OF THE SCHOOL COMMITTEE AND THE SUPERINTENDENT OF SCHOOLS

To the Residents of the Town of Plymouth:

I herewith submit my third annual report in cooperation with the Plymouth School Committee. This report also includes various summaries from the departments that are important in the operation of our school system. Perusal of these in order to get an overall informed picture of the work being done in our schools is important.

Committees

At present, there are two committees at work. The work of the Manomet Building Committee under the chairmanship of Mr. Henry Cappella culminated at a special Town Meeting on December 18, 1962, when a six room addition with auxiliary facilities was voted by Town Meeting representatives. At the writing of this report, beginning construction is foreseeable within the very near future.

The Renovating Committee under the chairmanship of Miss Mary M. Dolan is working diligently and tirelessly in order to finalize plans for changes in these two buildings. It is hoped that these buildings will be ready to house sixth, seventh and eighth grades, and some fifth grades, in September 1963.

Curricula

Of necessity, there is an overlapping between physical and curricula changes within our system. The opportunity of housing seventh grade students at Harris Hall certainly provided an advantage to refine grouping at this level with the result that more individual help can be offered to these pupils.

Modern concept algebra has been given for the first time to all students in the college preparatory section of the ninth grade.

Changes in scheduling also allowed for a larger participation in the industrial arts program for boys, and an increase in the number of openings for girls in the field of Business Education.

An outstanding accomplishment at the high school level was participation of 14 of our honor students in a pilot program sponsored by the State Department of Education entitled *Goal for Americans*. The primary result of this activity was the creation of a program entitled *The Plymouth Plan* which is presently being published by the State Department of Education, Civic Education Division.

Members of the high school faculty have been working diligently completing changes in curriculum which will be effective next September.

Members of the elementary teaching staff completed their self-evaluation of our elementary schools. From this study, definite recommendations were made to improve and modify the elementary curriculum. As an immediate result, a system wide committee is presently working on report card revisions.

Ability grouping in reading at the intermediate level in all our Elementary Schools has become a reality as a result of a pilot program previously inaugurated in one of our elementary schools. Similar grouping in arithmetic at the intermediate level is in the experimental stage in one elementary school, and if it meets with the success that grouping in reading has reached, this program will become an integral part of the regular curriculum in the remainder of our elementary schools.

In the spring every child at the elementary level was administered a standardized achievement test. The results of these tests indicate that our level of academic achievement compares favorably with national norms,

and above average in several areas. The data from these tests are used by our teaching staff to strengthen and develop pupils to their greatest potential.

We would like to reiterate that a kindergarten program is a most important part of an elementary program. When the time arrives that space is available, we would hope that serious and positive thought would result in the establishment of a kindergarten program as an integral part of our elementary schools.

Personnel

Many changes have taken place during the past year.

Mr. Lawrence Bongiovanni, Principal of the High School, resigned to accept a position with the State Department of Education. Mr. Bongiovanni had been a member of the school staff for 18 years. We sincerely wish Mr. Bongiovanni much success in his new position. Mr. Julian Demeo, Jr., Assistant Principal of Wayland High School, assumed the duties of high school principal October 1, 1962.

After twenty-five years of teaching in the Science Department of the High School, Mr. John Packard chose to resign. Mr. Packard has joined the State Department of Education and we wish him success in this field of endeavor.

The sudden passing of Mrs. Viola Figueiredo, Home Economics teacher, was a great shock to all who knew and worked with her.

Mr. William Gault, Jr. was appointed principal of the Junior High School following his service as acting principal from January to June, 1962.

Mr. Alton Cavicchi, a member of the Plymouth School Committee for nine years, was signally honored when he was elected President of the Massachusetts School Committee Association for the year 1962-1963. Mr. Cavicchi

has been an extremely active member of both his local Committee and the State Association for a number of years.

Retirements

After a total of 169 years of dedicated service to the youth of Plymouth, the following staff members retired during the year 1962. We wish them many years of happy retirement.

Miss Helen Johnson — Senior High School	1922-1962
Miss Jeannette Jacques — Senior High School	1931-1962
Mrs. Lucy Rae — Hedge School	1924-1930 1953-1962
Miss Helen Holmes — Cornish-Burton School	1916-1962
Mrs. Helen Manchester, Principal Mt. Pleasant School	1935-1962
Mrs. Margaret Healy — Junior High School	1952-1962

School Plant Improvements

The following improvements were made in the school buildings during 1962:

Senior High School

Installation of fluorescent lights

Junior High School

Replaced feeders and service for electrical load

Hedge School

Painted jets and gutters and remainder of trim

Corrected washout

Gravel parking area

Repairs to three flat roofs

Repaired front steps

Manomet School

Painted outside trim

Front roof repairs

Mount Pleasant School

Boiler converted to oil

Harris Hall

Renovations and Equipment — \$7,543.65

All of the equipment purchased, and much of the materials used in renovating will be removed and used in other schools throughout the system

We would like to express our appreciation to the residents of Plymouth and to the members of the staff for their fine cooperation in making this past year a most successful one. It is only through such cooperation and support that we can attain the ultimate educational goal, the preparation of our pupils to meet the needs and requirements of every day living.

Respectfully submitted,

ANNUAL REPORT OF THE PRINCIPAL OF THE PLYMOUTH HIGH SCHOOL

A number of significant events highlight the year 1962 at Plymouth High School.

Pupil enrollment continued to increase from 531 students in September, 1961 to 601 students in September, 1962. Average daily attendance remained fairly constant at approximately 95%. This creditable percentage of attendance is attributable mainly to the health services provided to our students within the school and the personal contact maintained with the home by the school nurse and the supervisor of attendance.

During the year 5% of the student body dropped out of school. While this figure is considerably less than the state and national averages of 22% and 40% respectively, nevertheless it is a condition about which we should all be concerned and attempt to minimize. Besides studying the drop-out problem, the school guidance department is working closely with many cooperating agencies which include the family, the Judge Stone Guidance Clinic, the Society for the Prevention of Cruelty to Children, the Youth Service Board and various church groups to achieve this end. Recommendations will be forthcoming upon completion of the study.

Along with meeting the normal daily responsibilities of learning, many students participated in related curricular activities in which they distinguished themselves by their thoughts, words and actions. Fourteen honor students participated in a *Goals for Americans* pilot project sponsored by the Massachusetts State Department of Civic Education; another seven students participated in a panel discussion, *Youth Speaks its Mind*, at Bridgewater State College. The Student Activities Society received wide recognition for the Charity Project it conducted, as have the Band and the Marching Girls for their fine

performances. The basketball, baseball and football teams earned recognition for the outstanding records they compiled. The Plymouth High School basketball team culminated the season by winning the Class C Championship of the Eastern Massachusetts Basketball Tournament. These worthy experiences have added much to the personality of the school and have contributed greatly to the notable esprit de corps which exists between the student body and the staff.

Members of the graduating class of 1962 were extremely fortunate to be beneficiaries of \$12,000 in scholarship aid. Like their predecessors, a high percentage of the graduating class is furthering its education. This benevolence provided more students more opportunities to continue their studies. What feed-back has been received from these students and from the schools they are attending merits strong words of praise and thanks to all who have provided scholarship aid.

The increasing pupil enrollment necessitated a staff increase in order to carry out the school program. Additions have been made in the Guidance, English, Business and Science Departments. Other changes in staff resulted from retirements and resignations. Especially noteworthy was the resignation of the principal, Mr. Lawrence M. Bongiovanni, who left to assume wider educational responsibilities with the Massachusetts State Department of Education, and the retirement of Miss Jeannette C. Jacques and Miss Helen Johnson who served Plymouth students for thirty-one and forty years respectively.

To continue to provide quality education for our students and to prepare for the transition to the Plymouth-Carver Regional High School, the staff has been engaged in numerous, diverse activities. The Head of the Social Studies Department participated in a conference of twelve teachers to advise the Massachusetts State Department of Civic Education as to the kind of evaluation

to be employed by the one hundred high schools presently using the tryout edition of the resource unit on *Ideology and World Affairs*. Some teachers were members of school evaluation teams; some teachers visited other schools to learn about their development; many teachers returned to school to enrich their background; all teachers were involved in developing the curriculum.

Plymouth High School was singularly honored in 1962 to be chosen by the Massachusetts State Department of Civic Education to conduct a pilot course on *Goals for Americans*, a project initially sponsored by President Eisenhower. Fourteen honor students participated in the seminar; and the program, operated by the Plymouth High School English and History Departments in conjunction with the State Department of Civic Education, involved such survey techniques as the following: expert consultants, field trips, extensive reading, group dynamics, and research projects. The goal was to expose the students to the possibility for . . . and the advisability of . . . meaningful civic action. That the ideal was achieved is evidenced by the students' creation of a program for curriculum enrichment entitled *The Plymouth Plan*, which is in the process of being printed by the Massachusetts State Department of Civic Education for distribution throughout the state.

These are the highlights of the year 1962 at Plymouth High School. They are significant because they required extraordinary service. The community can well be proud of these accomplishments. We highly commend those who earned them.

Respectfully submitted,

JULIAN DEMEO, JR.

Teacher

Plymouth Junior High School

1938 - 1962

Died October 1, 1962

ANNUAL REPORT OF THE PRINCIPAL OF THE PLYMOUTH JUNIOR HIGH SCHOOL

This year's use of the Harris Hall facilities has made for another season of pioneering for the students and faculty of Grade 7. Much credit must be given to all concerned in the evident success of this venture. The officials of the Cordage Company and Father Norton, pastor of St. Mary's, are due great thanks for the spirit of cooperation which they have displayed.

The very reasonableness of the class sizes provided in the seventh grade has made possible a wonderful increase in the teachers' ability to offer greater attention to the individual needs of these young people. More time has been provided for the development of foundation knowledge in the basic areas of English, mathematics, and social studies. The science program has been broadened and enriched, and this has been one of the most wonderful improvements to be observed. In physical education we have more than doubled the previous weekly allotment of time, and the progress which has been evident here is ample indication of the worthiness of this increase.

In all three grades we have returned to a procedure of grouping that is based on measurements and interpretations of several areas of student achievement and ability. This was a primary function of our guidance counselors, and particular thanks is offered to them and to the many teachers who gave of their time and thought in these important determinations.

The loss to the high school of two full-sized classrooms with no significant drop in the total enrollment of Grades 8 and 9 has caused some serious overcrowding in many of these sections. The greatest hurt had occurred within the eighth grade where classes have ranged to a most unpleasant and educationally unrewarding size of

thirty-nine members. In Grade 9 certain adjustments in our programming of the daily schedule have allowed for an alleviation of this problem in the foreign language and science sections.

I am particularly pleased to note that we were able this year to increase by three fold the number of boys allowed to participate in the industrial arts program. Another series of schedule changes allowed a much larger than usual number of girls to benefit from our business education program. To further enrich the business curriculum, we have added a full course in business arithmetic or in review mathematics.

By providing a more flexible scheduling of Grade 9 classes we have for the first time in recent memory granted the individual course selections of all preparatory students. This flexibility has served in other ways to improve the all important factor of student morale and personal motivation for those who have accepted the serious challenges of college entrance. Modern concept algebra has been given for the first time to all students in these sections. I am most pleased to report that there are far fewer than the usual number of college math failures at this mid-point time of the school year.

Our system of marking has been revised in an effort to more clearly indicate student progress and achievement in our periodic reports to parents. We are entirely anxious to facilitate a more rewarding system of communication between the school and the many homes it daily works to serve. To this end we have already held six evenings for parent visits designed to serve different grade or group purposes. The general meeting in the school auditorium found something close to four hundred parents, teachers, and other friends in attendance. This was certainly the largest gathering within personal memory and served to display the wonderful interest which is so much a part of our Plymouth school community.

This school year has known the loss of two very fine faculty members, Mrs. Viola Figueiredo and Mrs. Margaret Healy. Their efforts on behalf of our children have been sorely missed, and we can be thankful only for the quality of their replacements.

Never before have I so truly appreciated the fine faculty of this school. They have worked unstintingly in their efforts to improve the quality of our educational program. It is they who have made possible the pride which is presently mine in the increased benefits which have come to our student and parent groups. I should feel personally remiss if I did not express my thanks for the fine spirit of cooperation which has come from the superintendent's office. To these people and to you, the citizens who interest themselves in good school development, I express my gratitude for your many assistances to me, and I humbly renew my promise to work in all possible ways to make of our school one in which we may take increased pride in the years to come.

Sincerely,

WILLIAM GAULT, JR.

Principal

ANNUAL REPORT OF THE DIRECTOR OF GUIDANCE

With the addition of two full-time counselors this academic year, the Guidance Department has expanded its services to the school and community. Mr. Edwin Denton joined the Plymouth Junior High School, and Mr. Joseph Jayko, the Plymouth High School.

In the elementary schools we have continued the scholastic ability and achievement tests for the two-fold purpose of measuring and comparing ability with performance, and of providing a tool to assist in proper grade-placement of pupils.

Thanks to the cooperation of the elementary school principals and sixth grade teachers, we were provided with anecdotal records, scholastic evaluations, and pupil questionnaires regarding future plans, and questions pertaining to junior high school; these questionnaires provide a space for answers to the following statements: "I feel that these OCCUPATIONAL PLANS seem: (check one) REALISTIC — UNREALISTIC" and a similar statement relative to EDUCATIONAL PLANS; lines for both parent and teacher signature follow the boxes to be checked. All of this information was used for the purpose of determining pupil placement in homogeneous groups.

As in the past two years, the guidance staff and the junior high school principal, Mr. Gault, visited the five elementary schools to conduct orientation meetings for the purpose of familiarizing the pupils with the junior high school program, activities and facilities.

In order to provide guidance services to Harris Hall, a schedule was made out so that the two junior high school counselors give an equitable amount of time to grade seven.

When the seventh grade met in afternoon session, a home room guidance committee composed of teachers with

Mrs. Doris Rogers as Chairman, and Miss Muriel Carlson as ex-officio member, prepared an outline of topics and ordered 14 sound films to correlate with this outline. Suitable for both grades seven and eight, with subjects such as "Getting the Most Out of School," "You and Your Attitudes," these films have proven to be most useful.

We are indebted to the seventh grade teachers for their evaluation of each student to facilitate placement in grade eight in the system of homogeneous grouping.

Last year, to the battery of tests administered to the junior high school pupils we added the Modern Language Aptitude Test, a prognostic test to help us in counseling students relative to selection of Latin or French. The counselors tested pupils individually when needed, making use of reading, interest and intelligence tests.

Each counselor visited every junior high home room to explain the role of the counselor, to discuss the importance of attitudes, to explain the significance of achievement tests, and to acquaint the pupils with the availability of career information materials.

There has been an increase in the number of conferences between counselors and parents; the Guidance Department has been instrumental in arranging more individual parent conferences with teachers.

In both the junior and senior high schools, the guidance staff has participated in Parents' Nights, the purpose of which has been to inform the public on such matters as program of studies, school policies, guidance services, testing program and interpretation of test results.

At the senior high school level we have continued our educational and vocational counseling of individual students along with educational programming and career planning. With the cooperation of local representatives

in business and industry, and with the services of the Massachusetts Division of Employment Security, we have carried on our program of student employment assistance.

A major project in which the Guidance Department participated last year was the creation of a program of studies. This booklet of 21 pages covers vital areas such as "Notes on College preparation," "Notes . . ." on various post-secondary school institutions (junior colleges, schools of nursing, technical schools, business schools, for example) and full descriptions of all of the course offerings at Plymouth High School.

I should like to express high appreciation for the splendid service rendered to our school by the Kiwanis Club of Plymouth in making funds available to us for vocational and educational orientation trips. Under this program, each month a group of five seniors accompanied by a counselor travels to a school, industry, place of business or some institution of the students' choosing, for the purpose of investigating the training or vocational opportunities.

Statistics for the class of 1962 show an increase in the percentage of graduates going on to college or other post-secondary schooling. The figures are as follows:

PLYMOUTH HIGH SCHOOL CLASS OF 1962

Total senior class	141	(Plus one
Total graduates	139	to graduate in August)
	No.	%
Total going on to schools or college	75	54%
4-year colleges	34	24%
2-year junior colleges and business schools	12	9%
Professional nursing	4	3%
Trade and technical schools	8	6%
Short term business schools	8	6%

Hairdressing schools	4	3%
Preparatory schools	1	0.7%
Post graduate course at P.H.S.	2	1.4%
Other schools	2	1.4%
Employment in offices and banks	9	6%
Other work	16	11%
Undecided, plans indefinite	15	11%
Armed services — total	25	18%

REPORT OF THE MUSIC SUPERVISOR

The year just passed has shown continued development in the music program of the elementary grades. The general improvement in classroom singing has been gratifying. This has been especially apparent in the tone quality of the singing, and the ability of fifth and sixth grade children to maintain their parts in two or three part singing.

Each of the schools containing fifth and sixth grades has had its own glee club and beginners and advanced violin classes. The advanced violin classes, joined by a few other instruments, formed an orchestra in each of these buildings.

All of the glee clubs, orchestras, and violin classes presented programs in June, both for their schoolmates and for their parents. There were Christmas programs in all schools. The glee clubs participated in each of these, which, too, were given for both the children and the public.

One glee club also participated in the new community venture of singing Christmas carols in front of the Court House.

The emphasis on creative expression has begun to bear fruit. During the year several songs have been composed by children and sung by their classmates, and numerous additional stanzas for songs already known have been written. Two sixth grade boys, a pianist and a clarinetist, jointly arranged a composition written by the pianist, and played it at their June school program. It was very well received by both parents and children.

As an outgrowth of the rhythmic work in the classroom, at Christmas time children from the first four grades in one of the schools presented their own interpretation of the "Nutcracker Suite" by Tschaikovsky. With original dances in charming costumes made by the

teachers and parents of the children participating, it was a memorable occasion for all concerned.

Especially gratifying has been the interest and encouragement of the parents of our boys and girls. This, coupled with the splendid cooperation of teachers and administrators, has made possible a healthy growth in musical achievement, which we hope will be furthered in 1963.

Respectfully submitted,
GRACE M. MESERVE

ELEMENTARY PHYSICAL EDUCATION REPORT

Although I am new to the Plymouth School System, I am happy to report that the progress in our Physical Fitness program has not suffered. The wonderful cooperation of the teachers and administrators has made my period of adjustment a quick and easy one.

According to national figures, the greatest percentage of failures in Physical Fitness tests occur in the tests involving upper body strength. Since October, I have devoted one-half of every Physical Education period to various exercises designed to strengthen the shoulder girdle. The children have responded very well with the following results:

Total Percentage Failures

1961 - 25.1%

1962 - 21.3%

Copies of the test containing an explanation of each test item, a national norm chart, individual test results, and a composite test analysis have been sent to all teachers and administrators involved.

It is my aim within the next three years, the total number of failures in our Physical Fitness program will amount to less than 10% of the total number tested.

Respectfully submitted,
CHARLES J. VENTO

ANNUAL REPORT OF ORAL HYGIENE-DENTAL CLINICS

January 1962 — December 1962

I herewith submit by report of the dental department of the Plymouth Public Schools for the year 1962.

The usual examinations in grades one through twelve were made in the fall by the School Dentists.

2,649 pupils were examined, and 1,290 were found to have all needed correction made at this time. 1,359 were in need of dental attention and were referred to their family dentist. However, each year an increasing number of children are receiving dental care.

We have recommended more study hours in nutrition in the Junior and Senior High Schools.

190 pre-school children were examined in May with the parent present. The importance of saving the deciduous (baby teeth) — the effect this has on the permanent ones was discussed.

114 Children had a family dentist
80 Children needed no treatment
45 Children referred to dentist

Percentage of Dental Corrections

Grades 1 - 6

Pupils examined in fall of 1961	1,280
Pupils with all corrections made	645
Results of these examinations as of June 1962	

Pupils with dental certificates

Cold Spring School	64%
Cornish-Burton School	70%
Hedge School	65%
Manomet School	56%
Mt. Pleasant School	77%
Oak Street School	77%

Sound precepts of dental health education must be instilled in children at an early age. This requires the cooperation of the child and parent.

Four basic steps to insure a good start toward this goal are:

1. A balanced diet — avoid too many sweets.
2. Early and regular dental treatment.
3. Proper use of the toothbrush after meals and especially after those bed-time snacks.
4. Fluoridation of Community water supplies.

Oral Hygiene - Dental Hygienist

Grades 1 - 6

349 Classroom talks were given and 1,004 children had a dental prophylaxis (cleaning of teeth).

Our local radio station W.P.L.M. was most cooperative during National Children's Dental Health Week (February 4-10) to make announcements of my broadcast on Children's Dental Health.

Dental Clinic

We are grateful to the Safety Commission, Health Division for their continued interest and cooperation. This year an autoclave and two dri-claves have been furnished us at the various clinics to insure safe methods of sterilization.

Clinic sessions (reparative work and examinations)	82
Treatments	263
Completed cases	62
Amounts received for clinical services rendered	\$114.20
Amounts received for sale of toothbrushes	78.60
Total	\$192.80

The Dentists again recommend that the Town adopt the fluoridation of its public water supply as a means to help prevent dental decay in the children's teeth, on the basis of long established study by the American Dental and American Medical Associations.

I wish to express my appreciation for the kind cooperation extended to me by the teaching staff and personnel of all the schools.

School Dentists

WILLIAM O. DYER, D.M.D.

FRANCIS C. ORTOLANI,
D.M.D., F.A.C.D.

JANE B. BRADFORD

Dental Hygienist

ANNUAL REPORT OF THE ELEMENTARY SCHOOLS

Following is a summary of the reports of the elementary school principals, Mrs. Elouise Cashin, Mr. Robert Dickie, Mr. George Hesse, Mr. George Theodoras and Mrs. Eleanor White.

Varied ways have been effectively tried during the past year to raise the physical and scholastic standards of our schools. Under the guidance of the elementary reading consultant, Miss Marjorie Cassidy, there has been much revision and research to raise reading standards and to help eliminate individual reading difficulties. In order to better serve the individual reading needs of pupils in grades 4, 5, and 6, a modified Joplin Plan was inaugurated at Cold Spring School in January and in the other elementary schools in September. Children are grouped according to their abilities at five different levels—grade three through grade seven. Pupils can progress faster with time for greater emphasis where needed, and are marked on the grade level at which they are reading.

This same plan for the study of arithmetic in the intermediate grades was started in September at the Cold Spring School. The grade range is from three to advanced six. This plan will be extended to the other elementary schools.

All schools have participated in the Educational Television Programs conducted by Channel 2's educational staff. These programs include Science—grades 1 through 6, French—grades 4, 5 and 6, Phonics—grade 1, Literature—grade 3 and Music—grade 2.

Special emphasis on physical fitness is carried on daily in the form of exercises under the individual teacher's supervision as planned by the physical education instructor. He also carries on a physical fitness testing program in the fall and in the spring to note individual progress.

An Audubon Society representative continues to strengthen the 5th grade science program with biweekly visits.

The regularly scheduled field trips to our town museums were undertaken during the school year. Others were made including the Boston Liberty Trail, Ocean Spray at Hanson, the State House, Museum of Science and the Boston Globe. These were all an integral part of the curriculum.

In March, Metropolitan Achievement Tests were administered to all grades with results showing that Plymouth elementary children stand well above the National Norms in all areas.

Botel Reading Tests and Durrell-Sullivan Achievement and Analysis Tests were given individually in some schools. Gates Reading Tests were administered to the grades having the modified Joplin Plan. These were administered in January, May and September to check child placement and individual progress.

Kuhlmann-Anderson Tests were given to grades 1, 3 and 5 during the fall.

Nicholas Vardack, visiting psychologist from the Judge Stone Clinic, has continued his services to Plymouth children. He has also given in-service talks to teachers in some schools.

P.T.A. units have contributed generously to their schools with time and gifts. Pupils and teachers have participated in the following services and activities: school savings, insurance, class pictures and Care.

Many teachers have cooperated with Bridgewater State College by accepting, advising and supervising students in their classes for teacher training purposes.

A committee of teachers headed by Mr. George Theo-

doras, principal of Hedge School, is working on a revision of report cards.

Repairs and maintenance work have been done where most needed.

New equipment has been provided as needed in various schools. The town's elementary film library has been enlarged and filmstrips added to each school's library.

During the preceding year, an evaluation of the elementary schools was completed, with the entire elementary school staff participating in this project. Recommendations resulting from the evaluation have been made to the superintendents and School Committee. Further study of the present curriculum and all other school areas must be continued by school personnel before definite action is taken concerning some of these recommendations.

Plans were completed for the evacuation of all school children in case of an emergency fallout alert.

Recommendations

The elementary principals respectfully recommend that:

1. The possibility of a single session school day be investigated for all elementary schools.
2. A specially trained remedial reading teacher be employed by the school system for each school.
3. Before French becomes a permanent part of the curriculum:
 - a. Provision be made for continuation of the program until the study of formal French begins.
 - b. A supervisor for the teaching of French be employed by the School Department.

4. Class enrollment not exceed twenty-five pupils at all grade levels (most important at the primary level).
5. Changes be made in the curriculum when possible, as recommended by the Evaluative Study.
6. The Town consider the establishment of public kindergartens.
7. That the following programs be continued:
 - a. The development of school libraries.
 - b. Bringing old equipment up-to-date.
 - c. Purchase of films, filmstrips and audio-visual equipment for our schools.
